## Statement of Interest

Describe why you wish to serve on this commission, how you have engaged with the City previously (i.e., attending meetings and events, etc.), and why you believe you are qualified for the position. Please be specific.

I would like to serve on this commission as way to give back to the local community. I spent my professional life serving our country at the federal level in both the military and the intelligence community. Now that I'm retired, I would like to use my experience and skills to help the city of Temecula. In the year that my wife and I have lived in Temecula, we have grown to love the community, people and life style of Temecula. I believe that I can bring a fresh perspective to the commission by having seen how other communities meet their local needs. My experience with the federal government has provided me with the experience to understand how to work within a system, expert knowledge of resource management and the ability to work with people at all levels. I have managed efforts from beginning to end and understand how to develop requirements, make resource decision and knowledge of program management principles. I also feel that I can help the commission with my experience in utilizing Temecula community services. I'm an active cyclist and often use the bike trails and lanes. In addition, I've visited many of the parks with my grandchildren to make use of playgrounds and splash pads. In conjunction with Bike Temecula Valley, I attended the opening of newest pump track in Temecula and the opening of the Bike Trail in Old Town, so I'm aware of some of the projects sponsored by the committee. In conclusion, I feel that my previous experience working in government and as an active user of Temecula community services, I would make a good commissioner. Thank you your consideration

## Value Statement

Question applies to multiple boards

**The City of Temecula places a high value on the principles of equity, diversity and inclusion. If appointed, how would you uphold and/or contribute to these principles.**

I feel that equity, diversity and inclusion requires active measures to ensure that all people have the same opportunities to access the resources of Temecula. This requires actively reaching out to all citizens of the city to identify their needs, understand their perspectives and include them in decision making. Including everyone in how the city plans for community services results in a stronger sense of community and trust in the city government. If selected, I would take steps to understand the needs of the community and communicate those to the city government. These steps would include seeking out people from all groups in the city to bring their diverse strengths, abilities, interests and perspectives into city planning.

## Statement of Interest

Describe why you wish to serve on this commission, how you have engaged with the City previously (i.e., attending meetings and events, etc.), and why you believe you are qualified for the position. Please be specific.

---

For over 10 years I have dedicated myself to serving my community in various capacities. I highly believe in the importance of being involved. Although my past and current involvement has mostly to do with children, I feel I am ready and have the experience to now be a part of city level involvement. I'd like to do my part to maintain this beautiful city and to bring fresh ideas to the table. Due to my background, cities I've lived in and different sectors I've worked and volunteered in, I feel I can provide perspectives that represent a wide range of Temecula residents.

---

## Value Statement

Question applies to multiple boards

The City of Temecula places a high value on the principles of equity, diversity and inclusion. If appointed, how would you uphold and/or contribute to these principles.

---

As an individual with a diverse background, I would contribute important perspectives. I am a mother, a wife, a First Generation American, I've worked with children in differentiating cities, I've lived in densely populated urban cities, lived in suburban Temecula for close to 8 years, I've started my own business, been a stay-at-home mom for many years, craved my own path in the ever-changing post Covid world, and have also managed to create little communities for my children to thrive in. Throughout all my endeavors, I've gained knowledge of what communities and the communities within these communities need and have gained many experiences when creating solutions to problems these communities face. My contribution to the City of Temecula would be this knowledge, experience, and versatile creativity.

## Statement of Interest

Describe why you wish to serve on this commission, how you have engaged with the City previously (i.e., attending meetings and events, etc.), and why you believe you are qualified for the position. Please be specific.

