D. All legal preconditions to the adoption of this Resolution have occurred.

Section 2. Environmental Findings. The Planning Commission hereby makes the following environmental findings and determinations in connection with the approval of Conditional Use Permit Application PA23-0251:

A. Pursuant to California Environmental Quality Act (“CEQA”), City staff prepared an Initial Study of the potential environmental effects of the approval of the Conditional Use Permit Application, as described in the Initial Study (“the Project”). Based upon the findings contained in that study, City staff determined that there was no substantial evidence that the Project could have a significant effect on the environment and a (Mitigated) Negative Declaration was prepared.

B. Thereafter, City staff provided public notice of the public comment period and of the intent to adopt the Mitigated Negative Declaration as required by law. The public comment period commenced on June 30, 2025, and expired on July 30, 2025. Copies of the documents have

been available for public review and inspection at the offices of the Department of Community Development, located at City Hall, 41000 Main Street, Temecula, California 92590.
