

**CITY OF TEMECULA  
AGENDA REPORT**

**TO:** City Manager/City Council

**FROM:** Kevin Hawkins, Director of Community Services

**DATE:** October 8, 2019

**SUBJECT:** Approve a Cooperative Agreement with the Heart of Temecula LEO Club in Support of Facility Use (Ronald H. Roberts Temecula Public Library)

---

**PREPARED BY:** Lisa Waterman, Senior Administrative Assistant

**RECOMMENDATION:** That the City Council approve the cooperative agreement with the Heart of Temecula LEO Club in support of facility use (Ronald H. Roberts Temecula Public Library).

**BACKGROUND:** LEO (“Leadership, Experience, Opportunity”) clubs, part of the Lions Club International, encourage youth to develop leadership skills through participation in social service activities. The Temecula Lions Club sponsors the Heart of Temecula LEO Club, which is the high school component of the Temecula Lions Club.

The Heart of Temecula LEO club launched their first Teens Teaching Tech program on November 11, 2017. It was so well attended that a partnership with the Ronald H. Roberts Temecula Public Library and the City of Temecula quickly followed establishing ongoing monthly classes at the Library. The program has proven to be viable and important to the community. An average of 16 citizens, mostly seniors, participate in each monthly event. The program receives very positive feedback from attendees who have gained invaluable knowledge and instruction on the use of cell phones, tablets, computers and other devices. Both attendees and student volunteers have found the classes to be enriching, and have enjoyed this no-pressure, one-on-one technology assistance program.

Staff would like to continue the program by offering monthly classes at the Ronald H. Roberts Temecula Public Library through 2020.

**FISCAL IMPACT:** Total facility and in-kind costs valued at \$500 annually have been allocated in the TCSD Fiscal Year 2019-20 Annual Operating Budget.

**ATTACHMENTS:** Cooperative Agreement
