ANNUAL ELEMENT PROGRESS REPORT

Housing Element Implementation

Jurisdiction	Temecula		
Reporting Year	2024	(Jan. 1 - Dec. 31)	
Table D			
Program Implementation Status pursuant to GC Section 65583			
Housing Programs Progress Report			
Describe progress of all programs including local efforts to remove governmental constraints to the maintenance, improvement, and development of housing as identified in the housing element.			
1	2	3	4
Name of Program	Objective	Timeframe in H.E	Status of Program Implementation
Land Use Policy and Development Capacity	City will allow residential mixed use to be permitted at a density of 30 units per acre, provide flexible development standards such as increased building height and shared parking, continue to promote Affordable Housing Overlay Zoning District, promote development of 2,138 new units (including 512 lower income units and 622 moderate income units) with 80% of new units located in TCAC opportunity areas	Ongoing	This program is ongoing. In September of 2018, the City adopted the Affordable Housing Overlay (AHO). The AHO identified 44 parcels which total just over 100 acres and can accommodate the City's mandated affordable housing needs of 2,007 units for affordable households. In 2024 the City issued certificates of occupancy to 132 affordable units. The City adopted the Uptown Specific Plan in the last housing element cycle and the completion of the Las Haciendas Affordable Housing Development was a result of the completion and implementation of the Uptown Specific Plan.
Maintain Adequate Sites Throughout the Planning Period	Review housing approval on sites listed in the Housing Element and make findings required by Government Code Section 65863, rezone sites if necessary, Identify additional sites that may be required to be upzoned to meet "no net loss" requirements for Housing Element adoption in 2025 (a mid-cycle review)	Ongoing	The City continually monitors changes to residential acreage through development, General Plan Amendments, Zoning map amendments, etc. to ensure an adequate inventory is available to meet the City's RHNA obligations.

<p>Public Property Conversion to Housing Program</p>	<p>Maintain accurate list of surplus City-owned lands, collaborate with developers of affordable housing to explore opportunities for affordable housing development, solicit request for proposals for development of affordable housing and comply with the Surplus Land Act guidelines issued by HCD</p>	<p>Ongoing</p>	<p>This is an ongoing effort. In 2024 the City worked with Council Members to complete a draft RFP for the City owned vacant parcel in Uptown Temecula. The goal is to have the RFP go out April 2025. The City has complied with the Surplus Land Act guidelines and requested an exemption for this parcel since the goal is to have a 100% affordable development at this parcel.</p>
<p>Replacement of Affordable Units</p>	<p>Consistent with the requirements of Government Code Section 65583.2(g), development projects on sites in the housing inventory (Appendix A) that have, or have had within the past five years, residential uses restricted to rents affordable to low or very low income households or residential uses occupied by low or very low income households, shall be conditioned to replace all such units at the same or lower income level as a condition of any development on the site and such replacement requirements shall be consistent with Section 65915(c)(3)The City will continue to identify need for replacement for all project applications and ensure replacement, if required, is carried out</p>	<p>Ongoing</p>	<p>The City tracks all affordable housing units, and the dates associated with their covenants or restrictions. The City ensures any expiring covenants as they relate to affordable housing are replaced in the same quantity at or below the current income restriction with any proposed redevelopment.</p>

