In accordance with the City of Temecula Records Retention Schedule approved by City Council (CC Resolution No. 20 -), the City records, documents, instruments, books or papers, described and listed above, have reached or exceeded the legal retention period, are permanently imaged, do not have a litigation hold, and are otherwise no longer required to be retained by the City. The department records are retained in accordance with applicable federal and state laws as set forth in the City of Temecula's current retention schedule. In accordance with the City's Records Management Program, with the consent of the Department Head, and upon written approval of the City Clerk and the City Attorney, these records will be properly destroyed or disposed of.

RECORDS WITH A PERMANENT RETENTION:

Authorization to destroy permanent records after imaging as listed on the current retention schedule:

(Historical documents, vital records, documents involved in litigation or pending audit will not be destroyed).

√ Imaging and indexing of these records have been quality checked

√ Images have been stored in the City's Imaging System

√ The imaged record becomes the official original record of the City and will be held in accordance of the City's Retention Schedule
