**FROM:** Randi Johl, Director of Legislative Affairs/City Clerk

**DATE:** September 26, 2023

**SUBJECT:** Consider Compensation for the City’s Boards and Commissions (At the Request of Mayor Schwank and Mayor Pro Tem Stewart)

---

**PREPARED BY:** Randi Johl, Director of Legislative Affairs/City Clerk

**RECOMMENDATION:** That the City Council consider compensation for the City’s boards and commissions and provide general direction regarding the same.

**BACKGROUND:** The City of Temecula is a general law city formed under the laws of the State of California. The City Council compensation schedule for general law cities is set forth in Government Code Section 36516 *et seq.* The City Council subsequently sets compensation for the City’s boards and commissions via ordinance. The collective compensation for all boards and commissions was last set to \$100 per meeting in August 2018. In 2021, the newest commission was also added to the ordinance. Ordinance 2021-01 represents the current compensation for all existing boards and commissions (attached).

On August 8, 2023, the City Council directed staff to conduct related research and return to Council for further direction. This item is on the agenda as a result. The related research of cities in Riverside County is as follows:
