

**CITY OF TEMECULA
AGENDA REPORT**

TO: City Manager/City Council

FROM: Erica Russo, Director of Community Services

DATE: May 24, 2022

SUBJECT: Approve Agreement with Temecula Valley Unified School District for Interim Use of Temecula Valley High School Pool Facilities

PREPARED BY: Gwen Willcox, Community Services Manager

RECOMMENDATION: That the City Council approve an agreement with Temecula Valley Unified School District for interim use of Temecula Valley High School pool facilities.

BACKGROUND: The City of Temecula has a robust Aquatics program which provides year-round instructional, recreational, water safety, and competitive programming to the community. This award-winning Aquatics programming is a cornerstone of the City's efforts to improve the health, wellbeing, and safety of its residents. In addition to the City-owned pool at the Community Recreation Center, the City enters into Joint Use Agreements with Temecula Valley Unified School District to share facilities in the interest of better serving the community. For summer swim programs, the City typically utilizes the pools at Temecula Elementary School and Chaparral High School. This summer, the CHS pool will be going under renovation, so in lieu of that facility, the District is permitting the City to utilize the pool at Temecula Valley High School to minimize impacts to busy summer aquatics programming. This agreement will provide for interim use of that facility for the summer of 2022.

FISCAL IMPACT: All costs associated with using the pool through the end of this fiscal year are included in the current annual operating budget. Costs associated with next fiscal year have been included in the FY 2022-23 Annual Operating Budget process.
