Note: The City of Temecula has four commissions. While more than one selection may be made below, applicants are encouraged to only select the commission(s) that they truly wish to serve on. Thank you.

Which Boards would you like to apply for?

Traffic Safety Commission: Submitted

Education and Employment

List Educational Background (Degrees, Licenses, Certificates, etc.). State "see resume" if attaching a resume with this information at the end of this application.

BS Civil Engineering, USAF Academy MS Environmental Science & Engineering, CO School of Mines MBA, University of Colorado Denver

List Employment History for Five Years (Employer Name and Address, Position Title, Primary Responsibilities). State "see resume" if attaching a resume with this information at the end of this application.

CEO/Founder, Tempo Communications, Inc. Jan 2019 - Present CEO, Textron Tools and Test, Jan 2017-Jul 2018 VP/GM, Greenlee Communications, Jan 2013 - Dec 2016 See Resume

Service Experience

List Previous City/County/State Board/Committee/Commission Service (Name of Entity, Positions Held, Years of Service). State "see resume" if attaching a resume with this information at the end of this application.

None

List Organizational Service (Professional, Technical, Volunteer, Non-Profit, Service Clubs) (Name of Group, Positions Held, Years of Service). State "see resume" if attaching a resume with this information at the end of this application.

IEEE Member (3+ yrs) Mountain Life Church Board of Directors (Ft Collins, CO) -- 4 yrs Orchard Church Temecula Deacon (2 yrs)

Statement of Interest

Describe why you wish to serve on this commission, how you have engaged with the City previously (i.e., attending meetings and events, etc.), and why you believe you are qualified for the position. Please be specific.

I've lived in Temecula since 2011. Most of that time was spent supporting a global business team which required 50%+ travel and limiting my ability to contribute to the local community. In 2019, I successfully purchased Tempo Communications from a Fortune 500 company and currently own/operate that business with HQ in Vista, CA. My travel schedule has changed significantly, and I now have the ability to contribute more directly to my community. With my technical, business background, along with my tenure in the community, I am well positioned to contribute to the Planning Commission or the Traffic Safety Commission.

Value Statement

Question applies to multiple boards

The City of Temecula places a high value on the principles of equity, diversity and inclusion. If appointed, how would you uphold and/or contribute to these principles.

As a former Air Force Officer and CEO/Business Owner, I understand the value of diverse ideas and opinions in order to achieve outstanding results. I've led multiple domestic and international teams throughout my career (US, UK, Germany, France, Italy, Slovakia, Hungary, Mexico, China, and India). I foster an environment of teamwork and collaboration.

JASON BUTCHKO

Temecula CA 92592

BOARD OF DIRECTORS/CEO

P&L / Lean Manufacturing Implementation / Business Turn-around / M&A / Strategic Planning / Financial Analysis / Acquisition Integrations / International

Results-driven leader with multi-industry track record including professional tools and equipment, test/measurement instrumentation, Telecom/Datacom, scientific instruments, consumer products, metal/plastic injection molding, and government contracts. International leadership over multiple operations in the US, EU, and Asia. Establishes a vision for growth while driving a culture of continuous improvement to attain operational and financial excellence.

Key Skills: Action oriented leader. Goal (Policy) Deployment. Lean Manufacturing Black Belt in 5S, TPI, 3P, and VSM. Business Turn-Around/Consolidations/Integrations. Change-Agent. Six Sigma Champion. Financial Analysis and Modeling. Visual Management/Metrics. Talent Management/Development. Tollgate Product Development. Cultural Integrations. Theory of Constraints.

Work Experience and Selected Professional Achievements

1/19 – Present Tempo Communications, Inc. (Vista, CA)

Privately Held, C-Corp, Shareholder, 100+ employees, Telecom/Datacom Tools and Test Manufacturer

1/19 – Present Chairman/CEO

Led the successful transaction to purchase the assets, portfolio, and customers of the former Greenlee Communications branded products from Emerson (NYSE: EMR). Found investment partners, established senior and sub-debt to acquire 100% of the assets in the US along with the UK entity to form Tempo Communications, Inc.

- Negotiated TSA and successfully transitioned new entity to new ERP/CRM systems within 6 months
- Established new branding, rebranded 600+ SKU's, transitioned all digital content to new branding and social media platforms
- Rebuilt distribution sales channel; Transitioned Amazon relationship to FBA structure; Restructured Telco/CATV sales channel to streamline product approvals, reduce cost, and drive growth
- Accelerated product development efforts to launch 15+ new products in Q1/Q2 2020

1/13 – 7/18 Greenlee-Textron, Textron Corporation (Rockford, IL)

Publicly Held, Fortune 500, NYSE: TXT, 30,000+ employees, Aerospace/Defense and Industrial Conglomerate

1/17 – 7/18 President & CEO, Textron Tools and Test

Promoted to leadership of \$500M Tools and Test portfolio of brands/products including Greenlee®, Klauke®, Sherman & Reilly®, HD Electric®, Greenlee Communications®, Greenlee Utility®, and Endura®. Global manufacturing footprint with 14 manufacturing locations, 2400+ associates, and sales offices in 13 countries. Increased sales 6.6% and NOP 5.5% after 3 yrs of flat performance in 2017. Increased Sales 12.3% and NOP 19% in first half of 2018.

- Led the sale and transition of the Textron Tools and Test business to Emerson during Q1 and Q2 FY2018
- Rebuilt leadership team and reduced organizational churn from 14% to 7% by driving execution, improving communication, and stabilizing the leadership team
- Led the new leadership team through strategic planning cycle with a focus on digital marketing, connected tool platforms, and new product innovations

1/13 – 12/16 VP/GM Greenlee Communications (Vista, CA)

Hired to turn around the Greenlee Communications business unit. Increased sales 33% and NOP 142%. Eliminated negative NOP margin within 12 months of taking on the job. BU had consistently lost money for the past 10 yrs.

- Expanded portfolio beyond copper-based tools into newer technologies in fiber optics, Ethernet and WiFi
- Reconfigured the sales channel management to sell more 'high-touch' capital goods vs. consumables
- Co-Inventor (patent allowed) for new distributed WiFi test system

JASON BUTCHKO

[REDACTED], Temecula CA 92592 [REDACTED] [REDACTED]

10/09 – 12/12 VP/GM Networks & Test Division at IDEAL Industries, Inc. (San Diego, CA)

Privately Held, 2100+ employees, Electrical/Electronic Manufacturing Industry

Selected to lead and restructure three US based business units in the Datacom and T&M markets to redefine the strategy, improve profitability, drive organic growth, and build the division via acquisition.

