Mission Statement

Briefly describe the nonprofit organization's mission/goals and objectives: *

A Joyful Noise Foundation's mission is to provide members of our special needs community a place to come together and express themselves through music and the arts. Our members receive training, mentorship, and a place to express their gifts and passion. We have weekly practices where we work with our members to expand their vocal range and grow their ability to sing with the group, as well as solo opportunities. The goal is to bring joy to our members, their families, and their community. There is so much talent, passion, and joy within our group. We desire to encourage, grow, and inspire each one of our members. Many of our members came to us signing only one note and struggling socially and verbally. It has been amazing to see how much they have grown in these areas. Our choir has performed for big and small audiences. We have and will continue to bring joy all over our community.

Project/Program Title: The Akahina Holiday Hope Facial

1. DESCRIBE THE PROJECT/PROGRAM THE TEMECULA GRANT FUNDING WILL SUPPORT.*

The Akahina Gives Back Hope Foundation's community give-back event provides facials and skincare kits to military children, which contributes to improved self-esteem and mental and emotional well-being in several critical ways. This project serves as a crucial form of self-care education and emotional support that directly addresses the unique stressors faced by military youth.

Improved self-esteem

Boosts body image and confidence: Healthy skin can significantly boost a child's confidence and self-image. For adolescents struggling with common issues like acne, receiving professional skincare can prevent embarrassment and help them feel more comfortable and positive about their appearance. Nurtures self-worth: The focused, one-on-one attention of a facial sends a message to each child that they are valued and deserving of care. This act of being "pampered" can reinforce a sense of self-worth and self-love that is especially important for children who often deal with the anxieties of having a parent in the military.

Improved self-care through skincare education

Establishes lifelong healthy habits: By providing a take-home kit and educating children on how to use it, the program introduces them to a consistent and healthy self-care routine. This instills a sense of responsibility and can prevent future skin issues, which builds a foundation for long-term well-being.

Empowers independence: Learning a basic skincare regimen teaches children to be proactive in taking care of themselves. For older children and teens, this sense of control over their health can be especially empowering during an often-uncertain time in their lives.

Positive impact on mental and emotional health

Reduces stress and anxiety: The act of engaging in a calming, therapeutic facial can help reduce stress and anxiety. Many skincare products have relaxing scents and sensations, providing a form of sensory grounding that can be very soothing. For military children, who may experience high levels of stress due to a parent's deployment, this is a particularly beneficial form of respite.

Creates a mindful, present moment: The process of a facial encourages mindfulness, prompting a child to slow down and focus on the present moment rather than worrying about the past or future. This practice can help them manage their emotions and increase emotional regulation.

Provides a sense of belonging and support: Participating in a community give-back event allows military children to connect with others who may be going through similar experiences. It creates a supportive social environment that combats isolation and reinforces that they are part of a caring community that sees and appreciates them.

Acts as an emotional release: For many, the physical and mental release of a spa-like treatment can be an emotional reset. It helps release tension and provides a safe space for processing emotions, contributing to improved mood and overall mental well-being.

2. DESCRIBE HOW THE ORGANIZATION WILL SPEND THE GRANT FUNDING, IF AWARDED.*

ALSO, INCLUDE EQUIPMENT, SERVICES TO BE PURCHASED AND WHY.

If awarded the \$5,000 grant, the Akahina Gives Back Hope Foundation will strategically allocate the funds to maximize the impact of the community give-back event for military children around Christmastime. The primary goal is to provide as many children as possible with a beneficial facial experience and a comprehensive aftercare skincare kit, while also covering essential operational costs.

Here's a breakdown of how the \$5,000 grant funding will be spent:

1. Direct program costs (Facials and Aftercare Kits)

Cost per child:

Facial: \$45.00

Aftercare Kit: \$39.50

Total per child: \$84.50

Number of children served:

With the total grant amount of \$5,000, we can directly serve approximately 59 military children ($\$5,000 / \84.50 per child = 59.17). We aim to serve a minimum of 59 children, potentially rounding up if slight variations in costs allow or if additional small donations are secured.

2. Allocation of funds

Facials:

$\$45.00 \times 59$ children = \$2,655.00

These funds will cover the costs associated with performing the facials, including professional esthetician time, products used during the facial, and supplies.

Aftercare Kits:

$\$39.50 \times 59$ children = \$2,330.50

These funds will be used to purchase the components of the take-home skincare kits. Each kit will be carefully curated to provide children with the necessary items for continued self-care, reinforcing the education provided during the event.

Total direct costs: \$2,655.00 (facials) + \$2,330.50 (kits) = \$4,985.50

Remaining funds: $\$5,000 - \$4,985.50 = \$14.50$

The remaining \$14.50 will be used to cover minor incidental expenses associated with the event, ensuring that the entire \$5,000 grant directly supports the program and its participants.

Program efficiency and impact

This allocation ensures that nearly 100% of the grant funding directly benefits the military children participating in the program. By explicitly covering both the service and the take-home tools, the grant maximizes its impact on improved self-esteem, self-care education, and positive mental/emotional health outcomes for a substantial number of Temecula's military youth. The organization's goal is to make every dollar count towards giving back hope to those who need it most.

3. EXPLAIN HOW THIS GRANT FUNDING SPECIFICALLY BENEFITS TEMECULA RESIDENTS.*

TEMECULA RESIDENTS MUST BENEFIT FROM THIS PROGRAM/PROJECT IF AWARDED CITY FUNDING.

