PROCESS:

- Once an organization has received “Recognized Youth League” status, staff will coordinate with the designated representative of each organization for the field allocation process (described in the *Athletic Field Reservations and Use Policy*)
- Each season, a \$10.00 non-resident fee will be assessed for each participant on a roster that is not a Temecula resident.
- Should an established Recognized Youth League fail to meet the criteria above, (e.g., fall below the 80% Temecula resident requirement, the minimum 200 Temecula residents, and/or 75% board members), allocation penalties will be applied as described below.

PENALTIES:

Once designated a “Recognized Youth League,” organizations must continue to meet the criteria defined above for each season in which field allocations are requested. If an organization fails to meet any of the qualifying criteria, it will forfeit a percentage of its field allocation as follows:

- Season 1** 15% Penalty
- Season 2** 30% Penalty
(If after being penalized for two seasons, an organization again meets all requirements and maintains its good standing for two consecutive calendar years, then that organization will regain its full field allocation.)
- Season 3** 45% penalty
Organization will lose Recognized Youth League status and will be given the option to rent field space if available in the future.
