---

**PREPARED BY:** Julie Tarrant, Principal Management Analyst  
Tammy Petricka, Administrative Assistant

**RECOMMENDATION:** That the City Council approve the second amendment to the agreement with Falcon Engineering Services, Inc. for on-call construction management services, to increase payment in the amount of \$500,000, for a total agreement amount of \$1,500,000.

**BACKGROUND:** On July 13, 2021, the City Council approved the On-Call Construction Management Services Agreement with Falcon Engineering Services, Inc., in the amount of \$1,000,000. On July 12, 2023, the First Amendment extended the term of the agreement to June 30, 2024. The Second Amendment will provide for additional construction support services for any on-going and new capital projects. Falcon Engineering Services, Inc., has provided construction management services for a variety of projects for the Department of Public Works CIP Division, including the Santa Gertrudis Creek Pedestrian/Bicycle Trail Extension and French Valley Parkway, Phases I and II, and continue to provide exemplary services.

Staff therefore recommends approval of the Second Amendment in the amount of \$500,000, for a total agreement value of \$1,500,000.

**FISCAL IMPACT:** There is no fiscal impact associated with the approval of the amendment. Funds to support any service implemented under the agreement will come from approved CIP or operating budgets.