- Restructured the San Diego operation to focus on core products and competencies yielding a swing from -5% EBITDA to 22% in 2011.
- Defined and deployed a customer-focused go to market strategy that established a new networks sales channel purposed to penetrate the fast-growing IT and Datacom markets with a newly defined portfolio of both physical layer installation products and active network troubleshooting tools.
- Recovered and held both revenue and profit targets in spite of 14.5% retail loss announced within weeks of starting in the role.

10/07 – 12/08 VP Business Development (Corporate M&A) at Westco Scientific Instruments, Inc.

Privately Held, 100+ employees, Electrical/Electronic Manufacturing Industry

Recruited to lead M&A and integration efforts for a small group of private equity investors at Westco Scientific Instruments, Inc and AMS, srl.

- Completed two acquisitions and integrations in 14 months – more than doubling the revenue base of the company holdings and diversified product portfolio into strategic growth markets
- Exceeded acquisition ROIC and cash flow targets within 6 months; completed business turn-around via rejuvenated product portfolio and business teams; increased sales by 57% and EBIT by €650k.
- Implemented lean manufacturing practices at AMS France that led to a 75% reduction in system lead times and a 50% improvement in inventory turns
- Reversed negative sales trend for Westco Scientific within 6 months

9/06 – 10/07 VP Operations at PCC Advanced Forming Technology

Publicly Held, Fortune 500, NYSE: PCP, 10,000+ employees, Aviation and Aerospace Industry

Recruited to lead the engineering and operational turnaround for three metal injection molding and thixoforming manufacturing facilities in the US and EU through introduction of Lean Manufacturing techniques and Six Sigma methodologies to reduce/eliminate variation.

- Operational turn-around to restore EBIT growth within 2 quarters. Quickly resized the business to protect quality of earnings yet retained key talent to rebuild the business back to previous sales/EBIT levels.
- Improved quality (43% scrap reduction), delivery (OTD moved from <60% to >93%), and reduced variable cost per hour by 17% via workflow, visual management, and lean initiatives
- Led operations and engineering teams through initial ISO 13485 certification as a medical device supplier and recertified in ISO 9001:2000 and QS9000/TS16949

2000 – 2006 Hach Company, Danaher Corp

Publicly Held, Fortune 500, NYSE: DHR, 10,000+ employees, Electrical/Electronic Manufacturing Industry

6/02 – 9/06 GM (Business Unit Manager)

Promoted to director level leadership of \$27M laboratory instrument manufacturer with three plants in US and Europe. P&L responsibility. Managed international product management, engineering, and chemistry staff of 35 plus independent sales representatives and distributors. Strategic leader for global sales, finance, technical support, marketing, customer service and manufacturing teams. Increased sales 9% CAGR, tripling market performance.

- Integrated and turned-around Lachat Instruments following Danaher – Hach acquisition. Hach acquired line of analyzers following 15% sales loss over two years. Established brand standards; created and executed business strategy and product roadmap. Delivered 17% CAGR for three years.
- Negotiated OEM license with European firm to expand product lines, adding \$1.6M revenue within 12 months

JASON BUTCHKO

[REDACTED], Temecula CA 92592 [REDACTED] [REDACTED]

- Improved operating margins by 56% via new product vitality, product cost reductions, and quality improvement initiatives

10/00 – 6/02 Program Manager - Lab Business Unit

Selected to lead a team of 22 engineers, technicians, and technical writers to develop and sustain the lab instrument product portfolio for Hach Company. Key business unit leader in the integration of Hach and Dr. Lange (Düsseldorf, Germany) following Danaher acquisition and integration decision.

1998 – 2000 Waterpik Technologies, Inc.

Privately Held, 500-1,000 employees, Consumer Products Industry

6/99 – 10/00 Plant Manager at Waterpik Technologies

4/98 – 6/99 Tooling & Maintenance Manager at Teledyne Waterpik

Earlier Career: Air Force Captain – Base Operations and Maintenance Chief responsible for support and maintenance of the 18,000-acre USAF Academy campus. Award winning Program Manager in environmental engineering at the USAF Academy and Beale Air Force Base.

Education: **MBA**, University of Colorado; **MS**, Environmental Science & Engineering, **Colorado School of Mines**; **BS**, Civil Engineering, **USAF Academy**.

Statement of Interest

Describe why you wish to serve on this commission, how you have engaged with the City previously (i.e., attending meetings and events, etc.), and why you believe you are qualified for the position. Please be specific.

My family has lived in Temecula for the past eight years. We love this city. Serving on the Traffic Safety Commission will allow me to share my 15+ years of experience as a transportation professional with the community that I call home. In 2018 myself and few other Harveston residents engaged with city staff and the Community Services Commission regarding the then-recent ban of fishing at Harveston Lake. Having spoke at a public hearing and meeting with city staff, I proposed a series of strategies to minimize the negative impacts that other residents had brought to the City. A few of these strategies were implemented and fishing was able to resume shortly thereafter. In 2020, fellow Harveston residents and I petitioned and recommended to the City's Traffic Safety Committee striping improvements with a rapid flashing beacon along Harveston Drive near the Sports Park. That particular location always concerned me given the seemingly high rate of vehicular speed, limited sight distance, and high bike/ped volumes. My neighborhood is grateful that the Commission and Department of Public Works moved forward with the plan and the improvement was completed promptly. I feel that I am qualified for the position of Traffic Safety Commissioner because of my past public engagement and my professional experience in traffic safety and transportation. From 2008 to 2019, I worked for the California Department of Transportation (Caltrans) in both Orange and San Diego counties. As a Transportation Planner/Specialist, my responsibilities focused on Local Development Review and the development of Corridor Studies. For Local Development, I made certain that proposed land development projects would not negatively impact the safety and operations of the state highway system by ensuring that adequate roadway, pedestrian, and bicycle improvements were implemented to ensure public safety. Corridor Studies can be short or long-term plans for a variety of facilities and I was the project manager on several corridor projects in my time at Caltrans. In 2018, I was the lone representative from Caltrans District 11 (San Diego) for the Move I-15 Through Temecula Valley Regional Task Force that included the Riverside County Transportation Commission, the cities of Temecula, Murrieta, Wildomar, Lake Elsinore, Canyon Lake, and Menifee, and a variety of other public agencies and tribes. The task force was instrumental in securing funding for the, now in construction, 138-million-dollar infrastructure project to alleviate congestion along the corridor. In 2019, I moved to the Planning and Development Services department for the County of San Diego as a Transportation Specialist where I have continued to review local development projects to ensure safety for all modes of transportation. I have also been the project manager for SB 743 (VMT) implementation which changed the way that transportation is analyzed for the California Environmental Quality Act (CEQA). I co-wrote the Board adopted Transportation Study Guide which was recently awarded the 2023 National Association of Counties Achievement Awards (NACo Awards) for planning. It would be an honor to serve on the Traffic Safety Commission. I feel that my experience in the transportation field for government agencies at the State and Local level coupled with a desire to ensure safe and efficient mobility within the community I call home makes me a qualified candidate. I appreciate the consideration.

