

**AMENDMENT NO. 6 TO CITY MANAGER EMPLOYMENT AGREEMENT
BETWEEN CITY OF TEMECULA AND AARON ADAMS**

This Amendment No. 6 to the Employment Agreement by and between the City of Temecula, a California municipal corporation ("City"), and Aaron Adams, an individual ("Employee") is made and entered into as of June 13, 2023. In consideration of the mutual covenants contained herein the parties agree as follows:

1. **Recitals.** Amendment No. 6 to the Agreement is made with respect to the following purposes and facts that each party acknowledges to be true and correct:

A. The City and Employee previously entered into an Employment Agreement on June 1, 2013, as amended by Amendment No. 1, approved February 4, 2017; Amendment No. 2, approved May 9, 2017; Amendment No. 3, approved June 1, 2019, Amendment No. 4 approved May 10, 2022, and Amendment No. 5, approved December 13, 2022 (collectively the "Agreement").

B. On June 13, 2023, the City Council approved a cost of living increase for all City employees of 8.7% effective July 1, 2023 as negotiated with Teamsters 911 in the current Memorandum of Understanding. Since this amount is more than the 3% cap on the cost of living increase described in Section 4.B.1) of the Agreement and a salary adjustment is necessary to maintain the 10% salary differential provided in Section 4.B.2) of the Agreement, the City and Employee desire to adopt this Amendment No. 6.

2. **Salary.** Paragraph A. of Section 4 (Salary), of the Agreement, is amended to read as follows:

"A. Except as otherwise expressly provided in the Agreement, effective July 1, 2023, Employee shall receive a base salary of three hundred thirty four thousand two hundred thirty seven dollars and seventy two cents (\$334,237.72)."

3. **No Other Changes.** Except as expressly modified in this Amendment No. 6, all provisions of the Agreement, as previously amended, shall remain in full force and effect.

**AMENDMENT NO. 5 TO CITY MANAGER EMPLOYMENT AGREEMENT
BETWEEN CITY OF TEMECULA AND AARON ADAMS**

The Employment Agreement ("Agreement") by and between the City of Temecula, a California Municipal Corporation ("City" or "Employer"), and Aaron Adams, an individual ("Employee"), made and entered into as of June 1, 2013, as previously amended, is hereby further amended as provided in this Amendment No. 5. This Amendment No. 5 is effective December 13, 2022, except as otherwise indicated. In consideration of the mutual covenants hereinafter contained the parties agree as follows:

1. **Recitals.** This Agreement is made with respect to the following purposes and facts that each party acknowledges to be true and correct:

A. The Parties previously entered into the Agreement as of June 1, 2013, as amended by Amendment No. 1, approved February 4, 2017; Amendment 2, approved May 9, 2017; Amendment No. 3, approved June 1, 2019 and Amendment No. 4 dated May 10, 2022.

B. City and Employee desire to amend the Agreement according to the terms of this Amendment No. 5, as provided below.

2. **Term.** Section 3 (Term) Paragraph A and B of the Agreement are amended to read as follows:

"A. The term of this Agreement is further extended to December 30, 2026, unless sooner terminated as provided in Paragraph 6 of this Agreement."

"B. The term of this Agreement may be extended by mutual agreement of the parties in a written amendment to this Agreement or by a new written agreement, duly adopted by the City Council. Provided this Agreement is still in force, the City Council shall advise Employee on or before June 30, 2026 if the City Council intends to negotiate an extension of this Agreement. Employee shall remind the City Council during the month of May 2026 of the requirement for an indication of its intent. Should the parties decide to negotiate an extension, neither party is required to reach agreement."

3. **Termination and Resignation.** Section 6 (Termination and Resignation), Paragraphs A and B, of the Agreement are amended to read as follows:

"6. Termination and Resignation. Section 6 (Termination and Resignation) of the Agreement is amended to read as follows:

"A. Employee is an at-will employee serving at the pleasure of the City Council, subject to the terms of this Agreement. City Council may terminate this Agreement and the employment of Employee at any time without notice and with or without cause. Termination shall require the affirmative votes of three Council Members.