---

I wish to serve on the Community Services Commission as I believe it is an essential structure to maintain a high quality of life for our residents. We owe it to those we serve to reflect and evaluate on the question of "What opportunities are we making accessible to enrich their lives and families? This is similarly how I served students and colleagues in the Temecula Valley School District from 1987 through 2022. As a Temecula educator I promoted city programs by: \*Developing the "Participating in Government" Project in which high school seniors attend and report on local government meetings \*Creating opportunities for students to volunteer for local government agencies and non-profits through Community Service Learning Projects \*Bringing groups of students to City Hall year after year to collaborate with the City of Temecula in implementing the Youth in Government Program \*Facilitating groups of educators to attend and participate in multiple City of Temecula Santa's Electric Light Parades and State of the City Breakfasts Additionally on a personal level, my family and I have benefitted from City of Temecula programs such as Aquatics, Breakfast with Santa, City Youth and Adult Recreational Sports Leagues, and Parks and Trails. Most recently, I was a participant in the Temecula 4th of July Parade as a member of the Temecula Valley Bike Coalition and am currently a participant in the City Pickleball Class at Mike Naggar Park. As both a teacher and student of Government, I have on occasion attended City Council and Commission meetings and often view them on-line to keep up with happenings at the city. Through my education and experiences, I have an understanding of local government processes and am highly qualified and well-prepared to serve on the City of Temecula Community Services Commission.

---

## Value Statement

Question applies to multiple boards

**The City of Temecula places a high value on the principles of equity, diversity and inclusion. If appointed, how would you uphold and/or contribute to these principles.**

---

As a Commissioner of Community Services, I would respect and support Resolution 2020-59 which created the Race, Equity, Diversity, and Inclusion Commission. This policy resolution demonstrates that the City of Temecula will build relationships, educate the community, and evaluate policies through these lenses. City Commissions such as the Community Services Commission do not operate in isolation, yet are connected through a network of city and community structures to promote cohesiveness. I would seek to build relationships with others across the city, including the Race, Equity, Diversity, and Inclusion Committee and support their work. As a career educator, I worked with a diversity of students and teachers who came from a variety of races, cultures, and perspectives. I always sought to promote a climate of respect in which all voices were heard and valued. Public Education is a microcosm of our city with much diversity in a K-12 school district as well as its' teaching force. I view my duty as a Commissioner to ensure all interests are heard and the decision making process includes consideration of the stated principles of equity, diversity, and inclusion.

## Supervisor Chuck Washington Third District

October 26, 2021

To the Honorable Temecula City Council,

I am pleased to recommend Mr. Jeff Kingsberg to an appointment to the Temecula Community Services Commission.

I am quite familiar with Mr. Kingsberg's exemplary work as a longtime educator in our community. He taught History-Social Science at both Temecula Valley and Chaparral High School for twenty-seven years. As a Temecula City Councilman, I had the opportunity to visit his classroom several times and speak with his students. It was clear to me they were learning about government processes in an engaging and motivating learning environment.

Jeff was instrumental in developing student opportunities to immerse themselves in the study of both local and national government. The "Participating in Government Project" has encouraged Temecula students to attend both city council and school board meetings for the last three decades. I worked with Jeff over the years through the "Youth in Government" program at city hall, in which high school seniors shadowed city staff and then enacted a mock city council meeting. His students at Chaparral High participated in "We the People: The Citizen and the Constitution," a mock congressional hearing competition, demonstrating their understanding of the United States Constitution and the Bill of Rights. Jeff's leadership at Chaparral High contributed to the school receiving one of twelve statewide Civic Learning Awards from the State of California Courts in 2014.

More recently, Jeff has served as the elected President of the Temecula Valley Educators Association, or TVEA. Under Jeff's leadership, TVEA has grown as a community nonprofit organization. Since 2017, TVEA has been a member of the Temecula Valley Chamber of Commerce. TVEA has volunteered for and participated in events such as the Susan Komen Race for the Cure, Temecula Dollars for Scholars, The Temecula Educational Foundation Taste of Temecula, community food, clothing and toiletries collections, and their own "Fun 2B Fit" 5K and Children's Fitness Event.

Jeff is highly respected among the teachers and specialists across the Temecula Valley Unified School District. He communicates effectively with TVUSD Administration and the Governing Board. Jeff is industrious, meticulous, pragmatic and collaborative. He will strive for the common community good and work cooperatively with all stakeholders within the City of Temecula.

