AGENDA REPORT**

TO: City Council

FROM: Randi Johl, Director of Legislative Affairs/City Clerk

DATE: August 10, 2021

SUBJECT: Consider the Renaming of the Race, Equity, Diversity and Inclusion Commission
(At the Request of Council Member Alexander)

PREPARED BY: Randi Johl, Director of Legislative Affairs/City Clerk

RECOMMENDATION: That the City Council consider the renaming of the Race, Equity, Diversity and Inclusion (REDI) Commission and provide general direction regarding the same.

BACKGROUND: On July 14, 2020, the City Council approved its Race, Equity, Diversity and Inclusion (REDI) Initiative. As a part of that initiative, on August 25, 2020 the City Council created the Race, Equity, Diversity and Inclusion (REDI) Commission. In adopting Resolution 2020-59, the City Council established among other items the name of the commission and its role and purpose. At the July 27, 2021 City Council meeting, Council Member Jessica Alexander requested that a renaming of the REDI Commission be placed on the next agenda. This item is before the City Council tonight as a result. It is therefore recommended that the City Council consider the renaming of the Commission as requested and provide staff with general direction regarding the same. Should the City Council provide direction to change the name of the Commission, a resolution reflecting that direction will be brought back at the next City Council meeting for City Council adoption.
