

**CITY OF TEMECULA  
AGENDA REPORT**

**TO:** City Manager/City Council

**FROM:** Ron Moreno, Director of Public Works/City Engineer

**DATE:** August 13, 2024

**SUBJECT:** Approve Non-Exclusive Commodity Agreement with All American Asphalt for Fiscal Years 2025-2029

---

**PREPARED BY:** Rebecca Kiser, Management Assistant

**RECOMMENDATION:** That the City Council approve the Non-Exclusive Commodity agreement with All American Asphalt for the purchase of Hot Mix Asphalt and SS1H Emulsion Tack for fiscal years 2025-2029, for a total agreement amount of \$400,000.

**BACKGROUND:** On June 13, 2024, the Public Works Department Maintenance Division posted on the City of Temecula's online bidding service, Planet Bids, a Request for Quotes (RFQ) No. 58, for the purchase of asphalt products. The Public Works Department received one (1) electronic proposal from All American Asphalt before the June 24, 2024, submission deadline.

Bid results for RFQ 58 are based on the summation of purchasing a single unit from each different item requested. The intent is to enter into an annual agreement with a vendor for a period of five years for Fiscal Years 2025-2029, not to exceed a total agreement value of \$400,000.

**FISCAL IMPACT:** Adequate funds are available in the Annual Operating Budget Fiscal Year 2025-2029 and will be budgeted in each of the following fiscal years.
