

**CITY OF TEMECULA
AGENDA REPORT**

TO: City Manager/City Council

FROM: Patrick Thomas, Director of Public Works / City Engineer

DATE: May 9, 2023

SUBJECT: Approve Recycled Water Agreement with Rancho California Water District for Recycled Water Service for the Ynez Road and Date Street Landscaped Medians

PREPARED BY: Stacy Fox, Maintenance Superintendent
Julie Tarrant, Principal Management Analyst

RECOMMENDATION: That the City Council approve the recycled water agreement with Rancho California Water District for recycled water service for the Ynez Road and Date Street landscaped medians.

BACKGROUND: To provide recycled water to the City (USER), the Rancho California Water District (DISTRICT) requires that the USER enter into an agreement, and to assume all responsibilities for the use of recycled water delivered pursuant to this agreement, and in accordance with all provisions, terms, and conditions as outlined in the agreement.

By entering into this agreement the City will be establishing the means to use recycled water to irrigate the landscaped areas within the Ynez Road and Date Street roadway medians, per Exhibit A of the agreement.

FISCAL IMPACT: There is no fiscal impact for the approval of the Recycled Water Agreement with Rancho California Water District.