<p>Accessory Dwelling Units</p>	<p>Survey and evaluate methods to encourage ADU development, annually monitor state law for future ADU regulations and update the City's Development as needed, educate community on opportunity to develop ADUs and promote development of ADUs affordable to lower-income households, prepare and adopt "permit ready" ADU plans and make them free to the public, encourage production of 6 ADUs annually with a goal of 65% affordable</p>	<p>Adopt "permit ready" ADU plans by December 31, 2022; ongoing education of ADU</p>	<p>The City adopted a "permit ready" ADU ordinance to allow for accessory dwelling units in all residential zoning districts where there is an existing single-family detached dwelling unit. The program launched on March 1, 2023. The City has created a comprehensive ADU webpage found at the following web link, temeculaca.gov/ADU, to promote the production of ADUs. This is an ongoing effort as state laws changed pertaining to ADU laws.</p>
<p>Large Sites</p>	<p>Identification and consolidation of available incentives by April 2023; distribution of Large Site Incentives Factsheet, including a map of available sites demonstrating TCAC opportunity scores, to the development community by July 2023; and provide incentives to 100% of qualifying projects are submitted, Promote the development of 400 units at large sites, with 50% of the units affordable to lower-income households</p>	<p>Ongoing</p>	<p>The City streamlined the Las Haciendas Affordable housing project and the Rancho Las Bolsas Affordable Housing project in 2024. They were provided with deferral fees. This is an ongoing effort and the City will continue to promote incentives to developers interested in building affordable housing.</p>
<p>Density Bonus Ordinance</p>	<p>Encourage density bonus opportunities which increase the total allowable density for senior and affordable housing projects, monitor state law for updates on density bonus regulations and update City's Development Code as needed, approve at least two density bonus projects over the course of the planning period</p>	<p>Ongoing</p>	<p>The City continues to encourage developers to use density bonus opportunities. The City continues to monitor state law annually for updates on density bonus laws. The City has been contacted more often in the last year by developers asking about density bonuses and how that could help their specific development.</p>

<p>Land Assemblage and Affordable Housing Development</p>	<p>Continue to acquire land for use in the provisions of affordable housing, facilitate development of housing units affordable to lower-income households by publicizing its density bonus program, City will offer free pre-application review and a unified permit center to incentivize development of affordable housing sites, City will strive to meet with one affordable housing developer annually using the pre-application review process focusing on evaluating land assemblage opportunities</p>	<p>Ongoing</p>	<p>In 2012, after the dissolution of Temecula Redevelopment Agency (RDA), the City took ownership of all affordable housing assets. Currently, there is Tax Allocation Bond Proceeds that may be used for affordable housing. The City continued to facilitate the development of housing units affordable to lower-income households by making the bond proceed information available to developers and nonprofit housing agencies through the development application process.</p>
<p>Housing for Extremely Low-Income Households</p>	<p>Encourage production of 136 new residential units affordable to extremely low income households with an emphasis of encouraging these units in TCAC opportunity areas, Encourage affordable housing developers to increase the percentage of units with 3 or more bedrooms by 10% over existing percentage of extremely low income units of this size</p>	<p>Ongoing</p>	<p>In 2024 the City issued certificates of occupancy for the Rancho Las Bolsas project which was funded with No Place Like Home Funds. This project will offer 26 units with project-based vouchers. The City will continue to encourage the housing of extremely low-income households</p>
<p>Special Needs Housing Construction</p>	<p>City will encourage the development of at least two projects serving persons and households with special needs such as persons with disabilities, including developmental disabilities, seniors, single-parent households, lower income households, and persons at-risk of homelessness, during the planning period</p>	<p>Ongoing</p>	<p>The City is currently working on two affordable housing developments, one is Vine Creek and will provide 10 units for low-income individuals with disabilities. The other development that received a certificate of occupancy is Rancho Las Bolsas which will provide 26 units for extremely low income individuals taken from County of Riverside waitlist through no place like home funds.</p>
<p>Mortgage Credit Certificate Program</p>	<p>City will promote regional Mortgage Credit Certificate Program through publicity, plan to assist average of ten households annually</p>	<p>Ongoing</p>	<p>The MCC Program is administered by the Riverside County Economic Development Agency (EDA). The City has not been contacted by the County EDA within the last three years to participate.</p>

