LONG RANGE PLANNING

General Plan Update

The Long Range Planning Division has developed a four-phase, multi-year process to update the General Plan. Phase I is complete and included updates to Housing and Public Safety Elements. Phase I also included an update to the City's Traffic Impact Analysis (TIA) Guidelines to analyze Vehicle Miles Travelled (VMT) for the California Environmental Quality Act (CEQA). Phase II is in process and includes an update to the Quality of Life Master Plan (QLMP), reconciling the City's GIS Maps on a parcel by parcel basis, a baseline EIR analysis of the City's Circulation Element, and developing a Complete Streets Policy document. Phase III will include a Fiscal Land Use Study to analyze the City's remaining development capacity and market absorption potential for residential, commercial, and industrial development. The final phase is to work with a General Plan Advisory Committee to update to the General Plan and EIR over an 18-month timeframe. **(PETERS)**

Quality of Life Master Plan Update: On April 27, 2021, the City Council established a Blue Ribbon Committee (BRC) to update the Quality of Life Master Plan (QLMP). The QLMP identifies the City's six core values, including: 1) Healthy and Livable City; 2) Economic Prosperity; 3) Safe and Prepared Community; 4) Sustainable City; 5) Transportation Mobility and Connectivity; and 6) Accountable and Responsive City Government. Projects and programs proposed in the City's Annual Operating Budget and Capital Improvements Program must be consistent with the City's Core Values. Performance measures (indicators) are measured annually to track progress and the completion of goals and objectives. The last BRC meeting is scheduled for June 2, 2022. The QLMP is tentatively scheduled for the August 23, 2022 City Council meeting. **(PETERS)**

Expanded Outdoor Dining and Retail in Old Town: Staff brought this item before City Council on June 8, 2021, for further discussion. The City Council directed staff to extend the temporary program for one year

and explore a permanent outdoor dining program. The program expires June 30, 2022. **(PETERS, WATSON)**

Permit Ready ADU Program (LR19-1464): The City received an SB 2 Grant from the State Department of Housing and Community Development (HCD) to prepare, adopt, and implement a Permit Ready Accessory Dwelling Unit (ADU) program. The ADU program will encourage the construction of ADUs, offering property owners a selection of pre-approved ADU building plans that can be obtained at the Community Development Department, free of charge. On September 16, 2020, the RFP closed on PlanetBids. The City received three detailed proposals from qualified consultants. After detailed review of all the proposals, staff selected checkerboardSTUDIOS Consultant Firm. On March 18, 2021, staff kicked off the project with the Consultant and staff from Planning, Building & Safety, Public Works, and Fire. This will be a joined effort between the internal departments and the consultant. Staff is working with the consultant on the first task (Phase 1: Schematic Design), staff has provided feedback of the Schematic Design taking into consideration the School District and Development Impact Fee (DIF) fees, and appropriate unit type and size. On, October 19, 2021, staff presented at the draft site plan and architecture designs to the Southern Riverside County Association of Realtors (SRCAR). On November 30, 2021, staff held an Open House to solicit feedback from the professional community (i.e., Engineers, Contractors, Architects, etc.), the meeting will be open to the public. The Consultant is working on the construction drawings. **(RABIDOU)**

Transportation Discovery and Existing Conditions Analysis (LR20-1071): T The City received an SB 2 Grant from the State Department of Housing and Community Development (HCD) to prepare an internal document for staff to identify potential transportation focused areas as part of Phase 2 of our General Plan Update process and timeline. The City has hired Fehr & Peers (F&P) to document existing transportation conditions in the City, provide benchmarking information on how transportation facilities, transportation use and policies compares to other peer agencies (through benchmarking) and will evaluate how much of the current Circulation Element has been implemented. Staff worked with F&P to identify methodology, thresholds, and mitigation to address VMT for the California Environmental Quality Act evaluation, which the City Council adopted in May 2020. On July 19, 2021, Staff has a scheduled internal meeting with Fehr & Peers, they present to staff the Data Collection Status. Currently, the consultant is developing the three scenario runs to be reviewed by staff prior to conducting a full model run. **(PETERS)**

Mobile Food Trucks (LR20-1472): On February 23, 2021, staff presented to the Economic Development Subcommittee members (ME/JS) on Mobile Food Trucks (MFT). This was a noticed meeting with one public comment in favor of MFT, read by Stuart Fisk. The intent of the meeting was to get the subcommittee's feedback on the potential for MFT to operate in the City. Staff presented the definition of MFTs, existing regulations, standards of operation to consider, and Pros & Cons list. The subcommittee advised staff to create a framework and come back to the committee for discussion. Staff is working on developing the framework. Staff took the draft to Community Development Brainstorming Meeting on May 4, 2022, for review. Revisions necessary. **(COLLINS)**

Animal Ordinance (LR21-0130): An ordinance to consolidate animal keeping into Title 6 of the Municipal Code, comply with SB 573 (microchipping of cats and dogs). Staff presented the draft ordinance to the Planning Commission Municipal Code Maintenance Subcommittee on April 20, 2022 (Hagel, Ruiz), there was support for the draft ordinance, specifically the exemptions provided for. Staff presented the draft ordinance to the City Council Public Safety Subcommittee on April 26, 2022 (Rahn, Alexander) staff was asked to look into the 400-foot setback for beehives, as well modifying large animal keeping setback requirements to be 75-feet from adjacent property line as opposed to adjacent structures. Staff has reached

out to the California State Beekeepers Association for guidance, our 400-foot setback is average when compared to other municipalities bee keeping standards. Staff is working to analyze impacts to property owners if the 75-foot measurement was changed to adjacent property line. The project is scheduled for the May 4, 2022 Planning Commission meeting recommending that the City Council approve the ordinance at the May 24, 2022 City Council meeting. **(COLLINS)**

