RECOMMENDATION: That the City Council approve the Second Amended and Restated Term Sheet with the United States Department of Transportation for the I-15/French Valley Parkway Improvements – Phase II project, PW16-01.

BACKGROUND: On February 25, 2020, the City Council adopted Resolution No. 2020-11 which approved a Term Sheet under the fiscal year 2019 INFRA program with the United States Department of Transportation. On January 25, 2022, the City Council approved the First Amended and Restated Term Sheet which updated the project schedule and milestones.

During advertisement of the construction contract, a potential bid protest and subsequent re-bidding resulted in delays to the project schedule. This Second Amended and Restated Term Sheet is necessary to update the project schedule and milestones' status. All other terms, including the INFRA Grant amount, are not affected.

FISCAL IMPACT: There is no fiscal impact associated with the approval and execution of the Second Amended and Restated Term Sheet.