Sincerely,

Chuck Washington  
Riverside County Third District Supervisor

Jeff Kingsberg's Advanced Placement Government and Politics class from Chaparral High School outscored three San Diego area teams in winning the We the People: The Citizen and the Constitution Mock Congressional Hearing Competition at Grossmont College in El Cajon on Dec. 18.

Six student teams prepared four-minute statements and then responded to questions from judges on themes ranging from "What are the Historical and Philosophical Foundations of the American Political System" to "What Challenges Might American Democracy Face in the Twenty-First Century". Student teams are scored on providing supporting evidence including constitutional application and balanced participation. This is Chaparral's fifth Regional Championship since 2006 and the team now qualifies for the California State Finals in Bakersfield on Feb. 7-8.

The students are Kat Alvarado, Ahmad Baiyasi, Stephanie Baker, Rachel Budd, Rachel Bushrow, Triston Carter, Carina Correo, Brianna Espinosa, Colin Ford, Karissa Frazier, Claire Gatzke, Megan Harless, Juan Herrera, Zachary Hunter, Jake Johnson, Taryn Kelley, Audrey Kelley, Sydney Kingsberg, Haley Knapp, Henry Lee, Michael Lyons, Ali Malik, Sydney Nanton, Kaela Nichols, Avalon Penrose, Morgan Eckel, Lauren Schlansky,

Bailey Sprague, Kyle Thomas, Andrew Tran, Zachary Varnam, Martin Verde and Emily Wilcox.

## Civic Learning Highlights

Chaparral High School's Participating in Government Project program helps students to increase awareness of and involvement in, local government issues that allow students to become

participants in the democratic process. Chapparral also offers an academic curriculum/extracurricular student club called We the People: The Citizen and the Constitution as a part of its AP Government and Politics classes. The program engages students to seek a deeper understanding of the US political system. Lastly, the Students Against Destructive Decisions (SADD) provides students with the best tools to cope with issues such as underage drinking, drug use, and teen suicide. It's goal is to inform, educate, support, and empower young people to make positive decisions.

## Research-Based Civic Education Practices

This school demonstrates the following research-based best practices in civic education. For more information on research-based best practices, visit the [Campaign for the Civic Mission of Schools](#) website.

- Provide instruction in government, history, law and democracy, and avoid teaching only rote facts about dry procedures.
- Discuss current local, national and international issues and events in the classroom, particularly those that young people view as important to their lives.
- Conduct community service that is linked to the formal curriculum and classroom (Service-learning).
- Offer extracurricular activities that provide opportunities for young people to get involved in their schools or communities.
- Encourage students' participation in simulations of democratic process and procedures such as voting, trials, legislative deliberation, and diplomacy.

## Statement of Interest

**Describe why you wish to serve on this commission, how you have engaged with the City previously (i.e., attending meetings and events, etc.), and why you believe you are qualified for the position. Please be specific.**

I have resided in the city of Temecula since the beginning of 2017. By late 2017 I was actively using many of the community services offered to residents of Temecula. Since then I have frequently visited parks, used programs at the community center for my kids and enjoyed the many events the city puts on. In 2022 alone I have attended nearly every event put on by the city with my family. I absolutely love the community feeling I get at these events, and I'm so glad I get to raise my kids in Temecula, from birth until they go off to college. I feel like I'm qualified for this position because of the fact that I have a young family who utilizes many community services, and I've built extensive friendships with others in similar positions throughout Temecula. I will fight to bring more services to underserved parts of our community, like Districts 1 and 4.

I will seek advice from those who have been on the commission for several terms and make choices that serve all residents of the community. I will consider any agenda items put before the commission with great care and research to make sure it's the best thing for our community.

