SUBJECT: Notice of Determination for Planning Application Nos. Dear Sir/Madam:

Enclosed is the Notice of Determination for the above referenced project. In addition, pursuant to Assembly Bill 3158 (Chapter 1706) please find a receipt in the amount of \$2,966.75 for the County Administrative fee to enable the City to file the Notice of Determination for a Mitigated Negative Declaration. The City of Temecula is paying the \$50.00 filing fee under protest. It is the opinion of the City that the administrative fee has been increased in a manner inconsistent with the provisions of State Law. Under Public Resources Code Section 21152 and 14 California Code Regulations 1507, the County is entitled to receive a \$25.00 filing fee.

Please email a copy of the Notice of Determination within five working days after the 30-day posting to the email listed below.

Should you have any questions regarding this matter, please contact Eric Jones at (951) 506-5115 or email at eric.jones@TemeculaCA.gov

Sincerely,

Matt Peters

A Mitigated Negative Declaration (MND) was prepared under staff's direction by De Novo Planning Group and was distributed to responsible agencies, interested groups, and organizations. The Draft MND was made available for public review and comment for a period of 30 days. The public review and comment period for the Draft MND commenced on January 14, 2025 and concluded on February 13, 2025. Notices were mailed to surrounding property owners, a sign was placed on the property, and a notice was placed in the local paper to provide the 30 day noticing period for the public. The City of Temecula received three written comments and responded to each comment in the Final MND, which includes all timely received written comments and responses thereto. Comments were provided by Riverside County Flood Control, Riverside Transit Agency (RTA), California Department of Transportation, and Southern California Gas.

The environmental analysis identified 16 areas where impacts were found to be less than significant or had no impact at all. These areas are: Aesthetics, Hydrology and Water Quality, Noise, Recreation, Utilities and Service Systems, Agriculture and Forestry Resources, Greenhouse Gasses, Land Use and Planning, Population and Housing, Transportation, Wildfire, Air Quality, Energy, Hazards and Hazardous Materials, Mineral Resources, and Public Services. The MND recommends feasible mitigation measures for those environmental impacts that can be mitigated to a less than significant impact. These are located in the following areas: Biological Resources, Geology and Soils, Cultural Resources, and Tribal Cultural Resources.

This is to certify that the Negative Declaration with comments, responses, and record of project approval is available to the General Public at the City of Temecula, 41000 Main Street, Temecula, California, 92590.