Value Statement

Question applies to multiple boards

The City of Temecula places a high value on the principles of equity, diversity and inclusion. If appointed, how would you uphold and/or contribute to these principles.

The agencies I have worked at were passionate about creating an inclusive workplace that promotes and values diversity. I will uphold the City's principles of equity, diversity, and inclusion because participating in an environment where everyone, from any background, can get involved in the public decision making process is best for the community at large.

Damon A. Davis

Temecula CA 92591

Summary:

A highly talented and enthusiastic Transportation Specialist/Planner with a strong background in transportation planning, particularly in local development, active transportation, safe routes to school, long-range planning, and grant management. Demonstrates the ability to work collaboratively with municipalities, resource agencies, and community stakeholders by forging strong partnerships to further the Agency's goals and objectives within general policy guidelines.

Highlights of Qualifications:

- o 15+ years of experience in the field of transportation planning capable of handling various complex projects independently and efficiently.
- o Expertise in data collection and analysis for the development of long range planning documents.
- o Excellent ability to develop working relationships with regulatory bodies, commissions, local governments, and private land owners.
- o Outstanding analytical, communication, and technical writing skills.
- o Bicycle and Pedestrian program coordinator.

Highlights of Experience:

County of San Diego

Land Use Environmental Planner III- Transportation Specialist

March 2019 - Present

- o Project manager for SB 743 Vehicle Miles Traveled (VMT) implementation.
- o Co-author of the County's Transportation Study Guide which provides criteria on how local development projects should be evaluated for the California Environmental Quality Act.
- o Responsible for the review and analysis of traffic studies utilizing Level of Service (LOS) and VMT for land development projects to ensure conformance with General Plan, Community Plans, Design Guidelines, Zoning Ordinance, and other applicable county and state regulations.
- o Collaboration with local, state, and federal agencies on various multimodal planning activities, including but not limited to, the Regional Transportation Plan, Comprehensive Multimodal Corridor Plan, Trails Master Plan, Active Transportation Plan, and Freight Master Plan.
- o Preparation of written reports and presentations for Board of Supervisors, Planning Commission, community planning groups, and various stakeholder groups.
- o Active Transportation program manager, ensuring active transportation accommodations throughout the project development process

State of California, Department of Transportation (Caltrans)

Associate Transportation Planner

May 2008 - March 2019

- o Lead role in the preparation of Systems Planning documents, such as, Route Concept Reports, the District System Management Plan, and other long-range planning documents.
- o Analyzed Environmental Impact Reports and traffic studies for local development projects to determine impacts to the State Highway System and propose appropriate mitigation strategies.
- o Managed district's planning grant program by reviewing and recommending grant applications for headquarters, ensure compliance with contract provisions, and monitor contractors' progress to ensure work is on schedule and on budget.
- o Directed grant program for *safe routes to school*.
- o Served on Project Development Teams and Special Task Forces for various Caltrans projects and corridor studies.

- o Lead facilitator in a variety of workshops, meetings, and outreaches to local agencies, various stakeholders, and the general public.
- o Performed field-based data collections, traffic surveys, and vehicle classification and occupancy counts.

Education:

Bachelor of Arts - Cal State Fullerton, Geography/Environmental Analysis
May 2008

Associate of Arts - Cypress College, General Studies
June 2000

Statement of Interest

Describe why you wish to serve on this commission, how you have engaged with the City previously (i.e., attending meetings and events, etc.), and why you believe you are qualified for the position. Please be specific.

I am eager to serve on the Traffic Safety Commission to bring my experience and service to the City of Temecula with the goal of improving issues that impact us daily. I plan to collaborate with stakeholders and propose effective measures that enhance traffic safety, prioritize pedestrians and cyclists, and create a smoother traffic flow to continue the quality of life we strive to enjoy in this community.

Value Statement

Question applies to multiple boards

The City of Temecula places a high value on the principles of equity, diversity and inclusion. If appointed, how would you uphold and/or contribute to these principles.

If appointed to the Traffic Safety Commission for the City of Temecula, I would uphold equity, diversity, and inclusion by advocating for objective policies, engaging the community and ensuring open dialogue, educating about these principles, collecting data, forming and cultivating partnerships, and committing to continuous learning.

Statement of Interest

Describe why you wish to serve on this commission, how you have engaged with the City previously (i.e., attending meetings and events, etc.), and why you believe you are qualified for the position. Please be specific.

I've enjoy being engaged in every community in which I have lived. I believe that citizens should be involved in local government as a duty to the community. Civic pride makes the system work. I've only recently moved to Temecula but I have attended one meeting in person and a few more online. Qualified because I'm civic oriented, have served previous communities, have served on boards, clear understanding of traffic laws, have the academic credentials and as a retiree, I have the time.

Value Statement

Question applies to multiple boards

The City of Temecula places a high value on the principles of equity, diversity and inclusion. If appointed, how would you uphold and/or contribute to these principles.

By ensuring that all discussions and votes take into account the needs of and impact to all the residents of Temecula.

robert harvey

Bob is the retired President and CEO of the Seattle Metropolitan Credit Union. He retired in 2011 after 20 years with the credit union. He has worked in management positions in California with Bank of America, Wells Fargo Bank and the Lockheed Federal Credit Union. Prior to beginning his 40 year banking career, Bob was an officer in the U.S. Marine Corps. Born and raised in Boston, he spent many years in Southern California before moving to Seattle. He holds a BA in Mathematics and a MBA in Banking.

He was awarded the distinction of CEO of the year by the Credit Union Executives Society in 2003. He is married and has adult children living in California, as well as adult step children living in the Puget Sound area. His grandchildren now number nine. Bob serves as a Trustee on the City of Seattle Pension Board and serves as a fully certified Reserve Police Officer with the Seattle Police Department. Many Friday nights you'll find him on patrol around Seattle. He has been assigned to SPD's Gang Unit for over 10 years.

His hobbies include motorcycling, bicycling, vintage cars, movies and traveling. His favorite post retirement endeavor is playing a tenor drum for The Seattle Police Department's Pipe and Drum band.

Statement of Interest

Describe why you wish to serve on this commission, how you have engaged with the City previously (i.e., attending meetings and events, etc.), and why you believe you are qualified for the position. Please be specific.

I want to be a part of the city of Temecula by being involved in making it the best place to live for all of its citizens. I am qualified because I care about my community and the people who live here. I purchased my home in Temecula after I retired in 2013. I love living here and I have always felt welcome and safe. I enjoy the community events and I am in tune with the needs and wants of this community. I will work diligently to make sure that I contribute, stay involved and make decisions that would only effect our community in a positive light.

