**PREPARED BY:** Amer Attar, Engineering Manager

**RECOMMENDATION:** That the City Council approve the first amendments to annual professional services agreements for geotechnical and materials testing services for the Department of Public Works/Capital Improvement Program (CIP) Division for Fiscal Years 2020-2024, as follows:

Geocon West, Inc.	Geotechnical & Materials Testing Services	First Amendment \$1,000,000 total term
Leighton Consulting, Inc.	Geotechnical & Materials Testing Services	First Amendment \$1,000,000 total term
MTGL, Inc.	Geotechnical & Materials Testing Services	First Amendment \$1,000,000 total term

**BACKGROUND:** On July 23, 2019, the City Council approved professional services Agreements for Geotechnical and Materials Testing Services with Geocon West, Inc., Leighton Consulting, Inc., and MTGL, Inc. Each Agreement covers a period of five years, fiscal years 2020-2024, for an amount not to exceed \$200,000 each fiscal year, for a total agreement amount of \$1,000,000.

Each firm is currently providing services on a variety of CIP projects for the Public Works Department, and as a result we have nearly exhausted the current fiscal year 2021-22 allowance of \$200,000. As such, staff needs to amend each agreement to exclude the annual fixed amount of \$200,000 per fiscal year to avoid delays to ongoing projects. These Amendments will amend the Payment Terms to allow for a total Agreement value, removing the annual allowance that is currently limited to \$200,000 per fiscal year. The original term of the Agreements will remain unchanged and will be in effect through June 30, 2024, unless otherwise amended in the future.

All firms have provided updated Schedule of Hourly Billing Rates for the forthcoming FY 2022-23, included as Attachment “A” to each Amendment.

**FISCAL IMPACT:** Adequate funds are made available in the Capital Improvement Program (CIP) for Fiscal Years 2022-2026, and annual services are funded by the various funding sources approved for each project.