The Akahina Gives Back Hope Foundation's event, supported by the Temecula grant, offers numerous benefits to the residents of Temecula, particularly its military families. Given Temecula's proximity to military installations like Camp Pendleton and the large number of military families residing in the region, the grant will directly and indirectly strengthen the local community.

Direct benefits to Temecula residents

Support for military children: Temecula is home to a significant population of military children, who face

unique challenges such as frequent moves, a parent's deployment, and reintegration. The program provides a tangible way to support the mental and emotional well-being of these children, offering a positive outlet during the stressful holiday season.

Emotional support for military families: By providing a special event for their children, the program offers a form of respite and encouragement for military parents and families. Knowing that their children are cared for and supported by the local community allows service members to focus on their duties with greater peace of mind.

Access to essential self-care education: The skincare portion of the program provides military children with education on proper hygiene and self-care routines. These are essential, lifelong skills that contribute to both physical and mental health.

Indirect benefits to the broader Temecula community

Reinforces community cohesion: By showing support for military families, the event helps bridge the gap between military and civilian residents. A community give-back event like this fosters a sense of shared purpose and gratitude, strengthening the social fabric of Temecula.

Demonstrates support for military personnel: A strong local network that supports military families is a major factor in retaining and attracting service members. By investing in the well-being of military families, the city of Temecula can improve quality of life for all residents.

Project/Program Title: Temecula Pets Return Home

1. DESCRIBE THE PROJECT/PROGRAM THE TEMECULA GRANT FUNDING WILL SUPPORT.*

It has been proven that if your pet is microchipped and inadvertently runs away or becomes lost you have a 90% rate of having the pet returned to your family. Since Covid our Microchipping rate for animals in the Temecula area has decreased and we have seen a higher number of strays from Temecula entering the shelter. The Temecula Pets Return Home Program will cover free microchipping for 225 Temecula dogs and cats, or a reduce price of only \$10.00 for close to 450 animals . Last year alone, 196 stray cats from Temecula entered the shelter and only 13 were returned to owners. There were 234 Temecula stray dogs and 154 were returned home. Through our statistics you can see if the pets were microchipped Temecula would have a much higher return to owner rate . Our current price is only \$20 but as you can see many of the Temecula animals are not microchipped. It is our hope that Temecula will fund this project to make sure all lost Temecula pets have the best chance to return to their loving families.

2. DESCRIBE HOW THE ORGANIZATION WILL SPEND THE GRANT FUNDING, IF AWARDED.*

ALSO, INCLUDE EQUIPMENT, SERVICES TO BE PURCHASED AND WHY.

If awarded the \$5,000 Animal Friends of the Valleys would allocate that money for free or reduced price pet microchips for Temecula residents only. All those applying will have to show a proof of residency with a current drivers license and utility bill. Not only would that money offset the cost of microchips it would alleviate stray dogs from wandering on city streets. It costs AFV \$628 an hour to care, feed and house over 150 pets in the shelter. This number can be significantly reduced if pets are altered and microchipped.

3. EXPLAIN HOW THIS GRANT FUNDING SPECIFICALLY BENEFITS TEMECULA RESIDENTS.*

TEMECULA RESIDENTS MUST BENEFIT FROM THIS PROGRAM/PROJECT IF AWARDED CITY FUNDING.

The additional \$5000 from the City of Temecula would be exclusive for Temecula pets only. AFV has been actively promoting the importance of microchipping cats and dogs. Even if they are deemed inside animals, they have a chance of getting out and becoming lost. The free or reduced price microchip will be administered the same day as the Temecula resident brings their pet to the shelter or clinic. It takes only minutes to administer and there is no pain involved for the pet. The microchip is the size of a grain of rice and is given through a shot in the scruff of the neck. This grant could possible help hundreds of pets from ever entering the shelter. The Microchip event will be on first come basis from the end of December until the end of March or when funding diminishes.

3b. ESTIMATED NUMBER OF PEOPLE FROM TEMECULA EXPECTED TO BENEFIT FROM THIS PROJECT/PROGRAM: *

225

3c. ESTIMATED NUMBER OF VOLUNTEERS INVOLVED IN THIS PROJECT/PROGRAM: *

25

4. SUMMARY STATEMENT – SUMMARIZE ANSWERS 1 – 3 ABOVE IN 50 WORDS OR LESS. *

This funding will go directly to over 225 Temecula families if we offer free microchipping or 450 Temecula pet owners if we offer it for a reduced price of \$10.00 . Many families have found it hard to cover this cost even if it already low.

AFV works closely with the city of Temecula and would love to help offset this cost for Temecula pet owners. This would also reduce the number of Temecula stray animals from ever entering the shelter and returning to their loving families.

Our Letter Dated:

Addendum Applies:
No

Dear Applicant:

This modifies our letter of the above date in which we stated that you would be treated as an organization that is not a private foundation until the expiration of your advance ruling period.

Your exempt status under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3) is still in effect. Based on the information you submitted, we have determined that you are not a private foundation within the meaning of section 509(a) of the Code because you are an organization of the type described in section 509(a)(1) and 170(b)(1)(A)(vi).

Grantors and contributors may rely on this determination unless the Internal Revenue Service publishes notice to the contrary. However, if you lose your section 509(a)(1) status, a grantor or contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act, or the substantial or material change on the part of the organization that resulted in your loss of such status, or if he or she acquired knowledge that the Internal Revenue Service had given notice that you would no longer be classified as a section 509(a)(1) organization.