Value Statement

Question applies to multiple boards

The City of Temecula places a high value on the principles of equity, diversity and inclusion. If appointed, how would you uphold and/or contribute to these principles.

I would work with other members in identifying the needs of our community and making sure that our citizens voices are heard and that events are planned to show the beautiful diversity that is Temecula. It is the only way to ensure inclusion of all citizens groups. Temecula has done a wonderful job thus far and I want to be part of this collaboration.

Statement of Interest

Describe why you wish to serve on this commission, how you have engaged with the City previously (i.e., attending meetings and events, etc.), and why you believe you are qualified for the position. Please be specific.

I am enthusiastic about the opportunity to serve on this commission because I am committed to improving our city and its inhabitants. Throughout the years, I have been actively involved with the municipal government of Temecula in various ways, including by attending municipal meetings, participating in community events, and collaborating with local organizations. These experiences have strengthened my resolve to contribute more actively to the growth and development of our community through a position on this commission. My interactions with the City have been constant and varied. I have attended several city council meetings, workshops, and town halls to remain current on ongoing projects, policies, and challenges confronting our community. This has given me valuable insight into the inner workings of local governance and the issues that affect our constituents on a daily basis. I have volunteered with local nonprofit organizations, participated in neighborhood cleanup initiatives, and helped coordinate community events in addition to attending meetings. These experiences have provided me with first-hand knowledge of our residents' diverse requirements and concerns, as well as the collaborative efforts required to address them effectively. In terms of my qualifications for this position, I contribute a combination of skills, experiences, and personal characteristics that align with the duties of a commission member. My background in [relevant skills such as public policy, community organizing, communication, etc.] enables me to analyze complex issues, engage in constructive dialogue, and make well-informed decisions that will benefit our community. I am deeply committed to hearing and amplifying the voices of all residents, ensuring that their viewpoints are at the forefront of our discussions and decisions. In addition, my experience working with diverse groups has refined my ability to create environments where everyone feels valued and heard. As evidenced by my past involvement in successful community initiatives, I believe in the power of collaboration and forming partnerships to address challenges effectively. My desire to serve on this commission stems from my passion for the well-being and development of our city, my consistent engagement with the City through meetings and events, and my qualifications that enable me to contribute to the commission's responsibilities effectively. If given the opportunity, I am confident that I can make a positive impact by actively participating in meaningful discussions, advocating for the interests of our community, and working collaboratively to form policies that benefit all City of Temecula residents.

Value Statement

Question applies to multiple boards

The City of Temecula places a high value on the principles of equity, diversity and inclusion. If appointed, how would you uphold and/or contribute to these principles.

If appointed to the city commission, I would embrace and actively uphold the principles of equity, diversity, and inclusion that the City of Temecula holds in high regard. I am dedicated to ensuring that every resident, regardless of origin, feels valued, represented, and included in our city's decision-making processes. Here are my contributions to these principles: I would prioritize actively listening to and amplifying the diverse voices and perspectives within our community. By engaging with residents from diverse backgrounds, I can ensure that their concerns, needs, and aspirations are considered when formulating policies and making decisions. I would advocate for policies and initiatives that promote equity and confront systemic inequalities. This includes supporting initiatives that ensure all residents have equal access to essential services, educational opportunities, health care, and affordable housing. I would ensure that meetings and activities of the city commission are conducted in a way that encourages the participation of all residents. This may entail accommodating various communication styles, and creating spaces where people from diverse backgrounds feel secure expressing their opinions. Cultural Competence and Education: I would continue to educate myself on our community's diverse cultures, identities, and histories. This knowledge would allow me to make knowledgeable decisions that respect and revere the city's diverse heritage. I would actively collaborate with community organizations, local businesses, and advocacy groups championing equity and inclusion. Developing solid alliances can help us leverage our resources and expertise to bring about beneficial changes for all. I would strive to identify and address disparities in the accessibility of opportunities, resources, and services. We can devise strategies to close these gaps by focusing on areas where inequities persist. Continuous Learning and Improvement: To enhance my understanding of equity, diversity, and inclusion, I would remain receptive to feedback and engage in constant learning. This would allow me to adapt my approach to the evolving requirements of our community. My commitment to equity, diversity, and inclusion would ultimately guide my decisions and actions as a city commission member. By actively promoting these principles, we will be able to establish a more harmonious, unified, and vibrant community that will benefit all of its residents.

PROFESSIONAL EXPERIENCE & BUSINESS VALUE

BUSINESS Process ANALYST

Kaiser Permanente, San Diego, CA

December 2023 – Present

Transformed EPIC technical concepts into user-friendly language, acting as a liaison between stakeholders and IT professionals; facilitated effective communication and successfully delivered vital business objectives.

- ✦ Authored desk-level procedures: led workflow requirements elicitation sessions (including requirements analysis to translate business needs into EPIC functionality).
- ✦ Spearheaded redevelopment of EPIC application internal tracking system in use by 125 employees, resulting in 20+ new features, reduction of 20% in save/load time, and 15% operation time.
- ✦ Created knowledge base of 80 internal resources, improving employee onboarding and reducing time spent per project on administrative tasks by 40%.
- ✦ Served as an intermediary with Business consultants to support bilateral understanding of data structures, workflows, technology capabilities, and limitations of EPIC application functionality.
- ✦ Applied EPIC expertise to improve business processes and support critical business strategies.

BUSINESS SYSTEMS ANALYST

ABBOTT VASCULAR, Temecula, CA

January 2022 – August 2022

Liaison between corporate compliance and all things technical. Point of contact between stakeholders & IT professionals translating complex data into user-friendly concepts resulting in firm delivery of key business objectives. Proven expert on PCI DSS Compliance. Pioneered solutions for team of **60+** analysts, agents, & developers, ensuring goals were achieved.

- ✦ Revitalized stagnant IT infrastructure in **6 mos.** migrating antiquated programs to new cloud software.
- ✦ Doubled network security by achieving **100%** PCI Compliance saving **\$1M+** annually within **2** months.
- ✦ Bolstered company portfolio **25%** configuring Salesforce software streamlining operational processes.
- ✦ Maximized system efficiencies by **15%** via providing viable solutions resulting in **98%** resolution rate.
- ✦ Upgraded hardware & systems for **25+** onboarding employees, mitigating troubleshooting by **50%**.
- ✦ Spearheaded launch of company's **1st** PCI compliance program, achieving **(0) zero** violations each qtr.
- ✦ Boosted overall network security, reducing potential tech spend by **1.5M+/yr.** adapting PCI standards.

