HAZMAT, AND MEDICAL EMERGENCY SERVICES FOR THE CITY OF TEMECULA**

THIS AGREEMENT ("Agreement"), made and entered into this ____ day of _____, 2025, by and between the County of Riverside, a political subdivision of the State of California, on behalf of the Fire Department (hereinafter referred to as "COUNTY"), and the City of Temecula, a municipal corporation (hereinafter referred to as "CITY"), whereby it is agreed as follows:

SECTION I: PURPOSE

A. The purpose of this Agreement is to arrange for COUNTY, through its Cooperative Fire Programs Fire Protection Reimbursement Agreement ("CAL FIRE Agreement") with the California Department of Forestry and Fire Protection ("CAL FIRE") to provide CITY with fire protection, hazardous materials mitigation, technical rescue response, fire marshal, medical emergency services, and public service assists (hereinafter called "Fire Services"). This Agreement is entered into pursuant to the authority granted by Government Code section 55600 et seq. and will provide a unified, integrated, cooperative, regional fire protection system. COUNTY's ability to perform under this Agreement is subject to the terms and conditions of the CAL FIRE Agreement.

B. This Agreement is also to outline the cost sharing of the fire engine personnel assigned to Fire Station 95 Roripaugh between the CITY and COUNTY. The CITY and COUNTY agree that the Roripaugh fire engine currently provides services to the City of Temecula as well as to the unincorporated territory of the County. The Agreement includes the following as set forth in the Exhibit "A":

1. The COUNTY will pay for one (1) Fire Captain, one (1) Fire Apparatus Engineer, one (1) Firefighter II, one (1) Firefighter II Paramedic and one-half (½) Fleet Support costs in the fiscal years set forth in the Exhibit "A."
2. The CITY will own and maintain the Fire Station.
3. The cost share will be re-evaluated by both the CITY and the COUNTY at the end of the Agreement period prior to any extension or renewal.

C. This Agreement also outlines the Medic Redistribution mandated by Cal Fire for the County of Riverside, in response to a regional paramedic shortage. The CITY and the COUNTY agree that once the paramedic shortage is resolved, staffing levels will revert to their original configuration. In compliance with the Medic Redistribution, the staffing outlined in Exhibit A has been modified as follows:

1. One (1) Firefighter II Paramedic position has been reclassified to Firefighter II on Engine 73

2. Three (3) Firefighter II Paramedic positions have been reclassified to Firefighter II on Truck 73.
3. One (1) Firefighter II Paramedic position has been reclassified to Firefighter II on Engine 92.
4. One (1) Firefighter II Paramedic position has been reclassified to Firefighter II on Engine 95.

SECTION II: DESIGNATION OF FIRE CHIEF

A. The County Fire Chief appointed by the County Board of Supervisors, or his/her designee (hereinafter referred to as "Chief"), shall represent COUNTY and CITY during the period of this Agreement, and Chief shall, under the supervision and direction of the County Board of Supervisors, have charge of the organization described in Exhibit "A," attached hereto and made a part hereof, for the purpose of providing Fire Services as deemed necessary to satisfy the needs of both the COUNTY and CITY, except upon those lands wherein other agencies of government have responsibility for the same or similar Fire Services.

B. The COUNTY will assign an existing Chief Officer as the Fire Department Liaison ("Fire Liaison"). The Chief may delegate certain authority to the Fire Liaison, as the Chief's duly authorized designee, and the Fire Liaison shall be responsible for directing the Fire Services provided to CITY via the Cooperative Agreement between the COUNTY and CAL FIRE.

C. The Chief Deputy of County Fire shall be the COUNTY Contract Administrator and is the liaison for the administration of this agreement.

D. COUNTY will be allowed flexibility in the assignment of available personnel and equipment in order to provide the Fire Services as agreed upon herein. This flexibility shall include, but is not limited to, staffing challenges and equipment availability. The CITY shall be notified of any changes in classifications provided that differ from the Exhibit "A."

SECTION III: PAYMENT FOR SERVICES

A. CITY shall annually appropriate a fiscal year budget to support the Fire Services designated at a level of service mutually agreed upon by both parties and as set forth in Exhibit "A" for the term of this Agreement. This Exhibit may be amended in writing by mutual agreement by both parties or when a CITY requested increase or reduction in services is approved by COUNTY.

B. COUNTY provides fire personnel and services through its CAL FIRE Agreement. In the event CITY desires an increase or decrease in CAL FIRE or COUNTY civil service employees or services assigned to CITY as provided for in Exhibit "A," CITY

shall provide one hundred twenty (120) days' written notice of the proposed requested increase or decrease. Proper notification shall include the following: (1) the total amount of increase or decrease; (2) the effective date of the increase or decrease; (3) the number of employees, by classification, affected by the proposed increase or decrease; and (4) the date the notice is sent to COUNTY. If such notice is not provided, CITY shall reimburse COUNTY for relocation costs incurred by COUNTY because of the increase or decrease, in addition to any other remedies available resulting from the increase or decrease in services. COUNTY is under no obligation to approve any requested increase or decrease, and it is expressly understood by the parties that in no event will COUNTY authorize or approve CITY's request to reduce services below the COUNTY Board of Supervisors approved staffing level for any fire station, or to reduce services to the extent that the services provided under this Agreement are borne by other jurisdictions. COUNTY shall render a written decision on whether to allow or deny the increase or decrease within thirty (30) days of the notice provided pursuant to this section.

