

RESOLUTION NO. 2026-

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF TEMECULA TO ADOPT THE MITIGATED NEGATIVE DECLARATION AND MITIGATION MONITORING AND REPORTING PROGRAM PREPARED FOR THE REDHAWK SPECIFIC PLAN AMENDMENT GENERALLY LOCATED APPROXIMATELY 1,500 FEET FROM THE REDHAWK PARKWAY AND VAIL RANCH PARKWAY INTERSECTION AT 45100 REDHAWK PARKWAY (APN: 962-040-012)

THE CITY COUNCIL OF THE CITY OF TEMECULA DOES HEREBY RESOLVE AS FOLLOWS:

Section 1. The City Council of the City of Temecula does hereby find, determine and declare that:

A. On June 15, 2023, James Wood, on behalf of Redhawk Golf Course, filed Planning Application No. PA23-0251, a Conditional Use Permit to allow a wedding/event center to be operated as part of an existing golf course. On August 15, 2023, James Wood, on behalf of Redhawk Golf Course, filed Planning Application PA23-0327, a Specific Plan Amendment for the Redhawk Specific Plan to provide a revision to uses associated with the golf course and add related standards for those uses. Both applications were submitted in a manner in accord with the City of Temecula General Plan and Development Code.

B. The project site is approximately 100 acres and generally located approximately 1,500 feet from the Redhawk Parkway and Vail Ranch Parkway Intersection.

C. The applications were processed including, but not limited to a public notice, in the time and manner prescribed by State and local law including the California Environmental Quality Act, Public Resources Code 21000, et seq. and the California Environmental Quality Act Guidelines, 14 Cal. Code Regs 15000 et seq. (collectively referred to as “CEQA”).

D. Pursuant to the California Environmental Quality Act (CEQA) (Pub. Res. Code § 21000, et seq.) and the State CEQA Guidelines (14 Cal. Code Regs. § 14000, et seq.), the City is the lead agency for the Project.

E. The City contracted with Kimley-Horn for the independent preparation of an Initial Study to analyze the potential environmental effects of the Project. Based on the information contained in the Initial Study, Kimley-Horn and City staff concluded that the Project could have a significant effect on the environment, but that mitigation measures could be implemented to reduce such impacts to a less than significant level. Based upon this determination, Kimley-Horn prepared, and City staff concurred in, a Draft Mitigated Negative Declaration (“Draft MND”) in accordance with CEQA Section 21080(c) and Section 15070 of the State CEQA Guidelines.

F. The City circulated a Notice of Intent to Adopt the Draft MND, along with the MND and its Appendices to the public and other interested parties, for a 30-day comment period between June 30, 2025 through July 30, 2025. A Notice of Intent was also sent to adjacent property owners indicating a review period of June 30, 2025 through July 30, 2025. The City published a Notice of Intent for the Draft MND in the Press Enterprise, a newspaper of general circulation within the City. Copies of the documents have been available for public review and inspection at the offices of the Department of Community Development, located at City Hall, 41000 Main Street, Temecula, CA 92590, Chamber of Commerce, located at 26790 Ynez Court, Suite A, Temecula, CA 92591, Ronald Roberts Public Library, located at 30600 Pauba Road, Temecula, CA 92592, and on the City of Temecula website.

G. During the comment period, the City received three written comments on the Draft MND from various agencies, individuals, and organizations and a response to all the comments made therein was prepared, submitted to the Planning Commission, and incorporated into the administrative record of the proceedings.

H. The “Final Mitigated Negative Declaration” (“Final MND”) consists of the Draft MND, response to comments, and all of its appendices and the Mitigation Monitoring and Reporting Program. The Final MND was made available to the public and to all commenting agencies on September 9, 2025, which is at least 10 days prior to certification of the Final MND, in compliance with Public Resources Code Section 21092.5(a).

I. On February 4, 2026, the Planning Commission, held a duly noticed public hearing to consider the Final MND and the Project, at which time the Planning Commission heard and considered information presented by City staff on the Project and its environmental review. In addition, all interested persons had an opportunity to and did testify regarding this matter.

J. Public Resources Code Section 21081.6 requires the City to prepare and adopt a Mitigation Monitoring and Reporting Program for any project for which mitigation measures have been imposed to assure compliance with the adopted mitigation measures. The Mitigation Monitoring and Reporting Program is attached hereto as Exhibit A and is incorporated herein by reference.

K. Following consideration of the entire record of information received at the public hearing and due consideration of the proposed Project, the Planning Commission adopted Resolution No. 2026-07 recommending that the City Council adopt the Final MND and a Mitigation Monitoring and Reporting Program for the Project. The Planning Commission also adopted Resolution Nos. 2026-08, and 2026-09, thereby recommending that the City Council take various actions, including adoption of a Specific Plan Amendment and Conditional Use Permit.

L. Prior to taking action at the noticed City Council public hearing held on July 14, 2026, the City Council has heard, been presented with, reviewed, and considered the information and data in the administrative record, as well as oral and written testimony presented to it during meetings and hearings. No comments or any additional information submitted to the City have produced any substantial new information to support a fair argument requiring additional environmental review or re-circulation of the Final MND under CEQA because no new significant

environmental impacts were identified, nor was any substantial increase in the severity of any previously disclosed environmental impacts identified.

Section 2. Substantive Findings. The City Council of the City of Temecula, California does hereby find, determine and declare that:

A. All of the above recitals are true and correct and are hereby incorporated into this section as though set forth in full.

B. Agencies and interested members of the public have been afforded ample notice and opportunity to comment on the Final MND and on the Project. The Project has been environmentally reviewed pursuant to the provisions of CEQA and the State CEQA Guidelines.

C. The City Council has independently considered the administrative record before it, which is hereby incorporated by reference and which includes the Final MND and all documents therein, the Mitigation Monitoring and Reporting Program, staff reports and presentations, and all oral and written testimony.

D. The City Council has reviewed the Final MND and all comments received regarding the Final MND prior to and at the July 14, 2026 public hearing, and based on the whole record before it finds that: (1) the Final MND was prepared in compliance with CEQA; (2) there is no substantial evidence that the Project will have a significant effect on the environment following imposition of the mitigation that has been proposed and is included in the Mitigation Monitoring and Reporting Program attached hereto as Exhibit "A" and incorporated herein by this reference; and (3) the Final MND reflects the independent judgment and analysis of the City Council.

E. Based on the findings set forth in the Resolution, the City Council hereby adopts the Final MND, and the Mitigation Monitoring and Reporting Program attached hereto as Exhibit "A" and incorporated herein by this reference.

F. The City Council hereby directs staff to file a Notice of Determination as set forth in Public Resources Code section 21152(a).

PASSED, APPROVED, AND ADOPTED by the City Council of the City of Temecula
this 14th day of July, 2026.

Jessica Alexander, Mayor

ATTEST:

Randi Johl, City Clerk

[SEAL]

STATE OF CALIFORNIA)
COUNTY OF RIVERSIDE) ss
CITY OF TEMECULA)
