

### Section C: Statement of Operations

Our mission is to provide an authentic Mexican dining experience that not only celebrates the rich culinary traditions of Mexico but also immerses our guests in the cultural significance of the food and beverages we serve.

In Mexico, the experience of dining is deeply intertwined with the enjoyment of a few traditional alcoholic beverages. We believe that offering a full liquor menu is essential to delivering a genuine and memorable experience for our patrons. For instance, margaritas, which are among the most beloved cocktails in Mexico, perfectly complement the vibrant flavors of our lunch dishes. Similarly, pajarete—a nostalgic morning drink made with coffee, milk, and liquor—holds a special place in the hearts of those who grew up in ranches across Mexico, and we aim to evoke those cherished memories for our guests.

Additionally, micheladas, a refreshing beer cocktail infused with lime and spices, are a staple in Mexican culture and pair wonderfully with our diverse menu.

While we recognize that liquor sales will not constitute the majority of our overall revenue, we firmly believe that the thoughtful inclusion of these beverages will enhance the overall dining experience. Each drink is carefully crafted to complement our dishes, allowing guests to fully immerse themselves in the flavors and traditions of Mexico. By offering these beverages, we aim to transport our customers to a sunny morning in Mexico, creating a unique and enriching experience that encourages them to return time and again.

Our restaurant will operate Monday through Sunday from 8 AM to 9 PM. We plan to create nearly 80 jobs and hire locals, providing opportunities for our community. With ample parking available, we aim to ensure a convenient dining experience for our guests.

Our menu will feature a variety of breakfast and lunch items that will transport you to a morning breakfast at Abuelita's house (Grandma's house), including freshly brewed coffee, pozole, pancakes, and delicious banana milkshakes. A crowd favorite will be our chilaquiles, offered with different sauces such as green, red, chipotle, and creamy white. We will also serve breakfast favorites with a Mexican twist, like tres leches pancakes, churro waffles, and mazapán and dulce de leche lattes. With our wide range of food options, we guarantee that there will be something for everyone. We do not plan to have any live entertainment, allowing guests to enjoy their meals in a relaxed atmosphere.

We are committed to responsible service and ensuring that our establishment aligns with the community's values. We will implement thorough training for our staff to uphold the highest standards of service and safety.

In conclusion, granting us a full liquor license will not only support our restaurant's authenticity but will also enrich the cultural tapestry of our community. We appreciate your consideration of our request and look forward to the opportunity to contribute to the local dining scene in a meaningful way.