To Whom it may Concern,

I would like to send a letter of recommendation for Ashley Matics for the Temecula Community Services Commission. I have worked alongside Ashley on the Executive Board of the Temecula Valley Mothers of Multiples for the last 4 years. In every position Ashley has held-whether it was President, Vice President, Membership, and so on- she has modeled exemplary skills in many areas. Her thoroughness, time management, task prioritization, and execution are above the board and she set a high standard for the rest of the board members. She is naturally a go getter and eager volunteer, not only in our club but in the community as a whole. TVMOM planned a weekend long Southern California convention last Fall (2021) and Ashley was at the forefront of all the planned activities. Her leadership led to a very successful weekend in which a substantial amount of money was raised for philanthropic purposes in our local community. The convention wouldn't have been as successful without her. Some of the positions she has held in the recent years are:

- Editor, 2018-2019
- Membership Chair, 2019-2022
- President, 2019-2021
- Vice President, 2021-2023
- State & National Rep, 2021-2023

With full confidence, I would like to recommend Ashley Matics for all she offers to the community of Temecula. She would be a tremendous asset to our town, just as she has been in every role she has held previously.

Thank you for your time.

Sincerely,  
Katie Hensley  
Temecula Valley Mothers of Multiples  
President 2022

To whom it may concern,

My name is Justine and I am proud to offer my recommendation of Ashley Matics, to whom I have personally known for three years as my friend and fellow board member of Temecula Valley Mothers of Multiples.

During my relationship with Ashley, I have experienced an individual who shows up earlier than asked, works hard, and carries themselves in a polite and respectful manner. In addition, Ashley is a family person who has always presented themselves with a levelheadedness and kind demeanor.

I have 2 sets of twins and during particular rough morning, I reached out to my club for help and support. Among the members that out poured so much love and support during my time of need. Ashley was the one that came to my home and helped me with my children so I could have some time to myself. Taking her triplets and my four boys on a walk so this tired mother could shower. I will never forget that.

Ashley will be a great addition to any team, please do not hesitate to contact me if you should require any further information

To Whom It May Concern:

It is my pleasure to recommend Ashley Matics for a position on the Temecula Community Services Commission.

I have personally known Ashley since 2017 when she joined the Temecula Valley Mothers of Multiples (TVMoM), a local 501(c)(3) service club with a forty year history. Ashley quickly became involved with the club, attending and hosting meetings and supporting the board. Ashley's first elected position with TVMoM was Editor of our monthly newsletter. She consistently put out a quality newsletter, writing her own articles and coordinating submissions from other members. Ashley was excellent at staying on top of the deliverables in this role and taking the lead to keep other members on schedule.

Ashley continued to demonstrate her skillset for project management in subsequent roles including Membership Chair, Vice President and President. Expanding beyond our local club, Ashley became involved with the regional organization Southern California Mothers of Multiples Clubs (SCMOMC) where she was elected to the position of State and National representative. In this position she ensures that the voice of SCMOMC and its member clubs are represented at meetings with other clubs in the state and with the national organization Multiples of America.

I have been consistently impressed with Ashley's dedication, productivity and quality of output. With those qualities combined with her passion and commitment to the betterment of our community I am positive that if given the chance Ashley will quickly become an integral member of the Community Services Commission and make the best decisions for the City of Temecula.

Thank you for your consideration,

To Whom It May Concern,

I am writing this letter in regards to Ashley Matics. I have been on the board of a not-for-profit organization with her for the past 4.5 years. The skills and energy she brings to anything she does is outstanding. She has always been dedicated to helping people and brings a positive attitude to any and all tasks she commits to. Ashley is reliable and meets deadlines and helps out whenever we needed. She has always stepped up to help me complete tasks like a true team member.

Personally, I love how she has no fear in tackling problems and projects that most people would never do. Her personality shines out in everything she does. She has proven to be a huge asset in our organization as well as in my life. She is always willing to lend a hand when needed. When our organization was struggling to stay afloat, she stepped in and took over as President to keep it going. She has held numerous positions for the Temecula Mothers of Multiples as well as for the Southern California Mothers of Multiples. She has proven that there isn't anything she can't handle.

Thank you for your time.