<p>Energy Conservation and Energy Efficiency</p>	<p>City will partner with Southern California Edison and Southern California Gas Company to promote energy saving programs, City will annually ensure local building codes are consistent with state-mandated green standards, Implement state's energy conservation standards through checking building plans and inspecting construction</p>	<p>Ongoing</p>	<p>The City continued to require energy conservation measures in residential construction and remodeling, by implementing the State's energy conservation standards (e.g., Title 24 Energy Standards) through the plan review process for all new building construction permits. The City updated the building energy codes and also provided energy resources on the City's website.</p>
<p>Development Fees</p>	<p>City will continue to enter into development agreements with qualifying senior/affordable housing projects and provide deferral or reimbursement of development fees</p>	<p>Ongoing</p>	<p>The City continued to evaluate opportunities to reimburse City fees for appropriate housing developments, and entered into new agreements to provide development fee reimbursement to affordable housing projects. This is an ongoing effort as new developers work with the City to build future housing.</p>
<p>Expedite Processing of Affordable Housing Projects</p>	<p>City will implement expedited review to 100% of projects with an affordable housing component, the City will develop, adopt, and begin implementing objective design standards to evaluate housing projects, including affordable housing projects, City will continue to prioritize projects based on the level of affordability being proposed in order to meet its regional housing needs</p>	<p>Ongoing</p>	<p>This is an ongoing item and The City has adopted objective design standards for multi-family and mixed-use development on January 25th, 2022</p>
<p>Emergency Shelters and Transitional/Supportive Housing</p>	<p>The City will update the Development Code to permit emergency shelters and transitional/supportive housing consistent with Government Code requirements Sections 65650 through 65656 by December 31, 2022, The City will continue to work with public agencies and private entities to provide adequate resources for the community's homeless population</p>	<p>Ongoing</p>	<p>The City and nonprofit organizations continued to work together to provide resources for homeless people seeking shelter in 2024. Several nonprofit agencies continued to provide a provision of services including temporary inclement weather shelter and other housing options for homeless in the Temecula Valley area. The City also actively participates in Riverside County Continuum of Care 10-year plan to end homelessness. On April 23, 2013, the City completed a Zoning Code amendment and adopted an Ordinance permitting transitional housing, supportive housing, residential care facilities, and efficiency unit housing in residential zones subject to the same permit processing procedures as other housing in the same zone. The City continues to keep an eye out for new state laws and updates accordingly.</p>

<p>Periodic Consistency Review of General Plan, Municipal Code, and State Law</p>	<p>City staff will track and stay abreast of changes in state housing law and work with the City Attorney to incorporate changes into the General Plan and Municipal Code in order to reduce or remove housing constraints, Future local amendments to the California Building Code will be reviewed for their potential impact on housing supply and cost and this information will be considered as part of the decision-making process</p>	<p>Biannual Review</p>	<p>The City continues to track and stay abreast of changes in state housing law which would require amendments to the General Plan and Municipal Code. The City continues to review state law to identify areas of the Development Code and General Plan that may need amending to maintain consistency with state law.</p>
<p>Development Code Amendments – Housing Constraints</p>	<p>Ensure that the City’s Development Code is consistent with State law and update the Development Code as needed to comply with future changes.</p>	<p>Development Code Amendment adopted by June 2023</p>	<p>Ongoing. The City performs an annual housing update to our Municipal Code to ensure compliance with future changes to State Law.</p>
<p>Provide Adequate Sites for Lower Income Households on Nonvacant and Vacant Sites Previously Identified</p>	<p>Allow developments by-right pursuant to Government Code section 65583.2(i) when 20 percent or more of the units are affordable to lower income households on sites identified in Appendix A that were previously identified for both the 5th and 4th cycle housing elements through implementation of the City’s Affordable Housing Overlay Zone</p>	<p>Ongoing</p>	<p>Ongoing effort as planning applications are submitted by developers</p>
<p>Mitigation of Nongovernmental Constraints</p>	<p>Continue to help implement the City’s Affordable Housing Overlay by issuing an RFP for development of City-owned sites within three years of Housing Element adoption, Continue to implement fee deferral/reimbursement opportunities</p>	<p>Issue RFP for City-Owned sites for development of affordable housing by 2026</p>	<p>Ongoing effort. In 2024 the City worked with Council to draft an RFP for a city owned vacant parcel in Uptown Temecula.</p>

