

**CITY OF TEMECULA
AGENDA REPORT**

TO: City Manager/City Council

FROM: Kevin Hawkins, Director of Community Services

DATE: February 12, 2019

SUBJECT: Approve a Cooperative Agreement with the Heart of Temecula LEO Club in Support of Facility Use (Ronald H. Roberts Temecula Public Library)

PREPARED BY: Lisa Waterman, Senior Administrative Assistant

RECOMMENDATION: That the City Council approve the Cooperative Agreement with the Heart of Temecula LEO Club in support of facility use (Ronald H. Roberts Temecula Public Library).

BACKGROUND: LEO (“Leadership, Experience, Opportunity”) clubs, part of the Lions Club International, encourage youth to develop leadership skills through participation in social service activities. The Temecula Lions Club sponsors the Heart of Temecula LEO Club, which is the high school component of the Temecula Lions Club.

The Heart of Temecula LEO Club provides a program called *Teens Teaching Tech*. This program offers free technology assistance to anyone interested in learning more about how to use personal technological devices. The program is meant to aid parents and grandparents in understanding their technology through one-on-one tutoring with high school students. The high school students are from various high schools in Temecula and Murrieta. All student members undergo an interview process to ensure that they have the knowledge required to answer questions and the patience to impart their knowledge to others. A Temecula Lions Club member is required to attend all LEO events and meetings. Teens Teaching Tech classes are offered the first Tuesday of every month at the Ronald H. Roberts Temecula Public Library and are open to the public.

FISCAL IMPACT: Total facility use in-kind costs valued at \$500 annually have been allocated in the TCSD Fiscal Year 2018-19 Annual Operating Budget.
