

**CITY OF TEMECULA  
AGENDA REPORT**

**TO:** City Manager/City Council

**FROM:** Patrick Thomas, Director of Public Works/City Engineer

**DATE:** February 12, 2019

**SUBJECT:** Approve the First Amendment to the Agreement for Consultant Services with T.Y. Lin International for the French Valley Parkway/I-15 Improvements – Phase II, PW16-01

---

**PREPARED BY:** Amer Attar, Principal Civil Engineer  
Kendra Hannah-Meistrell, Senior Civil Engineer

**RECOMMENDATION:** That the City Council approve the First Amendment to the Agreement for Consultant Services with T.Y. Lin International, in the amount of \$54,760, for the French Valley Parkway/I-15 Improvements – Phase II, PW16-01.

**BACKGROUND:** This First Amendment to the Agreement for Consultant Services with T.Y. Lin International is for the preparation and submittal of an application and supporting documentation for a fiscal year (FY) 2019 U.S. Department of Transportation (USDOT) Infrastructure for Rebuilding America (INFRA) Grant for the French Valley Parkway/I-15 Improvement Project – Phase II, PW16-01.

The Nationally Significant Freight and Highway Projects (INFRA Grants) program provides federal financial assistance to highway and freight projects of national or regional significance. To maximize the value of FY 2019 INFRA funds, the USDOT is focusing the competition on transportation infrastructure projects that support four key objectives:

1. Supporting economic vitality at the national and regional level;
2. Leveraging federal funding to attract other non-federal sources of infrastructure investment;
3. Deploying innovative technology, encouraging innovative approaches to project delivery, and incentivizing the use of innovative financing; and
4. Holding grant recipients accountable for their performance.

The Notice of Funding Opportunity for INFRA grants for FY 2019 funding was opened on January 7, 2019. Applications must be submitted by 8:00 p.m. EST on March 4, 2019. INFRA grants may be used for up to sixty percent of future eligible project costs.

City staff requested T.Y. Lin International to provide a proposal for preparation and submittal of the application for the INFRA Grant. The project to be submitted for the funding opportunity is Phase II of the French Valley Parkway/I-15 Improvements project. The total estimated cost of the project included in the grant application is approximately \$108,000,000.

**FISCAL IMPACT:** The French Valley Parkway/I-15 Improvements – Phase II project is included in the City’s Capital Improvement Program (CIP) Budget for Fiscal Year 2019-23. The project is funded with General Fund, Measure S, TUMF (WRCOG), TUMF (CETAP/RCTC), SAFETEA-LU, and STIP. Adequate funds are available in the project accounts to cover the First Amendment amount of \$54,760, for a total Agreement amount of \$4,328,083.