C. CITY shall pay COUNTY actual costs for Fire Services pursuant to this Agreement. COUNTY shall make a claim to CITY for the actual cost of contracted services, pursuant to Exhibit "A," on a quarterly basis. The COUNTY is mandated per Government Code section 51350 for full cost recovery. CITY shall pay each claim, in full, within thirty (30) days after receipt thereof.

D. Any changes to the salaries or expenses set forth in Exhibit "A" made necessary by action of the Riverside County Board of Supervisors, Legislature, CAL FIRE, or any other public agency with authority to direct changes in the level of salaries or expenses, shall be paid from the funds represented as set forth in Exhibit "A." The CITY is obligated to expend or appropriate any sum in excess of Exhibit "A" increased by action of the Legislature, CAL FIRE, or any other public agency with authority to direct changes. If within thirty (30) days after notice, in writing, from COUNTY to CITY that the actual cost of maintaining the services specified in Exhibit "A" as a result of action by the Riverside County Board of Supervisors, Legislature, CAL FIRE, or other public agency will exceed the total amount specified therein, and CITY has not agreed to make available the necessary additional funds, COUNTY shall have the right to unilaterally reduce the services furnished under this Agreement by an appropriate amount and shall promptly notify CITY, in writing, specifying the services to be reduced. Any COUNTY or CAL FIRE personnel reduction resulting solely due to an increase in employee salaries or expenses occurring after signing this Agreement and set forth in Exhibit "A" that CITY does not agree to fund, as described above, shall not be subject to relocation expense reimbursement by CITY. If CITY desires to add funds to the total included herein to cover the cost of increased salaries or services necessitated by actions described in this paragraph, such increase shall be accomplished by an additional appropriation by the City Council of CITY, and the appropriate amendment(s) to Exhibits "A," "C," and "D" approved by the parties hereto.

E. Chief Deputy of County Fire, as the COUNTY Contract Administrator, is authorized to negotiate and execute any amendments to Exhibit "A", Exhibit "C", or Exhibit "D" of this Agreement on behalf of COUNTY as authorized by the Board of Supervisors. CITY shall designate a "Contract Administrator" who shall, under the supervision and

direction of CITY, be authorized to execute amendments to Exhibit "A," "C," or "D" on behalf of CITY.

After the initial one hundred twenty (120) days, a rental fee will be applied to the CITY invoice for use of said COUNTY fire engine. The rental fee shall be based upon the County Board of Supervisors Approved Fire Department Cost Recovery rates.

J. Notwithstanding Paragraph H, as it relates to Fire Marshal services, if applicable, additional terms as set forth are incorporated herein and shall additionally apply to this Agreement regarding Fire Marshal services. In the event the CITY elects not to fund direct Fire Marshal personnel services outlined in Paragraph H (Exhibit "D"), the services must be provided by the COUNTY Office of the Fire Marshal pursuant to Health and Safety Code sections 13145 and 13146 and at a cost to the developer as outlined in COUNTY Ordinance No. 671 (Establishing Consolidated Fees for Land Use and Related Functions). Any services not provided for under Ordinance No. 671 will be at a cost to the CITY based upon the COUNTY-approved productive hourly rate for cost recovery.

In such a case CITY appoints and designates COUNTY as its agent in said collection proceedings. In the event of recovery, COUNTY shall apportion the recovered amount via the annual Cost Allocation Plan. This recovery does not include CITY resources outside of this Cooperative Agreement. Those resources would require the CITY to obtain cost recovery directly.

COUNTY and CITY agree to a similar right to audit records in any subcontract related to performance of this Agreement. (Gov. Code, § 8546.7.)

B. Each party shall bear their own costs in performing a requested audit.

SECTION XIII: DISPUTES

CITY shall select and appoint a "Contract Administrator" who shall, under the supervision and direction of CITY, be available for contract resolution or policy intervention with COUNTY, when, upon determination by the Chief or County Contract Administrator that a situation exists under this Agreement in which a decision to serve the interest of CITY has the potential to conflict with COUNTY interest or policy. Any dispute concerning a question of fact arising under the terms of this Agreement which is not disposed of within a reasonable period of time by the CITY and COUNTY employees normally responsible for the administration of this Agreement shall be brought to the

attention of the Chief Executive Officer (or designated representative) of each organization for joint resolution. For purposes of this provision, a "reasonable period of time" shall be ten (10) calendar days or less. CITY and COUNTY agree to continue with the responsibilities under this Agreement during any dispute. Disputes that are not resolved informally by and between CITY and COUNTY representatives may be resolved, by mutual agreement of the parties, through mediation. Such mediator will be jointly selected by the parties. The costs associated with mediator shall be shared equally among the participating parties. If the mediation does not resolve the issue(s), or if the parties cannot agree to mediation, the parties reserve the right to seek remedies as provided by law or in equity. The parties agree, pursuant to *Battaglia Enterprises v. Superior Court* (2013) 215 Cal.App.4th 309, that each of the parties are sophisticated and negotiated this agreement and this venue at arm's length. Pursuant to this Agreement, the parties agree that venue for litigation shall be in the Superior Court of Riverside County. Should any party attempt to defeat this section and challenge venue in Superior Court, the party challenging venue stipulates to request the Court change venue to San Bernardino County and shall not ask for venue in any other County.

Any claims or causes of actions, whether they arise out of unresolved disputes as specified in this Section or claims by third parties that are made against the COUNTY, shall be submitted to the Office of the Clerk of the Board for the County of Riverside in a timely manner. For claims that involve CAL FIRE employees, the claims shall be submitted to State of California Office of Risk and Insurance Management Department of General Services directly for processing.
