

RESOLUTION NO. 2024-

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF TEMECULA ADOPTING A LIST OF PROJECTS FOR FISCAL YEAR 2024-25 FUNDED BY SB 1: THE ROAD REPAIR AND ACCOUNTABILITY ACT OF 2017

THE CITY COUNCIL OF THE CITY OF TEMECULA DOES HEREBY RESOLVE AS FOLLOWS:

Section 1. Recitals. The City Council hereby finds, determines and declares that:

A. Senate Bill 1 (SB 1), the Road Repair and Accountability Act of 2017 (Chapter 5, Statutes of 2017) was passed by the Legislature and Signed into law by the Governor in April 2017 in order to address the significant multi-modal transportation funding shortfalls statewide; and

B. SB 1 includes accountability and transparency provisions that will ensure the residents of the City of Temecula are aware of the projects proposed for funding in our community and which projects have been completed each fiscal year; and

C. The City of Temecula must adopt by resolution a list of projects proposed to receive fiscal year funding from the Road Maintenance and Rehabilitation Account (RMRA), created by SB 1, which must include a description and the location of each proposed project, a proposed schedule for the project's completion, and the estimated useful life of the improvement; and

D. The City of Temecula will receive an estimated \$2,810,553 in RMRA funding in Fiscal Year 2024-25 from SB 1; and

E. This is the eighth year in which the City of Temecula is receiving SB 1 funding and will enable the City to continue essential road maintenance and rehabilitation projects, that would not have otherwise been possible without SB 1; and

F. The City of Temecula used a Pavement Management Program (PMP) to develop the SB 1 project list to ensure revenues are being used on the most high-priority and cost-effective projects that also meet the community's priorities for transportation investment; and

G. The funding from SB 1 will help the City of Temecula maintain and rehabilitate two major -streets/roads in the City this year and a number of similar projects into the future; and

H. The 2021 California Statewide Local Streets and Roads Needs Assessment found that the City of Temecula streets and roads are in an "good" condition and this revenue will help the City increase the overall quality of our road system and bring "at risk" streets/roads into "good" condition over the next decade; and

I. The SB 1 project list and overall investment in our local streets and roads infrastructure with a focus on basic maintenance and safety, investing in complete streets

infrastructure, and using cutting-edge technology, materials and practices, will have significant positive co-benefits statewide.

Section 2. Adoption of the SB 1 Project List for Fiscal Year 2024-25

A. The foregoing recitals are true and correct.

B. The following list of newly proposed projects will be funded in-part or solely with Fiscal Year 2024-25 Road Maintenance and Rehabilitation Account revenues:

1. Project Title: Pavement Rehabilitation Program – Citywide

Project Description: The roadway rehabilitation shall generally consist of 2 to 4 inches of cold milling and placement of 2 to 4 inches of asphalt concrete. The project also includes the removal and replacement of existing roadway striping, pavement markings, and traffic signal loops, the removal and reconstruction of existing pedestrian ramps in order to comply with current ADA standards, and adjustment of existing utilities to grade.

Project Location: Roadway rehabilitation of the full width of Pechanga Parkway between Temecula Parkway to 400 feet south of Via Gilberto.

Estimated Project Schedule: Start (07/2024) – Completion (10/2024) based on the component being funded with RMRA funds

Estimated Project Useful Life: 10-20 years

2. Project Title: Pavement Rehabilitation Program – Citywide

Project Description: The roadway rehabilitation shall generally consist of 2 to 4 inches of cold milling and placement of 2 to 4 inches of asphalt concrete. The project also includes the removal and replacement of existing roadway striping, pavement markings, and traffic signal loops, the removal and reconstruction of existing pedestrian ramps in order to comply with current ADA standards, and adjustment of existing utilities to grade.

Project Location: Roadway rehabilitation of the full width of Butterfield Stage Road between Temecula Parkway to the southern City Limit.

Estimated Project Schedule: Start (07/2024) – Completion (10/2024) based on the component being funded with RMRA funds

Estimated Project Useful Life: 10-20 years

Section 3. Certification. The City Clerk shall certify to the adoption of this Resolution.

PASSED, APPROVED, AND ADOPTED by the City Council of the City of Temecula
this 14th day of May 2024.

James Stewart, Mayor

ATTEST:

Randi Johl, City Clerk
