

ORDINANCE NO. 2023-04

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF TEMECULA AMENDING CHAPTER 10.44 OF TITLE 10 OF THE TEMECULA MUNICIPAL CODE TO DESIGNATE CERTAIN STREETS AND CROSSINGS FOR THE JOINT USE OF GOLF CARTS AND VEHICLES AND ESTABLISH RULES AND REGULATIONS FOR THE OPERATION OF GOLF CARTS ON SUCH STREETS, AND FINDING THAT THIS ORDINANCE IS EXEMPT FROM THE CALIFORNIA ENVIRONMENTAL QUALITY ACT

THE CITY COUNCIL OF THE CITY OF TEMECULA DOES HEREBY ORDAIN AS FOLLOWS:

Section 1. Findings. The City Council of the City of Temecula does hereby find, determine and declare that:

- A. Golf carts that are registered with the Department of Motor Vehicles (“DMV”), bear a license plate issued by the DMV and are properly equipped pursuant to the California Vehicle Code may operate on any highway with a speed limit of twenty-five (25) miles per hour or less pursuant to Vehicle Code Section 21716.
- B. Vehicle Code Section 21115 allows the City to designate certain portions of highways under its jurisdiction for combined use by regular vehicular traffic and golf carts that are not registered with the DMV and equipped as required by the Vehicle Code.
- C. Vehicle Code Section 21115.1 further permits the City to establish crossing zones for the use of golf carts on any street under its jurisdiction that has a posted speed limit of forty-five (45) miles per hour or less and that is immediately adjacent to a golf course.
- D. The City recognizes that the utilization of golf carts as transportation aids near golf courses reduces automobile trips and vehicular emissions, expands mobility to those persons not utilizing automobiles, and maximizes the utilization of golf carts for golf course and residential transportation. The selected golf cart routes and crossings in the Ordinance meet these goals.
- E. The selected golf cart routes and crossings in the Ordinance accommodate golf carts without an adverse impact upon traffic safety.

Section 2. Environmental Findings. The City Council hereby finds that this Ordinance is exempt from the requirements of the California Environmental Quality Act (“CEQA”) pursuant to Title 14 of the California Code of Regulations, Section 15301 because the proposed amendments involves the negligible expansion of use to existing City streets as golf carts operated on the selected streets and crossings will utilize existing bike lanes or roadways.

Section 3. Chapter 10.44 (Streets Designated for Joint Use of Golf Carts and Vehicles) of Title 10 (Vehicles and Traffic) of the Temecula Municipal Code is hereby renamed and amended in its entirety to read as follows:
