

**PC DRAFT RESOLUTION
SPECIFIC PLAN AMENDMENT**

PC RESOLUTION NO. 19-

**A RESOLUTION OF THE PLANNING COMMISSION OF
THE CITY OF TEMECULA RECOMMENDING THAT
THE CITY COUNCIL ADOPT A RESOLUTION ENTITLED
“A RESOLUTION OF THE CITY COUNCIL OF THE CITY
OF TEMECULA APPROVING AMENDMENT NO. 5 TO
THE RORIPAUGH RANCH SPECIFIC PLAN (SP 11)
(PLANNING APPLICATION NO. PA 19-0408)”**

Section 1. Procedural Findings. The Planning Commission of the City of Temecula does hereby find, determine and declare that:

A. The City Council of the City of Temecula certified the Roripaugh Ranch Specific Plan Final Environmental Impact Report (“FEIR”) on December 17, 2002.

B. The Roripaugh Ranch Specific Plan (Specific Plan No. 11) was approved by the City Council on November 26, 2002 by the adoption of Resolution No. 02-112. Amendment No. 1 to the Roripaugh Ranch Specific Plan (SP 11) was approved on January 11, 2005 by the adoption of Resolution No. 05-08. Amendment No. 2 to the Roripaugh Ranch Specific Plan (SP 11) was approved on February 28, 2006 by the adoption of Resolution No. 06-02. Amendment No. 3 to the Roripaugh Ranch Specific Plan (SP 11) was approved on March 8, 2016 by the adoption of Resolution No. 16-17. Amendment No. 4 to the Roripaugh Ranch Specific Plan (SP-11) was approved on January 23, 2018 by the adoption of Resolution No. 18-08. The Roripaugh Ranch Specific Plan as originally approved and as amended by Amendments Nos. 1-4 shall be referred to in this Resolution as the “Specific Plan”.

C. On March 8, 2019, Woodside Homes and Wingsweep Corporation filed Planning Application No. PA19-0408, a Specific Plan Amendment in a manner in accord with the City of Temecula General Plan and Development Code.

D. The Project was processed including, but not limited to a public notice, in the time and manner prescribed by State and local law.

E. On November 20, 2019, the Planning Commission of the City of Temecula held a duly noticed public hearing on the proposed Addendum No. 5 to the Roripaugh Ranch Final Environmental Impact Report and proposed Amendment No. 5 to the Roripaugh Ranch Specific Plan (SP 11) at which time all persons interested in these actions had the opportunity and did address the Planning Commission.

F. After hearing all written and oral testimony on the proposed actions and duly considering the comments received, the Planning Commission adopted Resolution No. 19-recommending to the City Council that the Addendum No. 5 to the Roripaugh Ranch Final Environmental Impact Report be approved. Resolution No. 19- is hereby incorporated herein by this reference as if set forth in full.

G. All legal preconditions to the adoption of the Resolution have occurred.

Section 2. Further Findings. Pursuant to Temecula Municipal Code Section 17.16.020, the Planning Commission, in recommending that the City Council approve Amendment No. 5 to the Specific Plan hereby finds, determines and declares that:

A. The proposed specific plan amendment is consistent with the general plan and development code.

The Roripaugh Ranch Specific Plan discusses, at length, the consistency between the Specific Plan and the General Plan. Amendment No. 5 to the Specific Plan does not make any material changes to the Specific Plan that would impact the consistency findings set forth in the Specific Plan. The findings of consistency contained in the Roripaugh Ranch Specific Plan are applicable and are incorporated herein by this reference. The General Plan's Land Use Element Goal 1 is to have a complete and integrated mix of residential, commercial, industrial, recreational, public and open space land uses. The Roripaugh Project creates unified, cohesive neighborhoods, and a neighborhood-level commercial center. In addition to these land uses, the Roripaugh Project provides neighborhood amenities, as well as open space, schools and recreational facilities. Amendment No. 5 to the Specific Plan is also consistent with the City's development code because the City will require that all new construction comply with the City's design and building standards.

B. The proposed specific plan amendment would not be detrimental to the public interest, health, safety, convenience or welfare of the city.

Amendment No. 5 to the Specific Plan would not be detrimental to the public interest, health, safety, convenience or welfare of the City because the Specific Plan clearly defines land uses, and establishes development standards, regulations and building criteria for each land use type. These regulations, which include land use intensities, setback requirements, lighting and landscaping standards, and signage regulations, contribute toward the protection of proposed residential neighborhoods in the area as well as some reduction of possible negative impacts to adjacent properties.

C. The subject property is physically suitable for the requested land use designations and the anticipated land use developments.

The subject property area has already been rough graded and erosion control/water quality management improvements were installed on site except in the habitat conservation area to be preserved along the Santa Gertrudis Creek for the land uses identified by the Roripaugh Ranch Specific Plan. Therefore, the property is physically suitable for the anticipated land use developments.

D. The proposed specific plan amendment shall ensure development of desirable character which will be compatible with existing and proposed development in the surrounding neighborhood.

Amendment No. 5 to the Specific Plan shall ensure development of desirable character which will be compatible with existing and proposed development in the surrounding

neighborhood. The lot sizes within the Specific Plan area are not changing from what was previously approved which allows the character of the neighborhood to remain.

Section 3. Recommendation. The Planning Commission of the City of Temecula hereby recommends that the City Council adopt a resolution approving Specific Plan Amendment No. 5 to the Roripaugh Ranch Specific Plan in substantially the same form as attached hereto as Exhibit "A".

PASSED, APPROVED AND ADOPTED by the City of Temecula Planning Commission this 20th day of November, 2019.
