

**CITY OF TEMECULA  
AGENDA REPORT**

**TO:** City Manager/City Council

**FROM:** Jennifer Hennessy, Director of Finance

**DATE:** October 14, 2025

**SUBJECT:** Approve Donation of Reserve Fire Truck 273 and Reserve Fire Engine 292 to the Riverside County Fire Department

---

**PREPARED BY:** Jennifer Hennessy, Director of Finance

**RECOMMENDATION:** That the City Council approve the donations of Reserve Fire Truck 273 and Reserve Fire Engine 292 to the Riverside County Fire Department.

**BACKGROUND:** The City has received a request from CalFire Chief Bill Weiser and County Chief Deputy Geoffery Pemberton to donate two reserve fire vehicles to the Riverside County Fire Department to enhance the County's reserve fleet capabilities and support the broader region served by the Riverside County Fire Department.

The two vehicles were both originally purchased by the City and have been fully depreciated. Currently, Truck 273 and Engine 292 are used as reserve (back-up) vehicles in the event a frontline Truck/Engine is out of service. The City currently pays the liability insurance for the vehicles; however, the County has been paying for the ongoing maintenance and servicing of the vehicles. By donating the vehicles, the City will be released from liability and the annual premiums are expected to decrease by \$3,500.

|                     | <u>Truck 273</u>  | <u>Engine 292</u> |
|---------------------|-------------------|-------------------|
| City Asset #:       | V04115            | V05133            |
| VIN#:               | 1K9AF42884N058774 | 4S7CT20956C054456 |
| Purchase Price:     | \$723,186.75      | \$341,382.17      |
| Purchase Date:      | 2/6/2004          | 6/14/2006         |
| Current Book Value: | \$0               | \$0               |

Truck 273 will be housed at Fire Station 95 (Roripaugh Ranch) when not in use. The attached two letters from Riverside County Fire Department provide further details.

**FISCAL IMPACT:** The City will save approximately \$3,500 per year in annual liability insurance by donating these vehicles to Riverside County Fire Department.

**ATTACHMENTS:** Riverside County Fire Department Donation Request Letters (2)