“B. Severance Benefit

1. Termination. In the event Employee is terminated by the City Council by a unanimous vote, of the full City Council, City shall pay Employee a lump sum severance benefit equal to twelve (12) months of his then-monthly salary (salary as of the final day of employment), or such time as is remaining on the term of the Agreement, whichever is less, subject to the provisions of Section 6.C. of the Agreement. In the event Employee is terminated by the City Council without a unanimous vote of the full City Council, City shall pay Employee a lump sum severance benefit equal to eighteen (18) months of his then-monthly salary (salary as of the final day of employment), or such time as is remaining on the term of the Agreement, whichever is less, subject to the provisions of Section 6.C. of the Agreement. City shall also provide to Employee, at no cost to Employee, health benefits provided by Paragraph 5.B. of this Agreement: (1) for the number of months of severance as described above, (2) until Employee finds other employment; or (3) until Employee files for retirement with CalPERS, whichever occurs first. Employee shall not be entitled to retirement or leave benefits during this period, or any other benefit not permitted by law. These severance benefits shall not apply if Employee voluntarily resigns or if this Agreement expires without a written amendment extending it.

2. Involuntary Resignation. Employee has relied upon the provisions of Government Code Sections 34851 to 34959 and Chapter 2.12 of the Temecula Municipal Code establishing the City Manager form of Government in entering into this Agreement, as it pertains to Employee's terms and conditions of employment, including but not limited to his role, powers, duties, authority, responsibilities, compensation and benefits. In the event Chapter 2.12 or other provisions of the Municipal Code are amended without the consent of Employee, and such addition, deletion or amendment is inconsistent with the terms of this Agreement and Employee's terms and conditions of employment, including but not limited to his role, powers, duties, authority, responsibilities, compensation and benefits as currently provided, then Employee shall have the right, at Employee's sole option, to give the City Council notice that such amendment(s) constitute involuntary resignation and Employee shall be entitled to resign and City shall pay Employee a lump sum severance benefit equal to eighteen (18) months of his then-monthly salary (salary as of the final day of employment), or such time as is remaining on the term of the Agreement, whichever is less. Upon receipt of such notice the City Council shall have thirty days in which to do one of the following: (a) rescind the amendment(s); (b) renegotiate this Agreement to Employee's satisfaction; or (c) take no action. In the event that either (c) occurs, or the City is unable to accomplish (b), then Employee shall be entitled to resign and still receive the severance benefits provided in this Section 6.B.

“C. City shall not be obligated to provide the severance benefits designated in Paragraph 6.B in the event that: (1) Employee is terminated because of his conviction of a felony or the filing of a criminal charge against him alleging a felony which subsequently results in his conviction of a felony (including a plea of nolo contendere thereto); or (2) Employee has engaged in corrupt or willful misconduct in office, including any illegal act involving personal gain. In the event Employee is terminated by City following the filing of felony charge or charges, Employee shall be entitled to such severance benefits commencing at the time a final judgment is rendered

or disposition of the charges is made establishing that Employee did not commit the acts for which he was charged unless it is otherwise established that Employee has engaged in corrupt or willful misconduct in office, including any illegal act involving personal gain.

“D. Upon termination, separation, or expiration of Employee's employment as City Manager, City shall pay to Employee the lump sum cash equivalent of all of the remaining leaves to which Employee is entitled under this Agreement.

“E. Nothing in this Agreement shall prevent, limit or otherwise interfere with the right of Employee to resign at any time from his position with City, subject only to Employee providing sixty (60) days prior written notice to the City or such shorter period as approved in writing by the City Council.

“F. Notwithstanding the above, it is also understood and agreed that Employee shall be retained a minimum of six (6) months following the date of certification of any municipal election at which a new councilmember is elected to the Council, thereby allowing the new City Council adequate time to assess the Employee's performance. If Employee is terminated at the end of this six month period following such an election, the provisions of this Section shall apply to such action.

“G. Any other term of this Agreement notwithstanding, the maximum severance and health benefits that Employee may receive under this Agreement as a result of termination shall not exceed the limitations provided in Government Code §§ 53260-53264. Further, in the event Employee is convicted of a crime involving an abuse of office or position, Employee shall reimburse the City for any paid leave or cash settlement (including severance), as provided by Government Code Sections 53243 — 53243.4.”

4. **No Other Changes.** Except as expressly modified in this Amendment No. 5, all provisions of the Agreement, as previously amended, shall remain in full force and effect.

The parties acknowledge that Employee's salary at the inception of this Agreement continues his existing salary without change. The annual salary will be prorated and paid on City's normal paydays, subject to legally permissible or required withholding. Employee's salary is compensation for all hours worked and for all services under this Agreement, including those as an Executive Director or involving any other position, office or appointment associated with the City.

B. Employee shall not be entitled to cost of living increases in the salary as may otherwise be provided to general or Executive Management Group employees.

