

**CITY OF TEMECULA
AGENDA REPORT**

TO: City Manager/City Council

FROM: Patrick Thomas, Director of Public Works/City Engineer

DATE: January 23, 2024

SUBJECT: Approve Second Amendment to the Agreement with Mike's Precision Welding, Inc., for Welding Maintenance Services

PREPARED BY: Stacey Biddle, Management Assistant
Julie Tarrant, Principal Management Analyst

RECOMMENDATION: That the City Council approve the second amendment to the agreement with Mike's Precision Welding, Inc., for welding maintenance services, in the amount of \$50,000, for a total agreement amount of \$150,000.

BACKGROUND: On July 28, 2022, the City Manager approved an agreement with Mike's Precision Welding, Inc. for welding maintenance services in the amount of \$60,000. On September 12, 2023, the City Manager approved the First Amendment to increase payment to \$100,000. The Second Amendment will increase payment in the amount of \$50,000, for a total agreement amount of \$150,000.

At this time, we have nearly exhausted our original agreement with Mikes Precision Welding, due to the overwhelming need to fabricate and make necessary repairs to various equipment, fencing, and aesthetic and structural elements located throughout the city's facilities and parks. The Second Amendment will provide the additional monies to continue services for the remainder of the fiscal year.

Mike's Precision Welding, Inc. has provided fabrication and welding services for the City since 2003 and continues to show they are capable and responsive to the needs of the City while offering an efficient and economical means of completing the work.

FISCAL IMPACT: Adequate funds are available in the Fiscal Year 2023-2024 Annual Operating Budget.