<p>Preserve At-Risk Housing Units</p>	<p>City will monitor the status of affordable projects at risk of converting to market rate, City will identify nonprofit organizations as potential purchasers/managers of at-risk housing units, the City will explore funding sources available to preserve the affordability of projects at risk of converting to market rate or to provide replacement units, Strive to preserve all 256 existing affordable units</p>	<p>Annually monitor</p>	<p>The City has an ongoing effort to work with interested parties to renew the covenants on any expiring affordable restrictions.</p>
<p>Code Enforcement</p>	<p>The City will continue to seek voluntary compliance for code-related issues and violations to enforce the UBC and target education regarding the City's housing rehabilitation programs to areas of the community with higher proportions of low- and moderate-income households cited for code violations, City will review code enforcement trends on a quarterly basis to identify any areas of the community that warrant special support, City will strive to increase the number of proactive code enforcement educational interactions by 5% over the course of the planning period</p>	<p>Ongoing</p>	<p>Ongoing effort. The City actively conducts annual property inspections for affordable housing projects that are/were funded with RDA/SARDA funds, City Funds, and LIHTC funds.</p>

<p>Residential Improvement Program</p>	<p>The City will utilize CDBG funds or other funds, as available, to provide financial assistance for minor repairs of homes owned and occupied by lower-income homeowners, Target education to areas of the City with higher proportions of lower- and moderate-income households as informed by median household income information, Apply for funding on an annual basis, Plan to assist four (4) households annually</p>	<p>Ongoing as funding is available</p>	<p>Ongoing, the City sponsors the Habitat for Humanity development of single family homes available to lower-income homeowners.</p>
<p>Section 8 Rental Assistance Program</p>	<p>City will continue to contract with the County of Riverside to administer the Section 8 Rental Assistance Program and provide rental assistance to at least 105 very low-income Temecula households, City will support the County of Riverside's applications for additional Section 8 allocation, City will educate at least one multifamily apartment manager annually about the Section 8 program</p>	<p>Ongoing</p>	<p>This is an ongoing effort and the City handed out Section 8 program information to each affordable housing complex in 2024. The City also continues to provide information about the Section 8 rental assistance voucher/certificate program to potential tenants.</p>
<p>Mobile Home Assistance Program (MPAP)</p>	<p>City will provide technical assistance to Heritage Mobile Home Park residents in pursuing MPAP funds in the event that the owners propose to close the mobile home park</p>	<p>Ongoing as funding is available</p>	<p>Ongoing and no residents pursued MPAP funds during the 2024 reporting period</p>

<p>Equal Housing Opportunity</p>	<p>The Riverside County Consortium, of which the City is a member, has adopted an Analysis of Impediments (AI) to Fair Housing Choice and has conducted fair housing planning to implement the recommendations identified in the AI, the City has further analyzed fair housing issues in Temecula and assessed the City's commitment to affirmatively furthering fair housing</p>	<p>Ongoing</p>	<p>Ongoing. The City continued to work with and fund the Fair Housing Council of Riverside County in implementing the fair housing plan, disseminating information regarding fair housing services, and provide referrals to the fair housing program in Riverside County. Fair Housing Council of Riverside resources are provided to constituents who call City Hall requesting housing related information and or issues.</p>
<p>Housing Referral Directory</p>	<p>The City will continue to offer housing referral services through its Housing Referral Directory, The City will continue advertising its Housing Referral Directory semiannually in hard copy and digital formats and will provide information in both English and Spanish. The City will double the number of locations with hard copy advertisements, and will target providing hard copies to areas with lower median household incomes as well as any specific geographic areas experiencing higher levels of fair housing complaints</p>	<p>Ongoing as funding is available</p>	<p>Ongoing as funding is available. In 2024 the City handed out directory info to each affordable housing complex. The City continued to offer housing referral services through the Housing Referral Directory number, 211, and to local non-profit shelter and service providers. The City also developed an affordable housing dashboard linked here (https://www.arcgis.com/apps/dashboards/c8bf60c48cea4ed497b1098a1666d300) that is shared with constituents who call in requesting information on affordable housing in Temecula.</p>
<p>Economic Displacement Risk Analysis</p>	<p>Conduct a Displacement Risk Analysis Study to identify the local conditions that lead to displacement and develop and implement an action program based on the results, Identify potential partners to participate in the study that specialize in eviction-related topics related to displacement. Annually monitor program effectiveness</p>	<p>Ongoing</p>	<p>Ongoing effort. The City has engaged with a potential consultant to begin this analysis.</p>
