

**CITY OF TEMECULA
AGENDA REPORT**

TO: City Manager/City Council

FROM: Pat Thomas, Director of Public Works/City Engineer

DATE: May 14, 2024

SUBJECT: Approve Minor Maintenance Agreement with Trueline Construction & Surfacing, Inc., for Sport Court Maintenance, Crack-Fill, Resurfacing and Striping Services

PREPARED BY: Julie Tarrant, Principal Management Analyst
Stacey Biddle, Management Assistant

RECOMMENDATION: That the City Council approve a minor maintenance agreement with Trueline Construction & Surfacing, Inc., for sport court maintenance, crack-fill, resurfacing and striping services for Fiscal Years 2025-2029, in the amount of \$500,000.

BACKGROUND: On March 12, 2024, the Department of Public Works Maintenance Division posted a Request for Proposal (RFP) No. 282 on the City of Temecula's online bidding service, Planet Bids, requesting proposals from qualified firms or individuals for sport court maintenance, crack-fill, resurfacing and striping services.

The Public Works Department received two (2) electronic proposals. Selected panel members reviewed each proponent's submittals and collectively determined that Trueline Construction & Surfacing, Inc, to be the most qualified and competitively priced vendor to provide sport court maintenance services. These services will provide for the annual maintenance, resurfacing, and repair of tennis, hockey, pickleball, and basketball court surfaces, as needed, throughout the city. Staff hereby recommends the approval of an Agreement with Trueline Construction & Surfacing, Inc., for annual maintenance services for Fiscal Years 2025-2029.

FISCAL IMPACT: Adequate funds will be available in the Capital Improvement Program Fiscal Year 2024-2025, upon approval by City Council at their regular meeting of May 28, 2024.
