SUBJECT: Filing Notice of Determination for application Long Range Project No. LR21-0279, a Specific Plan Amendment to the Old Town Specific Plan to revise certain development standards and land use standards

Dear Sir/Madam:

Enclosed is the Notice of Determination for the above referenced project. In addition, pursuant to Assembly Bill 3158 (Chapter 1706) please find a receipt in the amount of \$50.00 for the County Administrative fee to enable the City to file the Notice of Determination for the Environmental Impact Report. The City of Temecula is paying the \$50.00 filing fee under protest. It is the opinion of the City that the administrative fee has been increased in a manner inconsistent with the provisions of State Law. Under Public Resources Code Section 21152 and 14 California Code Regulations 1507, the County is entitled to receive a \$25.00 filing fee.

Please email a stamped copy of the Notice of Determination **within five working days** after the 30 day posting to the email listed below.

Should you have any questions regarding this matter, please contact Eric Jones at email: eric.jones@TemeculaCA.gov

Sincerely,

Luke Watson

Deputy City Manager