As of January 1, 1984, you are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more you pay to each of your employees during a calendar year. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

You are required to file Form 990 only if your gross receipts each year are normally more than \$25,000. Mission Statement

Briefly describe the nonprofit organization's mission/goals and objectives:*

Bike Temecula Valley (BTV) is a non-profit engaged in advocating for a safe, fun, and accessible network of cycling infrastructure and treatments that promote human-powered recreation and transportation. BTV is dedicated to creating a safer, more connected, and more bike-friendly community throughout the Temecula Valley. Our mission is to advocate for the development of safe and accessible bicycle infrastructure, expand cycling opportunities, and encourage more residents and visitors to choose biking as a healthy, sustainable, and enjoyable mode of transportation and recreation. We believe that safe and well-designed infrastructure is essential for fostering a culture of cycling, and we work closely with local governments, community organizations, and residents to ensure that bicycle facilities and policies are prioritized as part of regional planning and growth.

In addition to infrastructure advocacy, BTV is committed to providing high-quality safety and education programs that equip cyclists of all ages with the knowledge and skills they need to ride with confidence. Through school-based programs, helmet fittings, community workshops, and safety villages at local events, we focus on building awareness for both cyclists and drivers, ensuring that roads and trails are shared responsibly. BTV also promotes cycling as a way to experience the beauty of the Temecula Valley, hosting community rides and events that highlight the region's unique character. Together, these efforts advance our vision of a Temecula Valley where cycling is safe, accessible, and celebrated by all.

BTV's affiliated non-profit, Caught with Your Helmet On (CWYHO) is a positive reinforcement, bicycle safety program, that rewards children who are seen wearing their helmets while riding. First responders, such as police officers and firefighters, act as "spotters" and provide gift certificates to businesses like pizza places or ice cream shops for children they observe wearing helmets. CWYHO aims to promote helmet use and build positive relationships between youth and first responders.

Positive Reinforcement: CWYHO focuses on positive reinforcement rather than punishment. It encourages helmet use by rewarding children who are already wearing them. Local Partnerships: "Caught with Your Helmet On" collaborates with local businesses, first responders, and community organizations like Bike Temecula Valley and the Kiwanis Club of Temecula Valley. Gift Certificates: Children who are "caught" wearing their helmets receive gift certificates for local businesses, providing an incentive and a positive association with helmet use. Community Impact: The program contributes to a safer cycling environment in the Temecula Valley and strengthens the community by fostering positive relationships between youth and first responders. Fundraising and Donations: The program also involves fundraising and donations to provide helmets to children in need and support its overall mission.

UPON REQUEST, COPIES OF THE ORGANIZATION'S CURRENT BUDGET/FINANCIAL STATEMENTS (BALANCE STATEMENT AND INCOME STATEMENT), AND IF AVAILABLE CPA'S AUDIT, MAY BE NEEDED TO DEMONSTRATE SOUND FINANCIAL MANAGEMENT. DO NOT SUBMIT NOW.

Project/Program Title: BTV & Caught with Your Helmet On Bike Safety/Helmet Program

1. DESCRIBE THE PROJECT/PROGRAM THE TEMECULA GRANT FUNDING WILL SUPPORT.*

The Temecula grant funding will directly support Caught with Your Helmet On, a community-based program affiliated with Bike Temecula Valley (BTV) that promotes bicycle safety and encourages healthy, active transportation. This program partners with local first responders to distribute free helmets to children and families, reinforcing the importance of safe riding habits and creating positive connections between youth and public safety officials. In addition, the program helps ensure that children who rely on bicycles as their primary mode of transportation to school are not left behind due to financial barriers. By providing bikes to students in need, we open the door to reliable, independent, and active travel while addressing issues of equity in mobility.

Grant funding will also allow BTV to expand our efforts to provide bicycle safety education and resources across Temecula. With these funds, we will procure and distribute educational materials—both printed and digital—that cover essential topics such as helmet use, rules of the road, trail etiquette, and safe e-bike practices. These resources will be shared at schools, community events, and through partnerships with local organizations, reaching a wide audience of cyclists, families, and drivers. Together, these components of Caught with Your Helmet On create a comprehensive program that not only equips children with the tools they need to ride safely, but also fosters a safer and more bike-aware community.

2. DESCRIBE HOW THE ORGANIZATION WILL SPEND THE GRANT FUNDING, IF AWARDED.*

ALSO, INCLUDE EQUIPMENT, SERVICES TO BE PURCHASED AND WHY.

If awarded, Bike Temecula Valley (BTV) will use the Temecula grant funding to expand the Caught with Your Helmet On program, with a focus on purchasing essential equipment and services that directly support bike safety and access. A portion of the funds will be allocated to purchasing helmets, which will be distributed through partnerships with local first responders. This not only provides children and families with critical safety equipment but also strengthens community relationships by engaging trusted public safety officials in positive, proactive outreach.

Funding will also be used to purchase bicycles for children who need a reliable means of transportation to school but whose families cannot afford one. These bikes will be paired with helmets and locks to ensure safe and consistent use. In addition, the grant will allow BTV to design, print, and distribute educational safety materials—including flyers, handouts, and digital resources—that promote helmet use, traffic safety, and responsible cycling. These resources will be shared at schools, community events, and local outreach efforts, making them accessible to riders of all ages. Together, these investments in equipment and services will ensure that the grant dollars are spent on tangible, high-impact items that directly improve bike safety and accessibility throughout the Temecula Valley.