C. Other provisions of this section notwithstanding and consistent with the City's Classification and Compensation plan, the Employee, as City Manager, shall be the highest paid employee of the City. Any change to the City Manager's salary in order to comply with this provision shall not be effective until adopted by the City Council during an open session of a duly noticed public meeting and included on a publically available pay schedule. Except as mutually agreed, such increase will be retroactive to the date of the increase for the next highest paid employee that required action under this Paragraph C.

5. Hours of Work, Retirement, Insurance, Leaves, and Holidays.

A. Employee's duties may involve expenditures of time in excess of eight (8) hours per day, forty (40) hours per week, and may also include time outside normal office hours such as attendance at City Council and other meetings. Employee's salary is compensation for all hours worked and Employee shall be exempt from paid overtime compensation.

B. Employee shall be entitled to such retirement, insurance and other fringe benefits as are provided in the benefits package for employees in the Executive Management Group, except as otherwise provided in this Agreement. Such fringe benefits shall be subject to the terms and conditions of the applicable plan, policy or other controlling documents and shall

be paid on the same basis as paid for employees in the Executive Management Group. Except as otherwise required by law or by contract with any benefit provider, changes in such benefits shall not apply to Employee, unless and until so determined by action of the City Council.

C. In addition to base salary and other benefits, City shall make an employer contribution as provided in the table below to an Internal Revenue Code section 457(b) or 401(a) plan maintained by City. In the event more than one plan is available, the plan to which contributions are made will be determined by Employee to the maximum extent permitted by law. Employer contributions will be prorated and paid each pay period and will also be prorated for partial years. Employee will not be eligible for employer contributions if he resigns or is terminated prior to the commencement of contributions, as listed below and Employee is not eligible for pro-rated contributions following termination.

D. Employee shall be entitled to Comprehensive Annual Leave on the same terms, conditions, limitations, and restrictions as apply to employees in the Executive Management Group. Contrary terms notwithstanding, Employee's maximum accumulation shall be 800 hours of unused Comprehensive Annual Leave and Employee may cash out accumulated unused Comprehensive Annual Leave of not more than 250 hours annually at the same time as other employees. Once Employee reaches the maximum accumulation limit, Employee will stop earning additional Comprehensive Annual Leave until his balance falls below the limit.

E. Employee shall be entitled to such paid holidays and leaves as are provided to employees in the Executive Management Group.

F. This Agreement is intended to continue the employment of Employee without interruption. Employee's seniority, employment anniversary date and accumulated leaves shall remain in effect and shall not be terminated or modified by this Agreement notwithstanding the provisions of Paragraph 13.A. of this Agreement.

6. Termination and Resignation.

A. Employee is an at-will employee serving at the pleasure of the City Council, subject to the terms of this Agreement. City Council may terminate this Agreement and the employment of Employee at any time without notice and with or without cause. Termination shall require the affirmative votes of three Council Members.

B. In the event Employee is terminated by the City Council, City shall pay Employee a lump sum severance benefit equal to six (6) months of his then-monthly salary (as of the final day of employment), or such time as is remaining on the term of this Agreement, whichever is less, subject to the provisions of Section 6.C. of this Agreement. City shall also provide to Employee, at no cost to Employee, health benefits provided by Paragraph 5.B. of this Agreement: (1) for six (6) months, (2) the remaining term of this Agreement or (3) until Employee finds other employment, whichever occurs first. Employee shall not be entitled to retirement or leave benefits during this period, or any other benefit not permitted by law. These severance benefits shall not apply if Employee resigns or if this Agreement expires without a written amendment extending it.

C. City shall not be obligated to provide the severance benefits designated in Paragraphs 6.A. and 6.B in the event that: (1) Employee is terminated because of his conviction of a felony or the filing of a criminal charge against him alleging a felony which subsequently results in his conviction of a felony (including a plea of nolo contendere thereto); or (2) Employee has engaged in corrupt or willful misconduct in office, including any illegal act involving personal gain. In the event Employee is terminated by City following the filing of felony charge or charges, Employee shall be entitled to such severance benefits commencing at the time a final judgment is rendered or disposition of the charges is made establishing that Employee did not commit the acts for which he was charged unless it is otherwise established that Employee has engaged in corrupt or willful misconduct in office, including any illegal act involving personal gain.

D. Upon termination, separation, or expiration of Employee's employment as City Manager, City shall pay to Employee the lump sum cash equivalent of all of the remaining leaves to which Employee is entitled under this Agreement.

