RECOMMENDATION: That the City Council receive a presentation regarding the jurisdiction, recruitment, and selection process of the City's boards, committees, and commissions and provide general direction regarding the same.

BACKGROUND: On January 28, 2025, when considering the annual recruitment and selection process and joint meetings, the City Council provided unanimous direction for a wholesale review of the City's boards, committees, and commissions. The City's existing boards, committees and commissions were established at different times over the last 35-year history for various purposes. The City Council asked staff to conduct historical and regional research related to the existing boards, committees and commissions. Based on the research presented at tonight's meeting, the City Council will provide direction on a variety of matters related to boards, committees, and commissions, including but not limited to purpose and jurisdiction, selection and recruitment process, joint meetings, and implementation of any desired changes.