3. EXPLAIN HOW THIS GRANT FUNDING SPECIFICALLY BENEFITS TEMECULA RESIDENTS.*

TEMECULA RESIDENTS MUST BENEFIT FROM THIS PROGRAM/PROJECT IF AWARDED CITY FUNDING.

This grant funding will directly benefit Temecula residents by making biking safer, more accessible, and more practical for families and children across the city. Through Caught with Your Helmet On, residents will receive free helmets distributed by local first responders, ensuring that children and adults alike are protected while riding. This approach not only reduces the risk of injury but also fosters stronger relationships between public safety officials and the community. For families facing financial challenges, the program will provide bicycles to children who rely on biking as their main way to get to school but cannot afford a bike of their own, ensuring that transportation barriers do not prevent students from accessing education.

In addition, Temecula residents will benefit from expanded access to bicycle safety education and resources. By producing and distributing user-friendly safety information—covering topics like proper helmet use, bike handling, traffic rules, and safe e-bike practices—BTV will reach a wide cross-section of the community, from students and parents to recreational riders and drivers who share the road. These combined efforts create safer streets, empower families with the tools to ride confidently, and promote healthy, active lifestyles within Temecula. Ultimately, the funding ensures that the benefits of safe and reliable cycling are available to all residents, regardless of age, background, or income.

3b. ESTIMATED NUMBER OF PEOPLE FROM TEMECULA EXPECTED TO BENEFIT FROM THIS PROJECT/PROGRAM:

1,000

3c. ESTIMATED NUMBER OF VOLUNTEERS INVOLVED IN THIS PROJECT/PROGRAM:

15

4. SUMMARY STATEMENT – SUMMARIZE ANSWERS 1 – 3 ABOVE IN 50 WORDS OR LESS. *

Bike Temecula Valley will use grant funding to support Caught with Your Helmet On by providing helmets through local first responders, bicycles for children needing school transportation, and distributing bike safety education. These efforts directly benefit Temecula residents by improving safety, accessibility, and community well-being through cycling.

Mission Statement

Briefly describe the nonprofit organization's mission/goals and objectives: *

The mission of Boys & Girls Club of Southwest County is to inspire, enable, and support all youth to realize their full potential as successful, responsible, and impactful members of the community. Boys & Girls Club of Southwest County provides academic support, sports, arts, S.T.E.M., career readiness, and leadership programs through before and after-school programs and day camps at its three clubhouses and multiple school site locations in Temecula, Murrieta, Wildomar and Lake Elsinore. Our locations serve over 2,500 youths annually.

The goals and outcomes of Boys & Girls Club of Southwest County's after-school program is to address and provide a solution for after-school care for thousands of children within our local community. With over 71,000 students in the Temecula, Murrieta, and Lake Elsinore Unified School Districts, everyday thousands of kids and teens in our communities leave school without a positive, safe place to go; they risk being unsupervised, unguided, and unsafe. Juvenile violent crime escalates between 3 p.m. and 7 p.m. on school days. The need for youth in our community to have affordable access to dynamic, safe, and positive before & after school programs is great and a huge asset to the community. Studies show that on average, every dollar invested into a Boys & Girls Club is returned tenfold to the community based on future cost-savings.

Dear Sir or Madam:

This is in response to the amendment to your organization's Articles of Incorporation filed with the state on March 7, 2001. We have updated our records to reflect the name change as indicated above.

Our records indicate that a determination letter issued in July 1996 granted your organization exemption from federal income tax under section 501(c)(3) of the Internal Revenue Code. That letter is still in effect.

Based on information subsequently submitted, we classified your organization as one that is not a private foundation within the meaning of section 509(a) of the Code because it is an organization described in sections 509(a)(1) and 170(b)(1)(A)(vi).

This classification was based on the assumption that your organization's operations would continue as stated in the application. If your organization's sources of support, or its character, method of operations, or purposes have changed, please let us know so we can consider the effect of the change on the exempt status and foundation status of your organization.

Your organization is required to file Form 990, Return of Organization Exempt from Income Tax, only if its gross receipts each year are normally more than \$25,000. If a return is required, it must be filed by the 15th day of the fifth month after the end of the organization's annual accounting period. The law imposes a penalty of \$20 a day, up to a maximum of \$10,000, when a return is filed late, unless there is reasonable cause for the delay.

All exempt organizations (unless specifically excluded) are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more paid to each employee during a calendar year. Your organization is not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Organizations that are not private foundations are not subject to the excise taxes under Chapter 42 of the Code. However, these organizations are not automatically exempt from other federal excise taxes.

Donors may deduct contributions to your organization as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to your organization or for its use are deductible for federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Boys & Girls Club of Southwest County
33-0475756

Your organization is not required to file federal income tax returns unless it is subject to the tax on unrelated business income under section 511 of the Code. If your organization is subject to this tax, it must file an income tax return on the Form 990-T, Exempt Organization Business Income Tax Return. In this letter, we are not determining whether any of your organization's present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

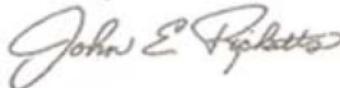

The law requires you to make your organization's annual return available for public inspection without charge for three years after the due date of the return. You are also required to make available for public inspection a copy of your organization's exemption application, any supporting documents and the exemption letter to any individual who requests such documents in person or in writing. You can charge only a reasonable fee for reproduction and actual postage costs for the copied materials. The law does not require you to provide copies of public inspection documents that are widely available, such as by posting them on the Internet (World Wide Web). You may be liable for a penalty of \$20 a day for each day you do not make these documents available for public inspection (up to a maximum of \$10,000 in the case of an annual return).

