

**FIRST AMENDMENT TO “A COOPERATIVE AGREEMENT TO PROVIDE
FIRE PROTECTION, FIRE PREVENTION, RESCUE AND MEDICAL
EMERGENCY SERVICES FOR THE CITY OF TEMECULA”**

THIS FIRST AMENDMENT (hereinafter referred to as “First Amendment”) to the “Cooperative Agreement to Provide Fire Protection, Fire Prevention, Rescue and Medical Emergency Services for the City of Temecula” entered into on June 26, 2022 (hereinafter referred to as the “Agreement”), is made and entered into this 10th day of June, 2025, by and between the County of Riverside, a political subdivision of the State of California, on behalf of the Fire Department (hereinafter referred to as “COUNTY”), and the City of Temecula, a duly created city (hereinafter referred to as “CITY”), whereby it is agreed as follows:

A. Recitals. This First Amendment is made with respect to the following purposed and facts which each of the parties agree to be true and correct:

a. On June 26, 2022, the COUNTY and the CITY entered into the Agreement with a term from July 1, 2022, to June 30, 2025.

b. The parties now wish to amend the Agreement to provide a revised term.

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, COUNTY and CITY agree as follows:

1. The above recitals are true and correct and are incorporated herein by reference.

2. Amended Paragraph A. Paragraph A from SECTION IV: INITIAL TERM AND AMENDMENT is hereby deleted in its entirety and replaced with the following: “The term of this Agreement shall be July 1, 2022, to October 30, 2025.”

3. Added Section XVII. A new Section XVII is hereby added to the Agreement as follows:

“SECTION XVII: ELECTRONIC SIGNATURES

This Agreement may be executed in any number of counterparts, each of which will be an original, but all of which together will constitute one instrument. Each party of this Agreement agrees to the use of electronic signatures, such as digital signatures that meet the requirements of the California Uniform Electronic Transactions Act ((‘CUETA’) Civ. Code, §§ 1633.1 to 1633.17), for executing this Agreement. The parties further agree that the electronic signatures of the parties included in this Agreement are intended to authenticate this writing and to have the same force and effect as manual signatures. Electronic signature means an

electronic sound, symbol, or process attached to or logically associated with an electronic record and executed or adopted by a person with the intent to sign the electronic record pursuant to the CUETA as amended from time to time. The CUETA authorizes use of an electronic signature for transactions and contracts among parties in California, including a government agency. Digital signature means an electronic identifier, created by computer, intended by the party using it to have the same force and effect as the use of a manual signature, and shall be reasonably relied upon by the parties. For purposes of this section, a digital signature is a type of 'electronic signature' as defined in subdivision (i) of Section 1633.2 of the Civil Code."

8. Other Terms Remain. Except as specifically set forth herein, all other terms and conditions of the Agreement shall remain in full force and effect.