BUSINESS PROCESS ANALYST

STRONG TOWER & ASSOCIATES, Temecula, CA

March 2013 – April 2022

Highly sought after by company for creative ideas & innovative solutions. Developed sound and concise strategies for business growth, enabling company to move forward with a plethora of operational goals. Architected and implemented solutions that accelerated company growth within **18 months** of company launch—retained as primary consultant for **7-year** tenure.

- ✦ Developed a long-term plan to enhance ITSM strategies, addressing scalability, security, and innovation.
- ✦ Established decision-making structures to clarify roles, responsibilities, and authorities for IT-related matters.
- ✦ Increased productivity by **60%** via configuration of Salesforce set up to suit **100%** of business needs.
- ✦ Played a vital role in driving company expansion, conceptualizing **98%** of solutions executed for growth.
- ✦ Co-authored **100+** policies & procedures after extensive workflow evaluation for process optimization.
- ✦ Developed & launched robust system automation plan saving a combined **250+** man-hours per month.
- ✦ Implemented successful launch of *Simplicity Software* fully deployed & staff trained within **6 months**.

APPLICATION / BUSINESS SUPPORT ANALYST

STAGEFORCE, San Marcos, CA

January 2019-December 2019

Recruited for in-depth Salesforce expertise, expert knowledge in application systems, and ability to develop comprehensive and identifiable solutions in alignment with company's strategic vision. Contributed exponentially to company growth through razor sharp ability to decipher data & identify market trends leading to significant & profitable gains.

- ✦ Engineered software solutions for Stageforce platform & Salesforce, enhancing efficiencies by **18%**.
- ✦ Co-wrote **130+ pg.** training & onboarding scripts for **330** users alongside **10+** software developers.
- ✦ Mitigated **75%** of software defects enabling company to onboard **300+** users for Stageforce platform.
- ✦ Developed techniques which disrupted stagnant market trends accelerating client user base by **34%**.
- ✦ Brainstormed highly persuasive software presentations leading to **80%** conversion rate for customers.

SENIOR PROGRAM & PROJECT ADMINISTRATOR – BUSINESS ANALYSIS

NOKIA, San Diego, CA

July 2011 – February 2013

Transformed technical processes via continuous improvement initiatives, constantly developing business strategies to execute and enforce the vision held by key stakeholders. Recognized as visionary and creative thinker, continuously developing new blueprints & roadmaps to assist marketing in launching revenue-producing campaigns. Adept at transforming the wheel as opposed to reinventing it.

- ✦ Collaborated with concept team to launch up to **15** devices analyzing product lines & actionable data.
- ✦ Fostered dynamic relations with team of **100+** engineers responding swiftly to shifting business needs.
- ✦ Identified key project issues circumventing critical losses ensuring seamless, cost-efficient launches.
- ✦ Championed & forged **1st** library of competitor models & reusable knowledge for marketing tactics.
- ✦ Within **1 year**, turned around ineffective processes by designing SharePoint site for **100+** users.

ADDITIONAL CAREER EXPERIENCE & TRAJECTORY

SENIOR PROJECT ADMINISTRATOR – BUSINESS ANALYTICS

QUALCOMM, San Diego, CA

Managed portfolio of extensive projects for international teams of software engineers & developers while providing valuable business insights supporting Qualcomm CDMA chipset. Defined business needs & requirements while working alongside engineers supporting their efforts to deliver customized solutions & project execution.

- ✦ Drove project initiatives supporting up to **15+** projects with **65+** engineers for product test labs.
- ✦ Improved timecard entry system for **100%** of the organization after uncovering & eliminating bugs.
- ✦ Project liaison ensured mutual understanding of processes, systems, & applications to non-tech staff.

EDUCATION & CREDENTIALS

Bachelor of Science (BS) – Systems Organization & Mgmt. – *Hampton University* – Hampton, VA (*In Progress*)

Associate of Arts (AA) – Humanities & Language Arts – *San Diego City College* – San Diego, CA (*Completed*)

Statement of Interest

Describe why you wish to serve on this commission, how you have engaged with the City previously (i.e., attending meetings and events, etc.), and why you believe you are qualified for the position. Please be specific.

My family first moved to Temecula in July of 1991, on my fifth birthday. I grew up alongside our city and witnessed, first hand, how the City's General Plan came to fruition. Temecula's status as one of the safest cities in the nation isn't an accident, nor did our transportation network spontaneously appear. Temecula was built incrementally on a framework of guiding documents, carefully stewarded through the years from one civic leader to the next. Having served on the Traffic Safety Commission for three years, I'm proud of what City Staff, the Commission and community have accomplished together, and I'm eager to continue the work. To stay up to speed with City business, I watch every recorded Council and Commission meeting. To stay connected to our community, I attend as many City events as possible, including ribbon cuttings and workshops. To keep up with regional developments, I attend I-15 Task Force meetings and review RCTC agendas and recordings. To prepare for Traffic Safety Commission meetings, I survey neighborhoods by car and foot, speak with my neighbors, and pour over every detail of each staff report. As a member of the Quality of Life Master Plan Committee, I helped put to paper the principles that keep our city in motion. I dialoged with neighbors and learned that Temecula residents are mostly united in our core values; we all want safe neighborhoods, better transportation infrastructure, and a healthy and livable city. I strive to put these values into practice on the Temecula Active Transportation Community Advisory Panel, and through my nonprofit work with Bike Temecula Valley. As Temecula adopts a Complete Streets approach to infrastructure planning, I believe I can continue to be an asset to our city. If entrusted with the responsibility of serving on the Traffic Safety Commission for three more years, I will see that the Commission follows through on the vision described in the Quality of Life Master Plan. I love my city, I love doing the work, and I believe I can help Temecula meet the challenges and opportunities ahead of us.

Value Statement

Question applies to multiple boards

The City of Temecula places a high value on the principles of equity, diversity and inclusion. If appointed, how would you uphold and/or contribute to these principles.

