SUBJECT: Electric Service to Margarita Road, Temecula
SCE Charge Ready Program / City of Temecula App ID 1361707
Work Order No. TD1949324

Dear Ron Moreno:

Spectrum Land Services is an authorized agent of Southern California Edison (SCE) for the acquisition of easements to support the Charge Ready Program.

You will find enclosed an original and one copy of the SCE Grant of Easement. Please have the original executed by the appropriate Grantor(s), have the signature(s) notarized, and **return to my attention at Spectrum**. The notary public must spell out each name exactly as they appear on each signature line, and the notary stamp must be clear and legible to be accepted for recording by the County Recorder's Office. The copy of the easement is for your files.

Due to the schedule of the project, there is a great sense of urgency. Your prompt attention to this request is appreciated.

Thank you for your cooperation on this project. If you have any questions, or need additional information, please call me at (714) 568-1800 ext. 234 or email me at Npeters@spectrumland.com.

Regards,

Natasha Peters
Right of Way Agent
Acting on behalf of Southern California Edison
Spectrum Land Services