E. Nothing in this Agreement shall prevent, limit or otherwise interfere with the right of Employee to resign at any time from his position with City, subject only to Employee providing sixty (60) days prior written notice to the City or such shorter period as approved in writing by the City Council.

F. Notwithstanding the above, it is also understood and agreed that Employee shall be retained a minimum of six (6) months following any municipal election at which a new councilmember is elected to the Council, thereby allowing the new City Council adequate time to assess the Employee's performance. If Employee is terminated at the end of this six month period following such an election, the provisions of this Section shall apply to such action.

G. Any other term of this Agreement notwithstanding, the maximum severance and health benefits that Employee may receive under this Agreement as a result of termination shall not exceed the limitations provided in Government Code §§ 53260–53264. Further, in the event Employee is convicted of a crime involving an abuse of office or position, Employee shall reimburse the City for any paid leave or cash settlement (including severance), as provided by Government Code Sections 53243 – 53243.4.

7. **Performance Evaluation.**

A. The City Council shall review and evaluate the performance of Employee approximately six (6) months after commencement of this Agreement (approximately November 2013) and annually thereafter (approximately June 2014 and each year thereafter). Said review and evaluation shall be in accordance with specific criteria developed jointly by the City Council and Employee. Said criteria may be added to or deleted from as the City Council may from time to time determine after consultation with Employee. The Mayor shall provide Employee with a summary written statement of the findings of the City Council and provide an adequate opportunity for Employee to discuss his evaluation with the City Council. Employee will request and schedule such reviews, as appropriate pursuant to City agenda procedures or as otherwise directed by City Council. Nothing in this paragraph is intended to limit additional interim evaluations or review or to limit the normal communications process between the City Council and Employee.

B. Annually, the City Council and Employee shall define such goals and performance objectives which they determine necessary for the proper operation of the City and in the attainment of the City Council's policy objectives, and shall further establish a relative priority among those various goals and objectives, said goals and objectives to be reduced to writing. They shall generally be attainable within the time limitations as specified and the annual operating and capital budget appropriations provided.

8. **Automobile.** Employee's duties require that he shall have the exclusive and unrestricted use of a vehicle at all times during his employment with the City. In lieu of providing Employee with a City vehicle for his exclusive use, City shall provide an automobile allowance of five hundred dollars (\$500.00) each month and shall reimburse Employee for mileage, only for attendance at required meetings outside of City limits, at the mileage rate allowed by the Internal Revenue Service for mileage reimbursement. In the event Employee must travel to meetings in inclement weather, unusual road conditions, or for the transport of larger groups of individuals in the course of his City duties, Employee shall be allowed business related use of a City fleet vehicle. No mileage reimbursement will be granted for Employee's use of City fleet vehicles.

9. **Memberships.** City agrees to pay Employee's membership dues in the International City/County Management Association and Employee shall have a reasonable right to attend meetings of such Association and of the League of California Cities at City expense.

10. **General Expenses.** City recognizes that certain extraordinary expenses of a non-personal and job affiliated nature may be incurred by Employee. City agrees to reimburse Employee for reasonable expenses which are submitted according to City's normal procedures, or such other procedure as may be designated by the City Council, and which are supported by expense receipts, statements or personal affidavits, and an audit thereof in like manner as other demands against the City. To be eligible for reimbursement, all expenses must be submitted by the last day of the month following the month in which they are incurred.

11. **Bonds.** City shall bear the full cost of any fidelity or other bonds required of Employee under any law, City ordinance or resolution by virtue of his employment with the City.

12. **Other Terms and Conditions of Employment.** The City may, from time to time, fix other terms and conditions of employment relating to the performance of Employee, provided such terms and conditions are not inconsistent with or in conflict with the provisions of this Agreement, Temecula Municipal Code, or other applicable law.

13. **General Provisions.**

Employee acknowledges that he has made an independent judgment upon the financial and legal effects of this Agreement and has not relied upon any representation of City, its officers, agents or employees other than those expressly set forth in this Agreement.

D. Pursuant to Government Code Section 53245, Employee may file with the City a designation of a person who, notwithstanding any other provision of law, shall, on the death of Employee, be entitled to receive all warrants or checks that would have been payable to Employee had he survived. Employee may change the designation from time to time. Any person so designated shall claim such warrants or checks from the City. On sufficient proof of identity, the City shall deliver the warrants or checks to the claimant. A person who receives a warrant or check pursuant to this section is entitled to negotiate it as if he or she were the payee.