Because this letter could help resolve any questions about your organization's exempt status and foundation status, you should keep it with the organization's permanent records.

If you have any questions, please call us at the telephone number shown in the heading of this letter:

This letter affirms your organization's exempt status.

Sincerely,

John E. Ricketts, Director, TE/GE

Project/Program Title: PAWZ for Wounded Veterans

1. DESCRIBE THE PROJECT/PROGRAM THE TEMECULA GRANT FUNDING WILL SUPPORT.*

The Temecula grant funding will directly support Canine Support Teams' PAWZ for Wounded Veterans Program, which pairs local veterans with disabilities with highly trained service dogs. These dogs provide mobility support, item retrieval, emergency alerts, and emotional stability—skills that help veterans manage post-traumatic stress disorder (PTSD), traumatic brain injury, and physical impairments. Through our unique Prison Pup Program, incarcerated trainers prepare each dog with round-the-clock instruction, creating life-changing partnerships for veterans in Temecula. This initiative fosters independence, strengthens families, and promotes community well-being by ensuring Temecula veterans receive the critical support they need at no cost.

2. DESCRIBE HOW THE ORGANIZATION WILL SPEND THE GRANT FUNDING, IF AWARDED.*

ALSO, INCLUDE EQUIPMENT, SERVICES TO BE PURCHASED AND WHY.

If awarded, the Temecula grant funding will be used to cover the costs of training, care, and placement of a service dog for a veteran residing in the City of Temecula. The funds will be allocated toward:

Dog Training Services: Professional training to prepare the dog for specialized tasks such as mobility support, item retrieval, and emergency alerts.

Veterinary Services: Routine check-ups, vaccinations, and medical care to ensure the dog's health and readiness.

Service Dog Equipment: Vests, harnesses, leashes, and other tools essential for safe and effective service work.

Prison Pup Program Support: Costs related to the in-prison training initiative, where incarcerated trainers provide intensive daily instruction.

These resources are vital to ensure that Temecula veterans receive fully trained service dogs at no cost, enabling them to regain independence, stability, and connection within their community.

3. EXPLAIN HOW THIS GRANT FUNDING SPECIFICALLY BENEFITS TEMECULA RESIDENTS.*

TEMECULA RESIDENTS MUST BENEFIT FROM THIS PROGRAM/PROJECT IF AWARDED CITY FUNDING.

This grant will directly benefit Temecula residents by providing a fully trained service dog to one local veteran living with disabilities. Through the PAWZ for Wounded Veterans Program, the veteran will gain greater independence, improved daily functioning, and emotional stability—support that allows them to participate more fully in family and community life. Because the program prioritizes veterans residing in

Temecula, the impact of this funding will be experienced entirely within the City, ensuring measurable benefit to a resident who has served our country.

Dear Applicant:

This modifies our letter of the above date in which we stated that you would be treated as an organization that is not a private foundation until the expiration of your advance ruling period.

Your exempt status under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3) is still in effect. Based on the information you submitted, we have determined that you are not a private foundation within the meaning of section 509(a) of the Code because you are an organization of the type described in section 509(a)(1) and 170(b)(1)(A)(vi).

Grantors and contributors may rely on this determination unless the Internal Revenue Service publishes notice to the contrary. However, if you lose your section 509(a)(1) status, a grantor or contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act, or the substantial or material change on the part of the organization that resulted in your loss of such status, or if he or she acquired knowledge that the Internal Revenue Service had given notice that you would no longer be classified as a section 509(a)(1) organization.

If we have indicated in the heading of this letter that an addendum applies, the addendum enclosed is an integral part of this letter.

Because this letter could help resolve any questions about your private foundation status, please keep it in your permanent records.

If you have any questions, please contact the person whose name and telephone number are shown above.

Sincerely yours,

Richard R. Grosco

Dear Taxpayer:

This is in response to your request of Oct. 25, 2012, regarding the tax-exempt status of Charity for Charity.

Our records indicate that a determination letter was issued in March 2009, granting this organization exemption from Federal income tax under section 501(c)(3) of the Internal Revenue Code.

Our records also indicate this organization is not a private foundation within the meaning of section 509(a) of the Code because it is described in section(s) 509(a)(1) and 170(b)(1)(A)(vi).

Donors may deduct contributions to this organization as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to the organization or for its use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Please refer to our website www.irs.gov/eo for information regarding filing requirements. Specifically, section 6033(j) of the Code provides that failure to file an annual information return for three consecutive years results in revocation of tax-exempt status as of the filing due date of the third return for organizations required to file. We will publish a list of organizations whose tax-exempt status was revoked under section 6033(j) of the Code on our website beginning in early 2011.

If you have any questions, please call us at the telephone number shown above.

Mission Statement

Briefly describe the nonprofit organization's mission/goals and objectives:*

Choose to Be Restored is driven by the vision of renewing in women a deep love for self, a renewed sense of hope and faith, and a pathway to healing from life's traumas. We fulfill this vision through workshops, group gatherings, and personalized one-on-one teaching focused on emotional, physical, and spiritual restoration.

