Street closures are allowed by the California Vehicle Code upon approval by the local governing body for certain conditions. Under Vehicle Code Section 21101, “Regulation of Highways,” local authorities, for those highways under their jurisdiction, may adopt rules and regulations by ordinance or resolution for, among other instances, “temporary closing a portion of any street for celebrations, parades, local special events, and other purposes, when, in the opinion of local authorities having jurisdiction, the closing is necessary for the safety and protection of persons who are to use that portion of the street during the temporary closing.”

Chapter 12.12 of the Temecula Municipal Code, Parades and Special Events, provides standards and procedures for special events on public streets, highways, sidewalks, or public right of way

and authorizes the City Council or City Manager to temporarily close streets, or portions of streets, for these events.

FISCAL IMPACT: The costs of police services, as well as services provided by the City Public Works Maintenance Division (for providing, placing and retrieving of necessary warning and advisory devices), are appropriately budgeted within the City's operating budget.
