

**CITY OF TEMECULA
AGENDA REPORT**

TO: City Manager/City Council

FROM: Patrick Thomas, Director of Public Works / City Engineer

DATE: May 14, 2024

SUBJECT: Approve Plans and Specifications and Authorize Solicitation of Construction Bids for the Sidewalks - Pauba Road Project, PW19-20

PREPARED BY: Nino Abad, Senior Civil Engineer
Chris White, Associate Engineer II

RECOMMENDATION: That the City Council:

1. Approve the plans and specifications and authorize the Department of Public Works to solicit construction bids for the Sidewalks - Pauba Road Project, PW19-20; and
2. Make a finding that this project is exempt from California Environmental Quality Act (CEQA) per Article 19, Categorical Exemption, Section 15301, Existing Facilities, of the CEQA Guidelines.

BACKGROUND: The Sidewalks - Pauba Road Project, PW19-20 will include the widening of Pauba Road and construction of sidewalks on the south side of the roadway between Elinda Road and Showalter Road. The project also includes ADA-compliant access ramps, cross gutter, spandrel, relocation of storm drain and streetlights, installation of new Southern California Edison (SCE) pedestal, landscaping and irrigation modification, and utility relocation and/or adjustments.

The plans and specifications are complete, and the project is ready to be advertised for construction bids. The contract documents are available for review in the Director of Public Works' office.

The Engineer's Construction Cost Estimate is \$369,795 and construction duration is estimated to be 60 working days (approximately 3 months).

This project is exempt from the CEQA requirements pursuant to Article 19, Categorical Exemption, Section 15301, Existing Facilities, of the CEQA Guidelines. Section 15301 states that the repairs and maintenance of existing highways and streets are Class 1 activities which are exempt from CEQA.

FISCAL IMPACT: The Sidewalks – Pauba Road is identified in the City's Capital Improvement Program (CIP) budget for Fiscal Years 2024-2028 and is funded with Measure S and SB 821. Adequate funds are available in the project accounts to construct this project.
