LONG RANGE PLANNING

General Plan Update

The Long Range Planning Division has developed a four-phase, multi-year process to update the General Plan. Phase I is complete and included updates to Housing and Public Safety Elements. Phase I also included an update to the City's Traffic Impact Analysis (TIA) Guidelines to analyze Vehicle Miles Travelled (VMT) for the California Environmental Quality Act (CEQA). Phase II is in process and includes an update to the Quality of Life Master Plan (QLMP), reconciling the City's GIS Maps on a parcel by parcel basis, a baseline EIR analysis of the City's Circulation Element, and developing a Complete Streets Policy document. Phase III will include a Fiscal Land Use Study to analyze the City's remaining development capacity and market absorption potential for residential, commercial, and industrial development. The final phase is to work with a General Plan Advisory Committee to update to the General Plan and EIR over an 18-month timeframe. **(PETERS)**

Quality of Life Master Plan Update: On April 27, 2021, the City Council established a Blue Ribbon Committee (BRC) to update the Quality of Life Master Plan (QLMP). The QLMP identifies the City's six core values, including: 1) Healthy and Livable City; 2) Economic Prosperity; 3) Safe and Prepared Community; 4) Sustainable City; 5) Transportation Mobility and Connectivity; and 6) Accountable and Responsive City Government. Projects and programs proposed in the City's Annual Operating Budget and Capital Improvements Program must be consistent with the City's Core Values. Performance measures (indicators) are measured annually to track progress and the completion of goals and objectives. The last BRC meeting is scheduled for July 21, 2022. The Preliminary Draft document will be presented to the remaining Commissions in October. The Final Draft QLMP will be scheduled for a City Council meeting on November 15th. **(PETERS)**

Permit Ready ADU Program (LR19-1464): The City received an SB 2 Grant from the State Department of Housing and Community Development (HCD) to prepare, adopt, and implement a Permit Ready Accessory Dwelling Unit (ADU) program. The ADU program will encourage the construction of ADUs, offering property owners a selection of pre-approved ADU building plans that can be obtained at the Community Development Department, free of charge. On September 16, 2020, the RFP closed on

PlanetBids. The City received three detailed proposals from qualified consultants. After detailed review of all the proposals, staff selected checkerboardSTUDIOS Consultant Firm. On March 18, 2021, staff kicked off the project with the Consultant and staff from Planning, Building & Safety, Public Works, and Fire. This will be a joined effort between the internal departments and the consultant. Staff is working with the consultant on the first task (Phase 1: Schematic Design), staff has provided feedback of the Schematic Design taking into consideration the School District and Development Impact Fee (DIF) fees, and appropriate unit type and size. On, October 19, 2021, staff presented at the draft site plan and architecture designs to the Southern Riverside County Association of Realtors (SRCAR). On November 30, 2021, staff held an Open House to solicit feedback from the professional community (i.e., Engineers, Contractors, Architects, etc.), the meeting will be open to the public. Staff is currently reviewing the construction drawings. Plans will be going back into review to update the plans to account for the 2022 Building Code. **(RABIDOU)**

Uptown Temecula Specific Plan Amendment (LR19-1458): An amendment to the Uptown Specific Plan to implement the following changes: modify graphics to reflect consistency with text regarding allowable frontage types, amend street cross sections (graphics), amend plant pallet and silva cell requirements for street trees, implement a street naming convention, amend streetlight spacing and other typographical errors. Staff has reached out to Spurlock Consulting for assistance in updating the Sidewalk and Streetscape Standards and is awaiting a scope if work and timeline. Public Works is drafting new street sections for the Specific Plan anticipated completion in November. **(COLLINS)**

Transportation Discovery and Existing Conditions Analysis (LR20-1071): The City received an SB 2 Grant from the State Department of Housing and Community Development (HCD) to prepare an internal document for staff to identify potential transportation focused areas as part of Phase 2 of our General Plan Update process and timeline. The City has hired Fehr & Peers (F&P) to document existing transportation conditions in the City, provide benchmarking information on how transportation facilities, transportation use and policies compares to other peer agencies (through benchmarking) and will evaluate how much of the current Circulation Element has been implemented. Staff worked with F&P to identify methodology, thresholds, and mitigation to address VMT for the California Environmental Quality Act evaluation, which the City Council adopted in May 2020. On July 19, 2021, Staff has a scheduled internal meeting with Fehr & Peers, they present to staff the Data Collection Status. Currently, the consultant is developing the three scenario runs to be reviewed by staff prior to conducting a full model run. **(PETERS)**

