2. Consultants who serve in a staff capacity with the City, and in that capacity participate in making a governmental decision by providing information, an opinion, or a recommendation for the purpose of affecting the decision without significant intervening substantive review.
3. Consultants who perform the same or substantially all the same duties for the City that would otherwise be performed by an individual holding a designated position in the City's Conflict of Interest Code.

When the consultant is a corporation, partnership, or limited liability company, only individuals who fit into one of the three categories of “Designated Consultants” described above must file disclosure statements.

Designated Consultant shall report all reportable interests in real property in the jurisdiction; reportable income and business positions; reportable investments; and reportable gifts within the disclosure category applicable to Designated Consultants unless the City Manager determines in writing that a particular consultant is hired to perform a range of duties that is limited in scope and thus is not required to fully comply with the disclosure requirements described in the section. The City Manager's determination is a public record and shall be retained for public inspection in the same manner and location as this Conflict of Interest Code.

** The Mayor, City Council, Members of the Planning Commission, City Manager, City Attorney, and City Treasurer are all required to file disclosure statements pursuant to (Government Code 87200) and are thus not included herein.