Our ministry is firmly rooted in the foundation of Jesus Christ. We provide women with practical tools and strategies to develop a healthy mindset and embrace the abundant life we believe each of us is called to live.

Looking ahead, we are committed to expanding the reach and impact of this ministry. With the support of fundraising, we will cover essential startup and operational costs, strengthen mentorship programs, build community partnerships, and invest in strategic marketing. A central goal of our fundraising efforts is to purchase a dedicated retreat center. This center will serve as a safe, nurturing space where women can access expanded services and continue their journey of healing and restoration—emotionally, physically, and spiritually.

Through this mission, Choose to Be Restored seeks not only to meet immediate needs but also to create lasting transformation for the women we serve and the communities they impact.

1. DESCRIBE THE PROJECT/PROGRAM THE TEMECULA GRANT FUNDING WILL SUPPORT. *

Program Overview

Choose To Be Restored provides a six-step mentorship program at no cost to women who complete the application process. Funded entirely through the generosity of donors, our program removes financial barriers and ensures women can access the support they need to heal, grow, and thrive.

While not a replacement for professional counseling or therapy, our mentorship model offers practical strategies, faith-based encouragement, and personal guidance to help women overcome challenges and move forward with confidence.

What We Offer

Workshops & Group Meetings – Women gather in a safe, supportive environment to release fear, process struggles, and learn strategies for emotional, physical, and spiritual healing.

One-on-One Mentorship – Personalized sessions equip women with tools, accountability, and encouragement to persevere and build the life they are called to live.

Program Impact

Women who participate in Choose To Be Restored:

Build confidence and strengthen resilience.

Experience spiritual and emotional renewal.

Gain practical tools to set and achieve life-changing goals.

Develop supportive relationships and a sense of belonging.

2. DESCRIBE HOW THE ORGANIZATION WILL SPEND THE GRANT FUNDING, IF AWARDED. *

ALSO, INCLUDE EQUIPMENT, SERVICES TO BE PURCHASED AND WHY.

Events – We will use the funds to cover the cost of workshops, group gatherings, and community events that provide safe spaces for healing, connection, and empowerment. These events create life-changing experiences where women can build resilience and find hope together. These events have an expert in the field, which we pay and there are rental fees to cover at venues.

women go on to strengthen families, build healthier communities, and inspire others through their transformation.

Support will also go toward our newest initiative—the Memory Cart Project—which equips hospitals with rolling carts and supplies so families can create precious keepsakes after the loss of their baby. In addition, funds will be used to enhance our local Memorial and Rock Garden with new plants, remembrance rocks, and art supplies, offering families a meaningful place of reflection and remembrance

TEMECULA RESIDENTS MUST BENEFIT FROM THIS PROGRAM/PROJECT IF AWARDED CITY FUNDING.

One in four families will experience pregnancy or infant loss—impacting more than 13,000 women in Temecula alone, many of whom face multiple losses. As private donations and funding decline, our commitment remains strong: to provide free support services, remembrance opportunities and events, and vital education for the healthcare community. At the same time, the cost of supplying bereaved families and hospitals with remembrance items and care packages has risen by nearly 30%.

Dear Applicant:

Based on information you supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from federal income tax under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3).

Because you are a newly created organization, we are not now making a final determination of your foundation status under section 509(a) of the Code. However, we have determined that you can reasonably expect to be a publicly supported organization described in section 509(a)(2).

Accordingly, during an advance ruling period you will be treated as a publicly supported organization, and not as a private foundation. This advance ruling period begins and ends on the dates shown above.

Within 90 days after the end of your advance ruling period, you must send us the information needed to determine whether you have met the requirements of the applicable support test during the advance ruling period. If you establish that you have been a publicly supported organization, we will classify you as a section 509(a)(1) or 509(a)(2) organization as long as you continue to meet the requirements of the applicable support test. If you do not meet the public support requirements during the advance ruling period, we will classify you as a private foundation for future periods. Also, if we classify you as a private foundation, we will treat you as a private foundation from your beginning date for purposes of section 507(d) and 4940.

Grantors and contributors may rely on our determination that you are not a private foundation until 90 days after the end of your advance ruling period. If you send us the required information within the 90 days, grantors and

Project/Program Title: A Brush With Kindness

1. DESCRIBE THE PROJECT/PROGRAM THE TEMECULA GRANT FUNDING WILL SUPPORT.*

The A Brush with Kindness (ABWK) program is our minor home repair program providing qualified, low-income Temecula residents with no to very low cost minor exterior home repairs and maintenance services with the goal of protecting and preserving home affordability. We serve any low-income resident in need, the majority of those seeking services are seniors. Typical repairs include weed abatement, exterior painting, fence work, accessibility and minor repairs that are often outside of the scope of eligible repairs through our Critical Home Repair Program, which is currently funded by the City of Temecula.

2. DESCRIBE HOW THE ORGANIZATION WILL SPEND THE GRANT FUNDING, IF AWARDED.*

ALSO, INCLUDE EQUIPMENT, SERVICES TO BE PURCHASED AND WHY.

Habitat for Humanity Inland Valley will spend the grant funding on the ABWK program, serving any qualified, low-income resident within the City of Temecula, who is in need of minor exterior home repairs and maintenance services. Funds will provide the basic materials and supplies needed for repairs such as nails, lumber, paint, paint supplies, tools, siding and other supplies. In addition, funds may also be used towards the purchase of a small trailer for programmatic activities.