Shopping Cart Ordinance (LR21-0909): An ordinance to modify Title 9 Public Peace, Morals and Welfare of the Temecula Municipal Code to regulate shopping carts. Shopping carts continue to be left throughout the City, costing taxpayers and businesses money to retrieve, repair or replace these carts. The ordinance proposes mandatory physical measures for all retailers with shopping carts, exemptions provided for, exemptions are invalid for retailers whose carts are found more than 3 times in a 12-month period. Staff presented the draft ordinance to the City Council Public Safety Subcommittee on January 18, 2022 (Rahn, Edwards), direction to staff was to conduct more outreach to businesses, chamber of commerce as well as to present the ordinance to the Planning Commission Commercial Center Subcommittee. Staff hand delivered 82 letters to all businesses within the City, presented the draft ordinance to the Temecula Valley Chamber of Commerce on January 11, 2022 and presented to Planning Commission Commercial Center Subcommittee on February 16, 2022 (Turley-Trejo, Watts), Commissioners were supportive of the ordinance, recommended the framing be as a responsibility and not assign blame. Staff was requested to present again to the Subcommittee's to show outreach efforts and report feedback. Planning Commission Commercial Center is scheduled for June 1, 2022, and City Council Public Safety Subcommittee on July 12, 2022. **(COLLINS)**

Temecula Creek Wildfire Risk Reduction Community Plan (LR21-1331): Temecula applied for and was awarded a \$300,000 grant to develop Temecula's first Community Wildfire Protection Plan (CWPP). The grant has a \$78,000 match (staff time), the remainder is to onboard a consultant to draft the plan. Staff is drafting the Request for Proposals (RFP) and is scheduled to be released for bids on May 23, 2022. **(COLLINS)**

Waves to Wineries: Staff is working with the National Parks Service on the Waves to Wineries Trail Plan. The purpose of this plan is to unite Temecula Wine Country with the Pacific Coast by identifying a network of trails along the Santa Margarita River corridor. **(PETERS)**

HOUSING

Las Haciendas Affordable Housing Project: The City is processing a Development Plan for a 77-unit affordable multi-family housing community consisting of two residential buildings, a community building and tuck-under parking located at 28715 Las Haciendas. The City Council approved a Loan Agreement with Community Housing Works (CHW) for the use of affordable housing tax allocation bond proceeds on May 26, 2020. The developer held a virtual community workshop on July 28, 2020. The item was approved by the Planning Commission on October 7, 2020. An amendment to the Loan Agreement was approved at the April 27, 2021 City Council meeting. A tax allocation application was forwarded to the state in March, 2021. The applicant has submitted Building Permits and Grading Permits. CHW was awarded tax credits in June 2021. The project is under construction. **(RABIDOU, WATSON)**

Vine Creek Disposition and Development Agreement (DDA): City Council approved the DDA with Temecula Pacific Associates on June 25, 2019 for the development of 60 affordable units on City-owned property on Pujol Street. The developer is looking to secure financing from the State of California prior to

construction. The City and developer will collaborate with the County of Riverside and the State Department of Housing and Community Development for additional funding opportunities through the Permanent Local Housing Allocation grant. A tax allocation application was forwarded to the state in March 2021. **(WATSON)**

Housing Element Update (LR18-1620): The City is working with De Novo Planning Group to update the 2021-29 Housing Element. De Novo will also assist with the Regional Housing Needs Assessment (RHNA) process, community engagement, and California Environmental Quality Act. The current Housing Element was certified by the Department of Housing and Community Development (HCD) in 2013 and serves as the foundation for the update. The Housing Element is a required part of the City's General Plan and is a blueprint for meeting the housing needs of residents, at all economic levels, and addressing segments of the population with special needs. The City Council General Plan Ad Hoc Subcommittee, consisting of Council Member Edwards and Mayor Rahn, and the Planning Commission General Plan Ad Hoc Subcommittee, consisting of Commissioners Watts and Turley-Trejo, will serve as advisory bodies.

Running concurrently with the Housing Element Update is the Regional Housing Needs Assessment (RHNA). The RHNA planning cycle is an eight-year cycle and covers October 2021 through October 2029. The Final RHNA allocation was issued in September 2020. Staff is working with the consultant to update data and write draft chapters. A Housing Workshop was held on August 17, 2021, with approximately 12 attendees. The item was recommended for adoption by the Planning Commission at the September 15, 2021, Planning Commission meeting. The Riverside County Airport Land Use Commission (ALUC) and California Board of Forestry and Fire Protection have signed-off on the Housing Element. The item was approved by the City Council on October 12, 2021. The City Council adopted the revised Housing Element on February 8, 2022. Staff has received a comment letter from HCD and will be making recommended changes. **(RABIDOU, PETERS)**

COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG)

M Mortgage and Rental Assistance Program (MRAP): This program will provide rental and mortgage assistance to those eligible recipients who were negatively impacted by COVID-19. Checks are being issued for eligible recipients. Over \$70,000 in funds have been distributed. The program is nearing completion as of May 1, 2022. **(RABIDOU, WATSON)**

Five Year Consolidated Plan: The City is kicking-off an update to the CDBG Consolidated Plan. Workshops were held on October 27, 2021. Citizens and other stakeholders attended the meeting and provided feedback. The survey period concluded in late January 2022. Additional information will be available at TemeculaCA.gov/CDBG. The item was approved by City Council in April 2022. **(RABIDOU, WATSON)**