I grew up in classic Temecula-- the way it was in the 90s, with a population under 30,000. It was a time when the roads were still marked with truck wheels and horse hooves; when you knew almost everyone's car; when there was only one high school in town and every family rooted for the same team. Our quaint little valley has grown since then, but to me Temecula will always be one city. No matter how our district lines may shift over the years, as a commissioner I will always search for the most equitable solution, balancing the needs of the city at large with the needs of individual neighborhoods. Modern Temecula is increasingly diverse, now comprised of many different communities of interest. Equity is one of my guiding principles as a commissioner, and awareness of Temecula's diversity is important in shaping projects to reflect the needs of each neighborhood. Traffic lights aren't necessarily the answer to every problem. For example, the roundabout at Ynez and La Paz was designed to fit the rural character of the Los Ranchitos community and pay tribute to the equestrian culture. As a commissioner, I listen intently to my neighbors, respect their variety of thought and perspective, and tailor fit solutions to match neighborhood values. As Temecula looks to the future, we must also address the need for greater diversity in our transportation infrastructure in order to serve our shifting demographics. Nearly a third of Temecula residents don't drive. This includes a quarter of our population under the age of 16-- like my kids-- but also increasingly our population of long-timers-- like my parents-- who are looking for alternative ways to get around. Temecula has become an intergenerational city. Now more than ever, it is important that we support all types of mobility. The Traffic Safety Commission plays a vital role in connecting people and places. We have a diverse population, and the City Council, Planning Commission and Community Services Commission have made strides towards developing inclusive housing options, services and amenities. However, to be considered a fully inclusive city, the Traffic Safety Commission must also do its part and support inclusive modes of transportation and Complete Streets, so that all Temecula residents can get to where they want to go, how they want to go, safely.

EDUCATIONAL BACKGROUND

2008 B.A. COMPUTER SCIENCE

UNIVERSITY OF CALIFORNIA BERKELEY | Berkeley, CA

10/31/2019

To Whom it May Concern,

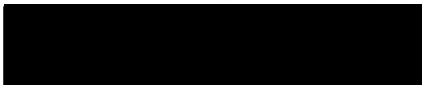

David Matics is an exemplary human being.

I've had the good fortune of toiling alongside David for the past decade at a fast-paced music production company. He is good at what he does, and makes everyone around him better. He taught me how to assemble computers, how to optimize them for my particular vocation, and answered every tech question I've ever had with a novel's worth of detail and background. David is the first person to offer a helping hand, or volunteer to learn a new skill or program when the need arises, and the last person to leave when there's still troubleshooting to be done. He has always launched himself fearlessly at the most difficult problems and worked them until they're solved. He's the hardest working and most dependable person I've ever worked with.

I've had the even greater fortune of being friends with David since the age of 12. He has a sly sense of humor that will take you by surprise given his otherwise reserved demeanor. He is kind and polite to all, and always generous with his time. Over the years he's tackled everything from A.P. exams, to honor-band auditions, to quadruple majors, to raising triplets with the same tenacious determination that he applies to every task. David is a devoted husband, father, and friend, and I could fill a novel complimenting his integrity and listing his many virtues.

I have no reservations about recommending David for the position for which he is applying, and can attest to both his encyclopedic technical proficiency and his rare, exemplary character. Please feel free to contact me if you seek any reassurance on either point.

Sincerely,
Jonathan Ortega

December 10, 2019

City of Temecula
41000 Main Street
Temecula, CA 92590

To Whom It May Concern:

I am pleased to write this letter to highly recommend David Matics for the City of Temecula's Public / Traffic Safety Commission. I have had the pleasure of working with David for almost five years in a variety of settings at Sparks and Shadows, and have found him to be one of the most hard-working, reliable, professional and positive people I've ever had the experience of working with. He is a team-player, a "can do" person, and I have seen him outperform in high-stress, time-sensitive situations and constantly go the extra mile beyond expectations.

At Sparks and Shadows David provided consistent and reliable oversight and upkeep of our company's intense technology and corporate enterprise software needs. David oversaw everything tech-related from individual composers' multi-computer rigs to company-wide systems, and our ever-growing needs for security solutions and asset protection.

As Scoring Manager on the movie *10 Cloverfield Lane* and several other films, I worked intensively with David and we collaborated in carrying our company through an important transition from tv production and to big box office films. We developed a new system and revamped the company so that our operations would accommodate both tv and film production. David seamlessly and eagerly took on a workload of what could have been filled by a team of people, and he brought his efficiency and detail-oriented nature to every task. It is difficult to convey the intensity that our work deadlines and shifting timeframes entailed, and under circumstances that others' might find overly demanding or stressful, David thrived and took to every task with his consistent, even-keeled nature and constant optimism.

David is a natural problem-solver and his genuine interest and passion for technology lead him to be detailed trouble-shooter, taking on repairs and fixes for everything large and small. Not only is David's work always exemplary, but he is also a wonderful person to work with on a personal level. Always, energetic, eager, professional, and friendly, David is a person I would jump at the opportunity of having on any team.

Please feel free to contact me with any questions or if you would like to speak further.

Sincerely,

Joanna Pane

Appointment Application

Important Information

The appointment process is a public process subject to the Ralph M. Brown Act and Public Records Act. An applicant presentation is required at a City Council meeting. An applicant must be a resident of the City of Temecula at the time the application is submitted. All applications on file at the close of an advertised period for a vacancy will be considered.

Statement of Interest

Describe why you wish to serve on this commission, how you have engaged with the City previously (i.e., attending meetings and events, etc.), and why you believe you are qualified for the position. Please be specific.

My primary interest in joining this commission is for the safety of our community. Temecula is such a wonderful town and keeping our residents safe is of paramount reasoning for me. I believe through this commission, working with the community we can establish and build these parameters. I have just recently moved to Temecula, my intent is to be involved via meetings and community events.

Value Statement

Question applies to multiple boards

The City of Temecula places a high value on the principles of equity, diversity and inclusion. If appointed, how would you uphold and/or contribute to these principles.

This position requires input and feedback from the community, taking their suggestions, talking them through and arriving at decision point. I think I would contribute to these principles by treating the community and colleagues with respect, realizing that the end goal should all align, safer roadways for our residents and families

Master of Business Administration, M.B.A. Management, San Diego State University, CA 2020