Sincerely,

Robyn Samuelson Dodd

Treasurer of Temecula Valley Mother of Multiples

## **Statement of Interest**

**Describe why you wish to serve on this commission, how you have engaged with the City previously (i.e., attending meetings and events, etc.), and why you believe you are qualified for the position. Please be specific.**

I have been a working mom in Temecula for over 15 years. I moved to Temecula with my husband to give our first child a safe and engaging community to grow up in. Because of our work and commuting schedules we were limited to participating in activities and events that occurred in the evenings or on weekends. We made that work and enjoyed the classes and events that were available to us. Our second child came along in 2010, and not long after that I started my own home business so I could be home with my children while continuing to work in the field I loved. Taking the commuting issue out of my schedule freed me up to participate in more aspects of our city. I have volunteered for several organizations over the years including the PTA, Temecula Valley Players, and Temecula Moms Demand Action for Gun Sense in America. I have attended many City Council, TVUSD School Board, and REDI Commission meetings. I have attended city events like the Street Painting Festival, the 4th of July Star Spangled Parade, 4th of July Family Fun and Fireworks, Art Off the Walls, and the Tree Lighting Ceremony at the Duck Pond. I have participated in Santa's Electric Light Parade a few times with my child's Girl Scout Troop and also with Temecula Moms Demand Action (TMDA). I'm proud to say TMDA got the 2nd Place Award for marchers in 2018. I also ran a booth for TMDA at the Health and Community Resource Fair in 2019 to educate the community about gun safety. I participated in Reality Rally a few times. I helped Temecula Valley Players manage stations for a couple years, and then I participated on a team in 2019. Because of my years of involvement with Temecula Valley Players, I would have to say the community theater is the nearest and dearest Temecula amenity to my heart. I have made many good friends and memories through the community theater. All in all I have tried to stay socially active in the City of Temecula and enjoy the benefits of living in such a great community. My wish to serve on the Community Service Commission is to be an advocate for working parents and to implement engaging programs and activities that benefit the diverse population that Temecula has become.

## Value Statement

Question applies to multiple boards

**The City of Temecula places a high value on the principles of equity, diversity and inclusion. If appointed, how would you uphold and/or contribute to these principles.**

---

Equity, diversity, and inclusion are core values for me. I have been a preschool teacher for over 25 years, and I have always taught the children in my care to be kind, fair, and honest. I want to live in an inclusive society free of racism, xenophobia, anti-LGBTQIA sentiment, misogyny, and antisemitism. If selected for this commission, I would work to create a safe space for all residents, especially the LGBTQIA residents. I believe we can change hearts and minds through dialogue and understanding. We are all human no matter what we look like, where we come from, who we love, our educational background, and our socioeconomic status, and I believe that if we all get to know each others' stories we can make the community better and stronger.

Letter of Recommendation for Tammy Meyer to be appointed to the Community Services Commission

Dear City Council Members:

I am honored to write a letter of recommendation for Tammy Meyer as a Community Services Commissioner. My husband and I have lived in Temecula for 24 years and raised our two sons here. I am a Licensed Clinical Social Worker and currently a Deputy Director with Riverside County Department of Public Social Services, where I have worked for 23 years.

I have known Tammy Meyer for over four years and can confidently say she is a person of impeccable character. Mrs. Meyer is an excellent candidate for the Community Services Commission as she has worked faithfully to better our community. Tammy has long been an advocate for parents and families and all of our diverse residents. She is a business owner; operating her home-based childcare business for over 11 years. Tammy and I have worked together on many projects including our local Temecula Moms Demand Action group where we have coordinated tabling at events, rallies, and postcard parties. Tammy is very organized and detail-oriented while also seeing the big picture and staying focused on long-term outcomes. Tammy has a particular knack for outreach and communication which would benefit her greatly as a Commissioner.

Tammy and her family have lived in this beautiful community for over 15 years and her children have benefitted from our top ranked public schools. Tammy is the mom of an LGBTQIA child and has a passion to ensure Temecula is an inclusive, welcoming environment for all. She has been an active participant in our community and has formed relationships with many people who care about the well-being of Temecula.

