PREPARED BY: Brandon Rabidou, Assistant Director of Community Development

RECOMMENDATION: That the City Council adopt a resolution entitled:

RESOLUTION NO.

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF TEMECULA APPROVING THE 2026-2027 ANNUAL ACTION PLAN AS AN APPLICATION TO THE U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT (HUD) FOR FUNDING UNDER THE FEDERAL COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG) PROGRAM AND FINDING THAT THE ACTION IS EXEMPT FROM ENVIRONMENTAL REVIEW UNDER THE NATIONAL ENVIRONMENTAL POLICY ACT PURSUANT TO 24 CFR 58.34(A)(1) AND THE CALIFORNIA ENVIRONMENTAL QUALITY ACT (CEQA) PURSUANT TO CEQA GUIDELINES SECTION 15262 AND 15378(B)(4)

BACKGROUND: The Community Development Block Grant (CDBG) program was established through the Housing and Community Development Act in 1974. The primary purpose of CDBG funding is the development of viable urban communities by providing decent housing, a suitable living environment, and expanded economic opportunities, principally for persons of low and moderate income.

From 1992 to 2012, the City participated in the Riverside County Economic Development Agency Entitlement Program to receive CDBG funding. On June 14, 2011, City Council adopted Resolution No. 11-42 to request that the U.S. Department of Housing and Urban Development (HUD) designate the City of Temecula as an Entitlement Community. On April 10, 2012, City Council adopted the first Five-Year Consolidated Plan (“ConPlan”), authorizing the City to become an Entitlement Community and direct recipient of CDBG funds.

As an Entitlement Community, the City of Temecula is required to prepare a one-year Action Plan

to notify citizens and HUD of the City’s intended actions to meet CDBG goals during a particular year. This current fiscal year (2026-2027) will be City’s fifth year of the City’s current Consolidated Plan.

In preparation for the 2026-2027 Action Plan, staff held two in person CDBG community workshops on Monday, December 1, 2025. A morning and evening session was provided to accommodate users with varying work schedules. The workshops encouraged participation regarding CDBG funding and provided technical assistance to applicants. An additional sub-recipient workshop will be held in June 2026, prior to the start of the program year for those agencies and departments who are awarded CDBG funds. Based on input gathered from the public, and the adopted Consolidated Plan, the following objectives continue to guide the City in allocating CDBG funds:

- Public Facilities & Infrastructure Improvements
- Affordable Housing Development
- Services for Low-and moderate income residents
- Services for residents with special needs, including seniors and veterans
- Services for the homeless and those at risk of homelessness

The Finance Committee, consisting of Mayor, Jessica Alexander and Mayor Pro Tem, Matt Rahn, convened on February 10, 2026 to make recommendations on CDBG funding for the upcoming fiscal year. Recommendations are reflected in this report. The draft 2026-2027 Annual Action Plan was available for public review from March 16, 2026 through April 14, 2026.

2026-2027 ANNUAL ACTION PLAN

The City of Temecula’s anticipated annual allocation provided by HUD for the 2026-2027 program year is \$606,465. This allocation is an anticipated amount as HUD has yet to determine and notify their grantees their official allocation amount as of the date of this staff report writing. The Finance Committee convened on February 10, 2026 to provide funding recommendations, and took action that once HUD does release the official allocation that each funded activity be adjusted proportionately (keeping the allocation of public service funds to Fair Housing Council of Riverside County at \$15,000) based on an increase or decrease to the anticipated allocation originally used to draft this document. It should be noted that a maximum of 20 percent may be allocated for administration of the program, and a maximum of 15 percent may be allocated for public services, with the remainder, approximately \$394,203, available for capital improvement projects.
