NOTES

PRICING: Altec will make every effort to honor this quotation, subject to the following provisions. Prices for equipment with production start dates 12 months and beyond are considered budgetary due to potential cost inflation, market volatility, and tariff implications. These prices will be reviewed based on market conditions and confirmed closer to the production date. Quotes and orders with chassis model years beyond the current open order bank are estimates only. Altec's turn-key pricing is subject to change based on chassis pricing received from the OEM. Chassis model year, specifications, and price will be reviewed and confirmed when specific model year information becomes available from the OEM, and any chassis price difference, including adjustments for tariffs, will be passed through to the customer.
