

**CITY OF TEMECULA
AGENDA REPORT**

TO: City Manager/City Council

FROM: John Crater, Fire Chief

DATE: April 25, 2023

SUBJECT: Adopt the 2023 City of Temecula Emergency Operations Plan

PREPARED BY: Mikel Alford, Emergency Manager

RECOMMENDATION: That the City Council adopt this resolution entitled:

RESOLUTION NO.

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF
TEMECULA ADOPTING THE 2023 CITY OF TEMECULA
EMERGENCY OPERATIONS PLAN

BACKGROUND: The preservation of life, property and the environment are an inherent function of our local government. The 2023 Emergency Operations Plan has been completely rewritten by the City of Temecula's Office of Emergency Management and is consistent with Standardized Emergency Management System (SEMS) and / the National Incident Management System (NIMS). This Emergency Operations Plan (EOP) provides guidance for the City of Temecula's response to extraordinary emergency situations associated with natural, man-made and technological disasters.

This plan does not address ordinary day-to-day emergencies or the established routing procedures used to cope with such incidents. Rather, this plan concentrates on operational concepts and response procedures relative to large-scale emergencies and disasters. While no plan can completely prevent death and destruction, good plans carried out by knowledgeable and well-trained personnel can and will minimize losses. This plan establishes the emergency organization, assigns tasks, specifies policies and general procedures, and provides for the coordination of planning efforts of the various emergency staff and service elements.

The City of Temecula has prepared this Emergency Operations Plan (EOP) to ensure the most effective allocation of resources for the protection of people and property in time of an emergency with the primary objective of this plan being the ability to incorporate and coordinate all facilities and personnel of the city staff into an efficient organization capable of responding effectively to any emergency.

FISCAL IMPACT:

None
