RECOMMENDATION: That the City Council adopt a Resolution entitled:

RESOLUTION NO.

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF
TEMECULA APPROVING THE UPDATED PROGRAM NAME
AND AUTHORIZING THE CITY MANAGER TO EXECUTE
WATER QUALITY MANAGEMENT PLAN STORMWATER
COMPLIANCE CREDIT AGREEMENT ON BEHALF OF THE
CITY

BACKGROUND: On January 24, 2023, the City Council adopted Resolution No. 2023-06, authorizing the City Manager to execute Water Quality Management Plan Alternative Compliance Agreements on behalf of the City. The program provides an option for Priority Development Projects to meet stormwater management requirements through in-lieu compliance measures in accordance with the City's MS4 Permit and BMP Design Manual.

Following implementation, City staff discussed the potential to rename the program with the San Diego Regional Water Quality Control Board to better align with regional terminology and clarify program intent. The Water Board confirmed that renaming the program is acceptable, as the proposed change does not alter the substance, purpose, or requirements of the program.

Based on this confirmation, the City proposes to update the program name from the Alternative Compliance Program to the Stormwater Compliance Credit Program. This update is a name change only and ensures consistency and clarity in all related City documents, agreements, and public communications.

To reflect this change formally, a new resolution is presented for City Council consideration. The revised resolution acknowledges the updated program name and authorizes the City Manager to execute the corresponding Water Quality Management Plan Stormwater Compliance Credit Agreements moving forward.