Mobile Food Trucks (LR20-1472): On February 23, 2021, staff presented to the Economic Development Subcommittee members (ME/JS) on Mobile Food Trucks (MFT). This was a noticed meeting with one public comment in favor of MFT, read by Stuart Fisk. The intent of the meeting was to get the subcommittee's feedback on the potential for MFT to operate in the City. Staff presented the definition of MFTs, existing regulations, standards of operation to consider, and Pros & Cons list. The subcommittee advised staff to create a framework and come back to the committee for discussion. Staff is working on developing the framework. Staff took the draft to Community Development Brainstorming Meeting on May 4, 2022, for review. Revisions necessary. Staff has shelved the Ordinance for the time being in an effort to have a smaller test of food truck operations within the City by allowing food trucks to operate at alcoholic beverage manufacturer (Breweries, wineries, etc.) exclusively serving their customers entirely on private property and under the requirements of Riverside County Ord. No. 580. **(COLLINS)**

Shopping Cart Ordinance (LR21-0909): An ordinance to modify Title 9 Public Peace, Morals and Welfare of the Temecula Municipal Code to regulate shopping carts. Shopping carts continue to be left throughout the City, costing taxpayers and businesses money to retrieve, repair or replace these carts. The ordinance

proposes mandatory physical measures for all retailers with shopping carts, exemptions provided for, exemptions are invalid for retailers whose carts are found more than 3 times in a 12-month period. Staff presented the draft ordinance to the City Council Public Safety Subcommittee on January 18, 2022 (Rahn, Edwards), direction to staff was to conduct more outreach to businesses, chamber of commerce as well as to present the ordinance to the Planning Commission Commercial Center Subcommittee. Staff hand delivered 82 letters to all businesses within the City, presented the draft ordinance to the Temecula Valley Chamber of Commerce on January 11, 2022, and presented to Planning Commission Commercial Center Subcommittee on February 16, 2022 (Turley-Trejo, Watts). Commissioners were supportive of the ordinance, recommended the framing be as a responsibility and not assign blame. Staff was requested to present again to the Subcommittee's to show outreach efforts and report feedback. The Shopping Cart Ordinance was passed and, staff is presently following up with another in person visit to further explain the requirements and timeframes for implementing theft prevention measures, completion is anticipated to be the week of October 10th. (COLLINS)

Temecula Creek Wildfire Risk Reduction Community Plan (LR21-1331): Temecula applied for and was awarded a \$300,000 grant to develop Temecula's first Community Wildfire Protection Plan (CWPP). The grant has a \$78,000 match (staff time), the remainder is to onboard a consultant to draft the plan. RFP has closed and SWCA Environmental was selected as the winning candidate. Staff is currently working to place the item on the City Council for their consideration. (COLLINS)

Municipal Code Update (LR22-0182): An update to the Temecula Municipal Code Title 5 and 17. Updates to Title 5 are limited to clarification for exemptions to the requirements of Chapter 5.22 Massage Establishments specific to chair massage and specifies limits to existing exemptions. Updates to Title 17 include changes to the separate conveyance of Accessory Dwelling Units IAW AB 345. Additionally, ADU's would require all equipment (including window AC units) to be screened from the R-O-W and update the definition of guest house and secondary dwelling unit. Update PDO-4 & PDO-10 to require restaurants that provide live entertainment comply with Chapter 9.10 Live entertainment License. Item is scheduled for the Planning Commission on November 19, 2022, and City Council on January 18, 2023. (COLLINS)

