

**CITY OF TEMECULA  
AGENDA REPORT**

**TO:** City Manager/City Council

**FROM:** Patrick Thomas, Director of Public Works/City Engineer

**DATE:** April 23, 2024

**SUBJECT:** Approve Plans and Specifications and Authorize Solicitation of Construction Bids for the Rainbow Canyon Pavement Rehabilitation Project, PW22-15

---

**PREPARED BY:** Nino Abad, Senior Civil Engineer  
Kellen Freeman, Assistant Engineer

**RECOMMENDATION:** That the City Council:

1. Approve the plans and specifications and authorize the Department of Public Works to solicit construction bids for the Rainbow Canyon Pavement Rehabilitation Project, PW22-15; and
2. Make a finding that this project is exempt from California Environmental Quality Act (CEQA) per Article 19, Categorical Exemption, Section 15301, Existing Facilities, of the CEQA Guidelines. Section 15301 states that the repair and maintenance of existing highways, streets, and gutters are Class 1 activities, which are exempt from CEQA.

**BACKGROUND:** This project will rehabilitate approximately 53,000 square yards (477,000 square feet) of roadway on Rainbow Canyon Road from the intersection of Rainbow Canyon Road and Pechanga Parkway to the southern City Limits. The roadway rehabilitation will consist of cold milling .1' (1.2") of the existing pavement followed by a .1' (1.2") leveling course followed by Asphalt Rubber and Aggregate Membrane (ARAM) chip seal topped with .1' (1.2") of Asphalt Rubber Hot Mix (ARHM). Removal of existing pavement delineation, restriping, and replacement of existing curb ramps with ADA compliant curb ramps are also included.

Specifications are complete and the project is ready to be advertised for construction bids. The contract documents are available for review in the office of the Director of Public Works.

The Engineer's Construction Cost Estimate is \$2,000,000 and 60 working days are allowed for construction.

This project is exempt from the CEQA requirements pursuant to Article 19, Categorical Exemption, Section 15301, Existing Facilities, of the CEQA Guidelines. Section 15301 states that the repair and maintenance of existing highways, streets, and gutters are Class 1 activities, which are exempt from CEQA.

**FISCAL IMPACT:** The Rainbow Canyon Pavement Rehabilitation Project is identified in the City's Capital Improvement Program (CIP) budget for Fiscal Years 2024-2028 and is funded with Measure S funds and Pechanga Intergovernmental Agreement reimbursement funds. Adequate funds are available in the project accounts.
