LONG RANGE PLANNING

General Plan Update: The Long Range Planning Division has developed a four-phase, multi-year process to update the General Plan. Phase I is complete and included updates to Housing and Public Safety Elements. Phase I also included an update to the City's Traffic Impact Analysis (TIA) Guidelines to analyze Vehicle Miles Traveled (VMT) for the California Environmental Quality Act (CEQA). Phase II is in process and includes an update to the Quality of Life Master Plan (QLMP), reconciling the City's GIS Maps on a parcel by parcel basis, a baseline EIR analysis of the City's Circulation Element, and developing a Complete Streets Policy document. Phase III will include a Fiscal Land Use Study to analyze the City's remaining development capacity and market absorption potential for residential, commercial, and industrial development. The RFP for the General Plan managing consultant was awarded to Sagecrest Environmental (Contract approved January 28, 2025). The RFP for the General Plan consultant was released and interviews held with the top applicants the week of April 28, 2025. The selection committee chose De Novo Planning Group to lead the General Plan effort. The contract was approved by the City Council on May 27, 2025, the consultant team has begun preparing document requests for various City Departments. **(PETERS)**

Local Hazard Mitigation Plan AB 2140 Compliance (LR25-0056): A proposed City Council Resolution to include reference to the Local Hazard Mitigation Plan (LHMP) in compliance with AB2140. The proposed resolution would reduce the City's costs in circumstances where FEMA declares an emergency. Staff is working with the City Attorneys office to ensure documents comply with both state and federal requirements. **(COLLINS)**

City of Temecula Fire Hazard Severity Zone Ordinance (LR25-0097): A proposed Ordinance to designate fire hazard severity zones within the City in compliance with §51178. This item was presented to the City Council Public Safety Subcommittee (JA/MR) on April 8, 2025, and was adopted at a public hearing before the City Council on May 27, 2025, and has been submitted to the State Fire Marshall as required by state law. **(COLLINS)**

Uptown Temecula Specific Plan Amendment (LR19-1458): An amendment to the Uptown Specific Plan to implement the following changes: modify graphics to reflect consistency with text regarding allowable frontage types, amend street cross sections (graphics), amend plant pallet and silva cell requirements for street trees, implement a street naming convention, amend streetlight spacing and other typographical errors. Staff has reached out to Spurlock Consulting for assistance in updating the Sidewalk and Streetscape Standards and is awaiting a scope of work and timeline. Public Works is drafting new street sections for the Specific Plan. Spurlock Consulting has provided a scope of work for the proposed changes to the streetscape and sidewalk standards and staff has executed the agreement for services and will begin updating the graphics as requested. Planning and Traffic Engineering have been working on updated street cross sections and a map to identify cross section placements. **(JONES)**

Old Town Parklets (LR22-1112): Parklets are the conversion of parking spaces on urban streets into a small public 'park' or enclosed seating area. The intent of the Parklet Project is to provide an additional amenity to the community and promote an increase in pedestrian activity and convenience. Staff is working with a consultant, Placeworks, to design and implement the Old Town Parklets, which stemmed from the COVID-19 Temporary Expanded Dining/Retail Program (TED). Locations and design themes will be determined throughout the process with direction from the Old Town Steering Subcommittee. An open-house style community workshop was held on October 11, 2023, to retrieve feedback from community members. The input received from the 12 attendees was presented to the Old Town Steering Subcommittee on November 14, 2023, and direction was given to staff to move forward with a pilot program. A

recommendation document with example designs and amenities was presented to the Old Town Local Advisory Committee (OTLAC) on January 23, 2025, for feedback. Staff worked with the consultant on a final mockup design for future implementation. **(GARCIA)**

Wayfinding Guide (LR23-0167/LR24-0344): The City was working with a consultant, Alta Planning + Design, Inc., to implement a bicycle wayfinding system for the bike lanes and trails throughout the city. The Multi-Use Trails and Bikeways Master Plan that was adopted in 2016 will act as an implementation and style guide to create an interconnected network designed to encourage more residents to use active transportation. Alta drafted a wayfinding strategy memo that outlines best practices for destination selection, sign placement, and sign programming in 2024, however, for ease of production and cost purposes, staff decided to open a contract with Brand Assassins to finish out the project. A kickoff meeting with Brand Assassins was held in February 2025 and designs are underway. Staff and the consultant presented a draft design to the City Council Trails/Open Space Ad Hoc Subcommittee on May 13, 2025. Staff is working with the consultant on finalizing a design based off of the feedback from the subcommittee. **(GARCIA)**

SB 1186 (LR24-0090): A draft Ordinance has been prepared and is being reviewed by planning staff prior to scheduling subcommittee meetings. **(COLLINS)**

Old Town Parking Sensors (LR22-0857): The project is a continuation of the Old Town Parking White Paper that discussed various technology solutions designed to track and report on parking in Old Town in real time. The white paper recommended that the City utilize parking sensors to monitor parking in Old Town. Staff has circulated a Request for Proposal from companies offering parking sensors. Responses were received and reviewed by staff. The companies that submitted the top two highest rated proposals were invited to provide a demonstration to staff. Demonstrations were held in April and a vendor was selected (Frogparking, Inc.). The agreement for the Frogparking Sensors was taken to City Council on November 12, 2024. Sensor installation for the pilot program (Phase I) was completed on February 11, 2025. The pilot covered parallel parking spaces along Old Town Front Street between Main Street and the northern entry arch. On August 5, 2025, staff made a presentation the City Council Old Town Steering Committee updating them on the results seen during the pilot program. Staff also discussed with the committee their thoughts on bringing before the entire council a recommendation to move forward with Phase II of the project. The subcommittee was in favor of this idea. Phase II will cover the remaining public spaces in Old Town. Staff anticipates taking phase II to the entire council in September. **(JONES)**

Election Sign Ordinance (LR25-0123): A proposed Ordinance to provide standards related to the governance of election signage throughout the City. The proposed Ordinance will be presented to the PC Municipal Code Maintenance Subcommittee and CC General Plan Update Subcommittee. **(JONES)**

Water Efficiency Landscape Ordinance Update (WELO) (LR25-0099) An update to the WELO to add various definitions and amendments to Chapter 17.32 of the Temecula Municipal Code to make it consistent with the Citywide Design Guidelines. Staff has drafted the Ordinance and will be bringing the presenting it to the Planning Commission Subcommittee on August 20, 2025, and the City Council Subcommittee on August 26, 2025. for feedback. **(GARCIA)**

HOUSING

Uptown Temecula Request for Proposal (RFP): The City has been working closely with the Supportive Housing and Services Ad Hoc Subcommittee to create a draft RFP for the City owned vacant land parcel

located in Uptown Temecula. The RFP was made live on June 4, 2025. The City is now accepting proposals from developers until September 2, 2025. The parcel is right next to the French Valley off ramp headed south on the I-15 Freeway and it is planned to be used for an affordable housing project. **(URIAS)**
