**Fund Description**

The General Fund is the main operating fund for the City of Temecula. It is used to account for all financial resources for the City that are not restricted to a special purpose and otherwise required to be accounted for in another fund. The General fund provides the resources necessary to sustain the day-to-day activities and pays for all administrative and operating expenditures.

**Fund Description**

Measure S, approved by the voters on November 8, 2016, established a one-cent Transactions and Use Tax for the City. The measure was approved based on the commitment to maintain 9-1-1 emergency response times, prevent cuts to local paramedic/police/fire protection, school safety patrols, youth/after-school, senior and disabled services; improve freeway interchanges/reduce traffic and provide for other general services.

**Fund Description**

This fund was established to account for the tax per gallon on the purchase of motor vehicle fuel imposed by the State of California. A portion is allocated to the City of Temecula as specified in the California Streets and Highways Code (SHC) (Sections 2013, 2105, 2107 and 2107.5). Gas Tax monies are restricted to the repair, maintenance and upkeep of City streets and roads, and the purchase of equipment used to maintain roads.

**FUND: 102 - ROAD MAINTENANCE REHABILITATION ACCOUNT (RMRA) FUND**

Fund Balance, End of Year	250,531	(37,184)		(37,184)		

**Fund Description**

This fund was established to account for subvention funds that are used to implement programs and projects that reduce air pollution from motor vehicles. AB2766 Funds are derived from a Motor Vehicle Registration fee surcharge. Local governments are allocated \$1.60 for every eligible vehicle registered within the South Coast Air Quality Management District. Funds are disbursed based on the City's population as a percentage of the total population within the District. This fund is used for Capital projects and the City's share of WRCOG's Clean Cities Coalition.

**FUND: 160 - SUPPLEMENTAL LAW ENFORCEMENT SERVICES FUND**

**Fund Description**

This fund was established to account for the City's allocation of the County of Riverside's additional one-half percent sales tax for transportation. These monies are restricted for use on local streets. In 2002, Measure A was extended by Riverside County voters. Measure A will continue to fund transportation improvements through 2039.

**Fund Description**

This fund was established pursuant to Temecula Municipal Code Section 5.08.040, whereby the fund serves as a depository for the fees paid in lieu of art as well as monetary donations for public art. The Public Art In Lieu fee is one-tenth of one percent of an eligible development project in excess of \$100,000. Eligible uses of this fund include the design, acquisition, installation, improvement, maintenance and insurance of public artwork; offering of performing arts programs on City property for the community; and art education programs on City property for the community.

Fund Balance, End of Year	810,123	300,123		300,123		

**Fund Description**

The Insurance Fund was established to account for the City's liability and property insurance costs. Fund Balance is a combination of both spendable and non spendable assets. These costs are allocated to each department based on the total number of Full Time Equivalent positions assigned to those departments. The City has a Self-Insured Retention (SIR) of \$150,000 per incident, and strives to maintain a fund balance equal to three times the SIR.

**Fund Description**

The Workers' Compensation Fund was established in Fiscal Year 2014-15 as the City transitions to a self-insured status for Workers' Compensation liabilities. Departments are charged based on each position allocated on a Full Time Equivalent basis, with a cost assigned to each position based on job duties and potential for risk. The desired Net Position for this fund is \$1.5 million, which represents three-times the City's Self-Insured Retention amount of \$500,000.

**Fund Description**

The Information Technology Fund was established to fund and account for computer and telephone system operating and maintenance expenses. Fund Balance is a combination of both spendable and non spendable assets. Adjustments are made to Fund Balance to include additional spendable resources available for expenditure. Departments are charged based on the number of electronic devices assigned. The Ronald H. Roberts Temecula Public Library facility is charged directly for all IT expenditures and personnel costs related to the facility.

**Fund Description**

The Technology Replacement Fund was established in Fiscal Year 2014-15 in order to accumulate resources for computer and telephone equipment and software to fund future equipment replacement. Fund Balance is a combination of both spendable and non spendable assets. Contributions to this fund are made by departments utilizing the assets in an amount equivalent to the estimated cost to replace the item at the end of its useful life.

**Fund Description**

This fund was established to account for the payment of interest and principal of the refunding of the 2001 and 2008 Certificates of Participation (COPs). The 2001 COPs were originally issued to finance the construction of the Community Recreation Center and the 2008 COPs were originally issued to finance the construction of the Civic Center. In Fiscal Year 2018-19, the terms of the lease were refinanced, lowering the interest rate from 3.75% to 3.42%. The term of the lease expires September 1, 2033.

**FUND: 396 - 2018 FINANCING LEASE (MRC) FUND**

**Fund Description**

This fund was established in conjunction with the adoption of the Uptown Temecula Specific Plan New Streets In-Lieu Fee. The Specific Plan requires developers to dedicate right-of-way and construct new street improvements adjacent to or through their development sites. Developers within the Specific Plan who cannot contribute right-of-way and/or build new streets will be charged a new streets in-lieu fee.
