

**CITY OF TEMECULA
AGENDA REPORT**

TO: City Manager/City Council

FROM: Ron Moreno, Director of Public Works/City Engineer

DATE: June 10, 2025

SUBJECT: Approve Plans and Specifications and Authorize Solicitation of Construction Bids for Sidewalks – Pauba Road, PW19-20

PREPARED BY: Nino Abad, Senior Civil Engineer
Shawna Bennetts, Associate Civil Engineer

RECOMMENDATION: That the City Council:

1. Approve the plans and specifications and authorize the Department of Public Works to solicit construction bids for Sidewalks – Pauba Road, PW19-20; and
2. Make a finding that this project is exempt from California Environmental Quality Act (CEQA) per Article 19, Categorical Exemption, Section 15301, Class 1, Existing Facilities, of the CEQA Guidelines.

BACKGROUND: The Sidewalks – Pauba Road Project, identified in the 2025-2029 City of Temecula Capital Improvement Program Budget, funds the construction of sidewalk along the eastbound side of Pauba Road from Elinda Road to Showalter Road. This section of Pauba Road was identified in the City’s Sidewalk Gap Study.

Project plans and specifications are complete, and the project is ready to be advertised for construction bids. The contract documents are available for review in the office of the Director of Public Works. The Engineer’s Construction Estimate for the Project is \$780,000 with a construction duration of one hundred ten (110) working days (approximately 5 – 6 months).

The project is exempt from the CEQA requirements pursuant to Article 19, Categorical Exemption, Section 15301, Class 1, Existing Facilities, of the CEQA Guidelines. A CEQA exemption letter was submitted to the County of Riverside and was approved and recorded on October 2, 2024.

FISCAL IMPACT: The Project is in the City’s Capital Improvement Program (CIP) Fiscal Years 2025-2029 and is funded with Measure S, and Senate Bill 821 funds. There is no fiscal impact for soliciting bids.