Bachelor of Science, Accounting, University of Massachusetts, Boston, MA, 2011

Security Clearance, Active: Secret

PROFESSIONAL EXPERIENCE

DEPARTMENT OF NAVY, SAN DIEGO, CA

08/2021-PRESENT

BUSINESS FINANCIAL MANAGER - DP-0343-03

PMW 101 - INTERNATIONAL PROGRAM OFFICE FINANCIAL MANAGER

40 HOURS PER WEEK / FULL-TIME / SAN DIEGO CA

- Budgeting, execution and reporting of funds utilizing Navy enterprise tools; N-ERP, PBIS and Advana to the International Program Office (IPO) within PMW 101 Multi Information Distribution System (MIDS) Program Office while balancing requirements within allocated budgets of US OMN (\$3.7M) in sync with MIDS IPO approved funding (\$5.7M)
- Working within the IPO's PMOU cost share percentage for each participating nation. Assessed the current cost share out of alignment for partner nations compared to US, proposed and received approval from IPO Steering Committee members to adjust the funding of contracts resulting in alignment of the nations allocated amounts by the end of the current PMOU set to expire in 2026, completed by utilizing spend plans, task planning sheets, quarterly reporting, and contract award data
- Government lead for Quarterly Reporting to IPO Steering Committee members, working the SC member requests of more timely reporting, updated data sources to run data from pivot tables from Access Database, changing from manual updates, resulting in more accurate reporting routed to them within 10 days of quarter closing compared to 45+ days as done previously
- Government representative for ad-hoc request of financial review with IPO. Germany, Italy and France all sent representation in FY23 to review concerns/questions on status of funding. Syncing with Lead BFM for strategy and messaging, building out brief, briefing lead BFM and the SC members with status of their funding, resulting in nations approval and alleviating concerns
- Spend plan development and task planning development coordination utilizing historical data, estimates from vendors and performers, and input from partner nations and IPO division leads for requirements
- Lead team of contractors for IPO related finance, oversight of outputs include financial management board, quarterly reporting and Steering Committee as-hoc requests. Government lead for approval and routing in MIDSVue system, calling for deposits from Steering Committee members
- Prepare briefings and represent the MIDS IPO as financial manager during semi-annual Steering Committee forums, providing financial information for decision making to the Steering Committee members and bringing forward recommendations of funding for program office costs for upcoming fiscal years
- Work with MIDS Program Office financial team and principals for submission of complete timely and accurate budgets, resulting in no Congressional Marks during tenure
- Financial POC for lot buy procurement, working with acquisition and contract teams to ensure other customer funds are awarded in timely manner and adhere to fiscal policy for active appropriations

- Member of MIDS Tiger Team for strategy, implemented new other customer funds (OCF) tracker for our Air Force and Army customers and worked with IPO leads to review PMOU out years and alignment of FTEs to their duties and responsibilities
- Procurement for international partners and industry partners working with contracts and European vendors utilizing Euros
- Banking and wiring processes for the International Program Office through monthly financial boards with IPO, and NAVWAR 1.0 accounting stakeholders
- Oversight and execution of budget utilizing RDTE (\$69M) and OMN (\$26M) appropriated funds
- Coordination of funding requirements with PAMP for timely execution to vendors and contractors
- POC for Military Interdepartmental Purchase Request (MIPR) to collect and execute funds from other military entities such as Army and Air Force. Reports and tracker sent to all POCs from the various entities that MIDS executed funding on behalf with status of their funds and expenditures of obligations
- Led time of contractors during dormant funding review, quarterly reporting and verification of dormant funding documents by reviewing and assigning records, working with vendors/performers on status of funds and submitting via DARQ tool in Advana ahead of deadlines
- Management of the program office Spend Plan for MIDS PO and verification process of changes required throughout the year

BOOZ ALLEN HAMILTON, SAN DIEGO, CA

02/2017-08/2021

FINANCIAL ANALYST**ASSOCIATE - 40 HOURS PER WEEK / FULL-TIME / SAN DIEGO CA**

12/2019-08/2021

- Provide business financial management support for over \$100M annually to PMW 750 program office TacMobile program of record, working daily with NIWC LANT
- Development, estimating and monitoring of budgets through spend plans and execution of the following types of funding: RDTE, OPN, OMN, FMS. Key stakeholder manager for PMW 750 program office with NAVAIR for the other customer funds from PMA- 290, P-8A program office
- Implementation and assignment of Global Work Breakdown Structure for tasked spend plan items from performers, reviewing costs with PAMP and need to reduce program management support funding, this WBS buildout identified costs specifically at NIWC LANT that should have been re-categorized or were opportunity for cost savings aligning to the program management priorities and syncing to IMS fielding plan
- Developed technical knowledge of the System of Systems and its NAVAIR PMW 290 P-8 support mission, enabling me to contribute to the High Level Tac-Mobile Capability Roadmap, particularly as it related to budgets and funding through the Future Years Defense Program (FYDP)
- Coordinate funding requirements with internal and external clients and creation of funding documents while analyzing, tracking, and reporting commitment, obligation, and expenditure data to key stakeholders
- Built alliances with disparate OPNAV resource sponsors to effectively fund TacMobile as it transitioned to Increment 3 accomplished by various funding, planning, programming, budgeting and execution data calls
- Worked closely with NAVAIR PMA 290 regarding Tac-Mobile Foreign Military Sales and provided process improvement to reporting for the United Kingdom and New Zealand for Tac-Mobile
- Assisting with cost model development by providing actual execution to realize accurate future cost estimates

SENIOR CONSULTANT - 40 HOURS PER WEEK / FULL-TIME / SAN DIEGO CA

02/2017-12/2019

- Managed a portfolio of over \$347M annually as contractor support for Nuclear-Powered Aircraft Carriers during the Refuel Charge and Overhaul phase of their lifespan, working with PEO C4I program office BFM and PAMPs to support 34 communication systems for funding requirements for upcoming fiscal years
- Provide financial management and business process support to NAVSEA resource sponsor, meeting with key stakeholders with regards to release of funding over concerns of funding and work completed, working with contractor to uncover all financial costs and funding requests associated with the work to be performed, alleviating concerns from PMS-312 and release of funding preventing stop work on an already late schedule
- Development of SCN U, a 1.0 share point data depository for best practices, guidance, tools, developed and built out during time utilizing SCN and adopted by PEO C4I BFM share point
- Support cost-planning development and analyze the execution of agency funds in compliance within Department of Defense appropriation law
- Support reconciliation, account closure, and the planning and preparation of procurement and services contract actions. Identify problems and recommend solutions pertaining to cost planning and financial execution

* L.A. County court assistance - 4 years. Assist people in filing court papers for restraining orders in domestic violence.

Statement of Interest

Describe why you wish to serve on this commission, how you have engaged with the City previously (i.e., attending meetings and events, etc.), and why you believe you are qualified for the position. Please be specific.

I have been a resident here for about year and a half. I lived in La Mirada Ca. All my life. I attended board meetings and helped numerous city council members get elected. I worked with previous city manager to assist city with noise complaints. I came to Temecula and found it to be a Fascinating Gem of a city that is growing very rapidly. I feel i can give back to this great city and lead it while its enormous transition of becoming an even more popular city than it is. I know that i can be an asset to this great community

Value Statement

Question applies to multiple boards

The City of Temecula places a high value on the principles of equity, diversity and inclusion. If appointed, how would you uphold and/or contribute to these principles.

The most important principle I always follow is treat everyone as I want to be treated. I love this town, its Country Galues, love for families. This great country was founded on the basis of equality and justice for all. Temecula is fast growing in population of all nationalities, we embrace our neighbors and help them as we were helped moving here 5 years ago.

Statement of Interest

Describe why you wish to serve on this commission, how you have engaged with the City previously (i.e., attending meetings and events, etc.), and why you believe you are qualified for the position. Please be specific.