3. EXPLAIN HOW THIS GRANT FUNDING SPECIFICALLY BENEFITS TEMECULA RESIDENTS.*

TEMECULA RESIDENTS MUST BENEFIT FROM THIS PROGRAM/PROJECT IF AWARDED CITY FUNDING.

The project is only available to qualified, low-income Temecula residents and will help keep neighborhoods beautified while protecting affordable housing and stabilizing residents. Many times simple repairs can cause struggling residents to quickly become financially unstable, but with A Brush with Kindness, residents can gain some financial stability. Over 90% of those served by this project are fixed-income seniors and 100% live at or below the poverty line.

3b. ESTIMATED NUMBER OF PEOPLE FROM TEMECULA EXPECTED TO BENEFIT FROM THIS PROJECT/PROGRAM:

3c. ESTIMATED NUMBER OF VOLUNTEERS INVOLVED IN THIS PROJECT/PROGRAM:

*

4. SUMMARY STATEMENT – SUMMARIZE ANSWERS 1 – 3 ABOVE IN 50 WORDS OR LESS.*

Briefly describe the nonprofit organization's mission/goals and objectives: *

Our mission is to share God's love and uplift underprivileged youth with new socks, shoes, and other basic necessities.

Our vision is to build confidence in children facing homelessness with new foot ware.

Every year our goal is to serve over 2000 children with new foot ware. Additionally, we hold an annual community-wide Back to School Fair. At this event, local businesses gather as we pour resources into the most vulnerable individuals in our community. The Back to School fair includes new haircuts, backpacks, school supplies, socks, shoes, crafts, food, and games to the underprivileged children. As a result, these children can start the new school year prepared and on level footing.

Project/Program Title: Back to School Fair

1. DESCRIBE THE PROJECT/PROGRAM THE TEMECULA GRANT FUNDING WILL SUPPORT. *

The Back to School Fair is a unique local event that provides proper resources for underprivileged and impoverished children to be able to enter the new school year. Additionally, fostered and homeless children receive these same resources. All of the children served are given brand new backpacks, school supplies, shoes, socks, and haircuts. Temecula is in desperate need of the continuation of this program as it is unique to our area. And there are always children who need help getting on the right foot.

2. DESCRIBE HOW THE ORGANIZATION WILL SPEND THE GRANT FUNDING, IF AWARDED. *

ALSO, INCLUDE EQUIPMENT, SERVICES TO BE PURCHASED AND WHY.

A large portion of the sum will be distributed to buying new shoes and socks for the children. New, quality shoes and socks are not cheap, especially when being distributed to hundreds of children.

Similarly, the cost of new backpacks and school supplies is not cheap. We will be using the a portion of the sum to purchase these items for the children.

Finally, any additional funding will go towards food items, decorations, crafts, or activities for the day of the event.

3. EXPLAIN HOW THIS GRANT FUNDING SPECIFICALLY BENEFITS TEMECULA RESIDENTS. *

TEMECULA RESIDENTS MUST BENEFIT FROM THIS PROGRAM/PROJECT IF AWARDED CITY FUNDING.

When we benefit the next generation, we always improve our future. By giving children without common needs and privileges proper foot ware and school supplies, we ensure a more confident and prepared child. Absenteeism within our schools is an increasingly growing problem. Children should be able to attend school, play in sports, participate in playgrounds, and walk to-and-from school comfortably and without holes in their foot ware. For families without vehicles, foot ware becomes a more integral form of transportation. And they should be able to do that with foot ware that is not falling apart or unsafe.

Mission Statement

Briefly describe the nonprofit organization's mission/goals and objectives:*

Hospice of the Valleys began in early 1982 by two sisters in Sun City, California who recognized the need for specialized end-of-life care for people in their community. In order to make this care available, these sisters received hospice training as volunteers and began going door-to-door raising money on their patients' behalf. After years as a volunteer-run organization, Hospice of the Valleys eventually became a full-service, nonprofit 501(c)(3) organization.

Today, Hospice of the Valleys employs a team of experienced clinicians and administrative professionals, and continues to have a group of dedicated volunteers who touch the lives of our patients each and every day. After more than 40 years of caring for hospice patients living in Southwest Riverside County and Fallbrook, Hospice of the Valleys remains committed to the mission of its founders by providing loving hospice care to all who need it, regardless of their ability to pay.

Our Mission:

We foster reverence for life, relief of suffering, and compassion in loss for the terminally ill residents and their families in the communities we serve.

Project/Program Title: Senior Assistance Program

1. DESCRIBE THE PROJECT/PROGRAM THE TEMECULA GRANT FUNDING WILL SUPPORT. *

The Senior Assistance Program provides compassionate hospice care to terminally ill patients and support to their families. The Program pays for the direct cost of hospice care for senior citizens and the severely disabled. Direct hospice care includes, but is not limited to, personal visits by physicians, nurses, home health aides, social workers, and spiritual care advisors; the provision of durable medical equipment, medical supplies, medication delivery, and bereavement support services. Our services are extended to our patients and their families while the patient is living and up to at least 13 months after death. After the patient passes, caregivers receive bereavement support that includes phone calls and/ or personal visits by a bereavement counselor or chaplain, access to grief support groups, bereavement books and mailings, as well as memorial services of remembrance twice per year. Hospice of the Valleys does not believe in adding to the burden of patients or their families by asking for reimbursements or copays that are not covered by insurance. For example, Medicare does not cover a \$5.00 co-pay for each medication that each of our patients are prescribed; however, Hospice of the Valleys takes care of that cost and does not pass the co-pay on to our patients. During times when end of life is imminent, we do not want our patients and their families to incur yet another expense. Our goal is to ensure no one is turned away or provided with limited hospice care simply due to their inability to pay.