WRCOG REAP Agreement (LR22-0664): An agreement between WRCOG and the City to provide consultation services to provide analysis of required municipal code updates as they relate to the new slate of housing laws, such as SB-9, ADU Laws, etc. Additionally, would evaluate changes to the municipal code required after the adoption of the 6th Cycle Housing Element. The cost is included as a benefit to member agencies of WRCOG. WSP is the consultant selected by WRCOG to assist the city review its Municipal Code in relation to the new housing bills passed. Staff has bi-weekly meetings with the consultant to address the changes and will discuss proposed changes at a future date in consultation with the City Attorney's Office. (COLLINS)

Old Town Specific Plan Update (LR21-0279): An amendment to the Old Town Specific Plan to implement the following changes: (1). Revise maximum building height for three and four-story buildings in the Downtown Core District from 50 feet to 55 feet, (2) Add provisions to allow for raised commercial outdoor patios (24-inch height), (3). Revise commercial ground floor façade standards to prohibit the use of aluminum shop front or spandrel panels, (4) Clarify existing parking structure setback language, (5) Revise architectural guidelines related to varied rooflines and fences, (6) Revise non-conforming use language for single-family homes in the Residential and Limited Mixed-Use Zones for consistency, (7) Revise alley requirements to clarify utility locations, trash services, and delivery requirements, (8) Amendment the Use Matrix to allow beer tasting, escape rooms, entertainment licenses, (9) Revise existing bed and breakfast

language to ensure consistency with the Municipal code. The project is anticipated to be heard by the Planning Commission before the end of the year. (JONES)

HOUSING

Las Haciendas Affordable Housing Project: The City is processing a Development Plan for a 77-unit affordable multi-family housing community consisting of two residential buildings, a community building and tuck-under parking located at 28715 Las Haciendas. The City Council approved a Loan Agreement with Community Housing Works (CHW) for the use of affordable housing tax allocation bond proceeds on May 26, 2020. The developer held a virtual community workshop on July 28, 2020. The item was approved by the Planning Commission on October 7, 2020. An amendment to the Loan Agreement was approved at the April 27, 2021, City Council meeting. A tax allocation application was forwarded to the state in March 2021. The applicant has submitted Building Permits and Grading Permits. CHW was awarded tax credits in June 2021. The project is under construction. (RABIDOU, WATSON)

Vine Creek Disposition and Development Agreement (DDA): City Council approved the DDA with Temecula Pacific Associates on June 25, 2019, for the development of 60 affordable units on City-owned property on Pujol Street. The developer is looking to secure financing from the State of California prior to construction. The City and developer will collaborate with the County of Riverside and the State Department of Housing and Community Development for additional funding opportunities through the Permanent Local Housing Allocation grant. The project has received state tax credits as of June 2022. The applicant is moving forward with the project based on this additional funding. (WATSON)

Housing Element Update (LR18-1620): The City is working with De Novo Planning Group to update the 2021-29 Housing Element. De Novo will also assist with the Regional Housing Needs Assessment (RHNA) process, community engagement, and California Environmental Quality Act. The current Housing Element was certified by the Department of Housing and Community Development (HCD) in 2013 and serves as the foundation for the update. The Housing Element is a required part of the City's General Plan and is a blueprint for meeting the housing needs of residents, at all economic levels, and addressing segments of the population with special needs. The City Council General Plan Ad Hoc Subcommittee, consisting of Council Member Edwards and Mayor Rahn, and the Planning Commission General Plan Ad Hoc Subcommittee, consisting of Commissioners Watts and Turley-Trejo, will serve as advisory bodies.

Running concurrently with the Housing Element Update is the Regional Housing Needs Assessment (RHNA). The RHNA planning cycle is an eight-year cycle and covers October 2021 through October 2029. The Final RHNA allocation was issued in September 2020. Staff is working with the consultant to update data and write draft chapters. A Housing Workshop was held on August 17, 2021, with approximately 12 attendees. The item was recommended for adoption by the Planning Commission at the September 15, 2021, Planning Commission meeting. The Riverside County Airport Land Use Commission (ALUC) and California Board of Forestry and Fire Protection have signed-off on the Housing Element. The item was approved by the City Council on October 12, 2021. The City Council adopted the revised Housing Element on February 8, 2022. Staff has submitted an informal set of changes to HCD.