My family moved to Temecula in 1999 when I was just two years old. In the over 20 years since, I have witnessed many changes, both good and bad, in the city in that time. Now that I have finished my college studies, I want to work for and improve upon the city I grew up in and make it better and safer for the current and future residents of Temecula. I want to serve on the Community Services Commission because I know firsthand how important it is to have safe and fun Parks and other recreational areas in the city. I grew up playing in the parks in the community and playing in local recreational sports leagues in the city. I want to share the memories of the childhood I had growing up in Temecula and have those memories make an impact on the city and community for years to come. I want to serve on the Traffic Safety Commission because having safe and well maintained roads is something that is important to a safe and strong community. For my first three years of college, I commuted from Temecula to San Marcos four to five days a week. After those first three years, i commuted to an extension campus within Temecula. At the same time, I worked for food delivery services like Grubhub and Uber Eats on my off days. Over those years, along with my years growing up in Temecula, I drove roads that were well maintained and had good speed limits. I have driven other areas that were not as safe. I have even seen areas where there are multiple sudden speed limit changes in small areas. I have seen my share of accidents and near accidents. I want to use what I learned as a college commuter and delivery driver to makes the roads of our city better for everyone.

Value Statement

Question applies to multiple boards

The City of Temecula places a high value on the principles of equity, diversity and inclusion. If appointed, how would you uphold and/or contribute to these principles.

I would uphold and contribute to the values of equity, diversity, and inclusion by treating every person I work with or hear from as a respected and valued member of the community. I want the city that raised me to be a city where everyone feels welcome to share their experiences and opinions.

Work Experience

Football Coach

- Great Oak High School - Temecula, CA
- June 2015 to November 2017 Volunteer/intern. June 2018 to November 2021
- I have been working as a football coach at Great Oak since I graduated from there in 2015. The first three years (2015-2017) I was working as a volunteer/unpaid intern. My duties have included coaching multiple positions, filming games and practices, and fixing minor equipment issues.
- As the Assistant Varsity running backs coach for the past five years I helped coach one running back to the Southwestern League 2nd Team All-League Team and three running backs to the Southwestern League 1st Team All-League Team.
- I also have limited experience as an assistant coach for the defensive line, linebackers, and special teams positions.
- Over the years I helped our team's certified equipment manager in a number of ways, including; sizing and fitting players for helmets and shoulder pads, installing back plates, facemasks, rib guards and visors, and replacing and/or swapping out helmet pads.

Wrestling Coach

- Great Oak High School - Temecula, Ca
- November 2018 to Present
- For the past two seasons I have been coaching wrestling at Great Oak. My duties have included coaching new wrestlers in the sport fundamentals, coaching mat-side at duals and tournaments and being the coach liaison at tournaments.
- I was one of the lead coaches for the freshman and junior varsity teams as well as an assistant on the varsity team.

Umpire

- Temecula Valley American Little League - Temecula, CA
- March 2013 to June 2013
- As an umpire I was in charge of enforcing player safety, league rules, and fair play.

Education

Education

- **University of Phoenix**
- **June 2021-Present**
- **On schedule to graduate with a master's in education January 2023**

Kinesiology

- California State University-San Marcos - Temecula, CA
- August 2015 to May 2020
- Bachelor of Science in Kinesiology with an emphasis on health science

Certifications/Licenses

Red Cross CPR/AED/First Aid Certified

- July 2022 to July 2024

Accolades

National Society of Leadership and Success

- **Presidential Member September 2021**

Pi Lambda Theta

- **Member July 2022**

University of Phoenix Dean's List

- **2022**

Which Boards would you like to apply for?

Traffic Safety Commission: Submitted

Education and Employment

List Educational Background (Degrees, Licenses, Certificates, etc.). State "see resume" if attaching a resume with this information at the end of this application.

Bachelor's degree in finance from California State University San Bernardino. Associate degree in business administration and social and behavioral science from Mt San Jacinto Community College. Various training in all aspects of Insurance claims including Liability claims, Litigated claims, Fraud claims, and Management.

List Employment History for Five Years (Employer Name and Address, Position Title, Primary Responsibilities). State "see resume" if attaching a resume with this information at the end of this application.

I have been retired from Insurance Claims as of September 5, 2018. I began my insurance career at Farmers Insurance where I was a Senior Liability Claims Representative and a Claims Supervisor. I investigated auto accident claims and settled injury claims, usually attorney represented cases. I also worked at Liberty Mutual Insurance where I investigated suspected fraudulent claims. I worked with the National Insurance Crime Bureau and Department of Insurance. I was a panel member with Arbitration Forums deciding disputed cases between insurance companies. I attended dozens of mediations to avoid litigation. Prior to my insurance career I was an Operations Supervisor with Consolidated Freightways. I have an Honorable Discharge from the US Navy.

Service Experience

List Previous City/County/State Board/Committee/Commission Service (Name of Entity, Positions Held, Years of Service). State "see resume" if attaching a resume with this information at the end of this application.

I do not have any service in this area.

List Organizational Service (Professional, Technical, Volunteer, Non-Profit, Service Clubs) (Name of Group, Positions Held, Years of Service). State "see resume" if attaching a resume with this information at the end of this application.

Currently a member of the Riverside County Republican Central Committee since January 2023. Currently a board member of the Murrieta/Temecula Republican Assembly since December 2022.

Statement of Interest

Describe why you wish to serve on this commission, how you have engaged with the City previously (i.e., attending meetings and events, etc.), and why you believe you are qualified for the position. Please be specific.

I am a five-year veteran of the US Navy, and I believe any resident that has the ability and desire to serve should pursue opportunities when they become available. I periodically attend City Council meetings. I recently ran for the Temecula City Council in the 2022 election. I had previously applied once before for the Traffic Commission. I participated in the last 4th of July parade and when my children were young, they participated in various city sponsored events. I have also attended many City of Temecula Christmas parties. I believe I am the right fit for this position given my experience in the insurance field. I have interviewed hundreds of people, of all ages, who were involved in traffic accidents, (drivers, passengers, witnesses). I have investigated fraudulent traffic accidents. I have read numerous police reports and accident reconstruction reports. I have gained a wealth of knowledge on the causes of traffic accidents and risk management. I believe I can add value serving as a Traffic Safety Commissioner.

Value Statement

Question applies to multiple boards

The City of Temecula places a high value on the principles of equity, diversity and inclusion. If appointed, how would you uphold and/or contribute to these principles.

I subscribe to the principles of good faith and fair dealing. There are two sides to every story and each side deserves respect and consideration. Following the facts wherever they lead will lead to the truth and thereby achieving an educated decision. The goal would be to act in such a manner that neither side could dispute the results.