2. DESCRIBE HOW THE ORGANIZATION WILL SPEND THE GRANT FUNDING, IF AWARDED. *

ALSO, INCLUDE EQUIPMENT, SERVICES TO BE PURCHASED AND WHY.

For every patient on our service, Hospice of the Valleys makes numerous visits to the the patient and their family, to wherever they call home. From nurses, to home health aides; doctors, to social workers; and even spiritual care and bereavement staff we see patients many times a week to care for them as they near the end of their lives. These visits are all hours of the day and night, as well as on weekends and holidays. Funds will be used towards patient care and costs not covered by Medicare or other insurances. This includes, but is not limited to, provisions such as medication delivery services, incontinence supplies, overbed tables, medication co-pays, and mobile shower equipment, just to name a few. These items keep our patients comfortable; alleviate the burden to their caregivers; and help with added expenses that families shouldn't have to amass at the end of their loved one's lives. Additionally, our Hospice Hearts have become an invaluable gift we offer to our patients' families and caregivers. When separated, the tiny inner heart can be placed with the loved one who has died as a reminder of their unbroken connection to those who remain behind. Numerous families who have received the hospice hearts have told us how meaningful they are and how they would be treasured. Hospice Hearts are \$6 per and we offer an unlimited amount to families when their loved one has passed.

3. EXPLAIN HOW THIS GRANT FUNDING SPECIFICALLY BENEFITS TEMECULA RESIDENTS. *

TEMECULA RESIDENTS MUST BENEFIT FROM THIS PROGRAM/PROJECT IF AWARDED CITY FUNDING.

We serve approximately 350 patients a year in Southwest Riverside County, and since year 2000, 15% of our patients reside in Temecula. On average we are serving approximately 50 Temecula patients and can estimate that at least one of these patient's family members or friends also benefited from our services (as many of the provisions we provide ease the burden for the caregiver). The patients we serve are presumed low-moderate income persons based on the fact that they are either severely disabled adults and/ or senior citizens (age 62 and above). Our patients have been diagnosed with a terminal illness and have 6 months or less to live, as certified by a physician. While we expect to serve approximately 50 total patients residing in the City of Temecula, the scope of our service extends beyond the patient. Our hospice team also assists each patient's caregiver as they journey through the dying process. Our interdisciplinary team is available to assist caregivers in making difficult end-of-life decisions and help families navigate the many issues surrounding death. Once the patient dies, Hospice of the Valleys provides comprehensive bereavement support and education to families/ caregivers, extending the number of individuals we serve.

Compliance

If your organization is awarded a Community Service Funding Grant in Fiscal Year 2025-2026 by the City of Temecula, all grant funds received must be expended anytime on or between July 1, 2025, and June 30, 2026.

In addition, all grant funds must be substantiated with proper back-up documentation. Failure to provide proper documentation may jeopardize any future funding. City of Temecula reserves the right to conduct an audit and/or require additional back-up information to substantiate how funds received from the City were spent. If the funds are not spent in accordance with the approved purpose stated on the Application, the organization will be required to refund the amount of funds.

To substantiate that Fiscal Year 2025-2026 funds received from the City were spent appropriately, proper back-up documentation including the report (in the link below) with accompanying receipts/paid invoices, must be submitted to the City on or before due date: Monday, September 14, 2026.

Dear Applicant:

Based on information supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code.

Because you are a newly created organization, we are not now making a final determination of your foundation status under section 509(a) of the Code. However, we have determined that you can reasonably be expected to be a publicly supported organization described in section 509(a)(1) and 170(b)(1)(A)(vi).

Accordingly, you will be treated as a publicly supported organization, and not as a private foundation, during an advance ruling period. This advance ruling period begins on the date of your inception and ends on the date shown above.

Within 90 days after the end of your advance ruling period, you must submit to us information needed to determine whether you have met the requirements of the applicable support test during the advance ruling period. If you establish that you have been a publicly supported organization, you will be classified as a section 509(a)(1) or 509(a)(2) organization as long as you continue to meet the requirements of the applicable support test. If you do not meet the public support requirements during the advance ruling period, you will be classified as a private foundation for future periods. Also, if you are classified as a private foundation, you will be treated as a private foundation from the date of your inception for purposes of sections 507(d) and 4940.

Grantors and donors may rely on the determination that you are not a private foundation until 90 days after the end of your advance ruling period. If you submit the required information within the 90 days, grantors and donors may continue to rely on the advance determination until the Service makes a final determination of your foundation status. However, if notice that you will no longer be treated as a section 509(a)(1)** organization is published in the Internal Revenue Bulletin, grantors and donors may not rely on this determination after the date of such publication. Also, a grantor or donor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act that resulted in your loss of section 509(a)(1)** status, or acquired knowledge that the Internal Revenue Service had given notice that you would be removed from classification as a section 509(a)(1)** organization.

* For tax years ending on and after December 31, 1982, organizations whose gross receipts are not normally more than \$25,000 are excused from filing Form 990. For guidance in determining if your gross receipts are "normally" not more than the \$25,000 limit, see the instructions for the Form 990.