I recommend Mrs. Tammy Meyer for the Community Services Commission without hesitation. Should you have any questions, please feel free to contact me at [REDACTED]

Sincerely,

Allison Donahoe-Beggs, LCSW

**Describe why you wish to serve on this commission, how you have engaged with the City previously (i.e., attending meetings and events, etc.), and why you believe you are qualified for the position. Please be specific.**

I first became interested in public service as a High Schooler here in Temecula. I served on the Temecula Teen Council at the Community Recreation Center, where I worked to plan youth-related attractions and events for Temecula Residents. When my A.P. Government teacher asked me to attend the City's Participation in Government Day, I did so. I became fascinated observing the workings of local government, which inspired me to study political science in college and, more specifically, the workings of local government in Graduate School. As a consultant with Ascendance Strategies, I have worked with several municipalities across the county, helping cities improve their communication, responsiveness, and effectiveness. Now that I have returned to Temecula, I hope to combine my education, service history, and experience by serving the City of Temecula. There are not many places quite like Temecula, and I hope that with my service, the City of Temecula can continue to be a shining example of what life in Southern California can be.

## **Value Statement**

Question applies to multiple boards

**The City of Temecula places a high value on the principles of equity, diversity and inclusion. If appointed, how would you uphold and/or contribute to these principles.**

When asked why the American Colonies needed their independence, Benjamin Franklin answered we have become a new people, we need a new nation.” Diversity is deeply rooted in our American tradition. The melting pot of people and ideas has perpetually redefined the American experience. I attended a university that prided itself on promoting diversity. As a member of the Orientation Team and Chairman of the Associated Students Board of Directors, my job was to include and engaging students of all perspectives and experiences. As a small business owner, I understand the value of different experiences and beliefs. I have learned that the best ideas, are ideas which have been challenges and tested.

### Education and Employment

**List Educational Background (Degrees, Licenses, Certificates, etc.). State "see resume" if attaching a resume with this information at the end of this application.**

---

High school graduate, some college, specialty college - chiropractic assistant college, continuing education courses for chiropractic assistant.

**List Employment History for Five Years (Employer Name and Address, Position Title, Primary Responsibilities). State "see resume" if attaching a resume with this information at the end of this application.**

---

Worked with a doc in the valley here for 25 and a half years. I was let go for not getting the vaccine. If this position requires masks and/or vaccine proof then I won't be eligible.

---

## **Service Experience**

**List Previous City/County/State Board/Committee/Commission Service (Name of Entity, Positions Held, Years of Service). State "see resume" if attaching a resume with this information at the end of this application.**

---

Always involved with service...nothing necessarily "organized". I serve others by doing random acts of service for them.

**List Organizational Service (Professional, Technical, Volunteer, Non-Profit, Service Clubs) (Name of Group, Positions Held, Years of Service). State "see resume" if attaching a resume with this information at the end of this application.**

---

## **Statement of Interest**

**Describe why you wish to serve on this commission, how you have engaged with the City previously (i.e., attending meetings and events, etc.), and why you believe you are qualified for the position. Please be specific.**

---

I'm involved in "city based" events by virtue of service I do with the church organized projects that we do as well as the service projects/events GOHS does. I'm in there getting my hands "dirty" along side my husband.

## **Value Statement**

Question applies to multiple boards

**The City of Temecula places a high value on the principles of equity, diversity and inclusion. If appointed, how would you uphold and/or contribute to these principles.**

---

I may be the odd one out and I may not be "politically correct" here but I don't exclude anyone from anything. So, I'm not sure what "other way" there is but to include everyone. I put on a Ladies Christmas Social every year in my home (this is year 15!!) and there are all walks of life invited and attend. I don't discriminate for any reason. I apply equity, diversity and inclusion in my own personal life so nothing will change if I'm appointed to the Board.
