Interest

Describe why you wish to serve on this commission, how you have engaged with the City previously (i.e., attending meetings and events, etc.), and why you believe you are qualified for the position. Please be specific.

I have lived in Temecula valley my entire life and look forward to participating and giving back to a community that truly is among the best in Southern California. As the valley continues to grow and attract visitors as well as residents in the coming decades I believe my experience throughout diverse communities in Southern California would be a asset to our city government.

Pi Sigma Alpha Member- National Political Science Honor Society (2005): National Political Science Honor Society, is the only honor society for college and university students of political science in the United States. Its purpose is to recognize and promote high academic achievement in the field of political science. It is a member of the Association of College Honor Societies (ACHS) and adheres to all the standards set by ACHS for an upper-division, specialized honor society. Pi Sigma Alpha is not a social fraternity or club. PI Alpha Alpha Member- Global Honor Society for Public Affairs and Administration (2016): Pi Alpha Alpha is the Global Honor Society for Public Affairs and Administration. There are more than 160 chapters located around the world at NASPAA member schools. Pi Alpha Alpha is run by NASPAA: The Global Standard in Public Service Education and is directed by a National Council of 14 members. The National Council includes a president and vice president, each of whom serve 2 year terms, and officers are elected at the biennial meeting at the NASPAA annual conference. The purpose of Pi Alpha Alpha is to encourage and recognize outstanding scholarship and accomplishment in public affairs and administration. Its objectives, such as fostering integrity, professionalism, and effective performance, promote the advancement of quality in the education and practice of the art and science of public affairs and administration. PAA membership identifies those with the highest performance levels in educational programs preparing them for public service careers. Robinson Street HOA - San Diego, CA - President (5 Years, 2 Months) MMA Academy - San Diego, CA - Instructor (7 years): Certified Krav Maga Worldwide Instructor. Over 100 hours of volunteer classroom experience in Krav Maga and fitness instruction. Instructor of the year 2013.

Interest

Describe why you wish to serve on this commission, how you have engaged with the City previously (i.e., attending meetings and events, etc.), and why you believe you are qualified for the position. Please be specific.

I was excited to see openings on the Community Services Committee and the Public/Traffic Safety Commission. As someone with a diverse body of professional and academic experience, I believe that I thrive on working with small groups to produce responsible solutions. These appointments also caught my eye because of my professional experience within the public, private, and nonprofit sectors. I earned a Bachelor's Degree in Political Science from San Diego State in 2005 and began working for publicly-traded bio-pharmaceutical company Arena Pharmaceuticals. After a nine-year run as Senior Trademark Paralegal, I decided to fully commit to public service and earned a Master's Degree in Public Administration from California State University, San Bernardino (16'). During my time in graduate school, I served as an Intern for the City of Temecula. In 2016, I was hired by the Inland Empire Economic Partnership to lead a team that implemented business development strategies and forged relationships with Inland Empire executives, coordinated several large scale events, created content for social media channels, studied market research, delivered presentations, drafted press releases, maintained the company's website, analyzed and interpreted statistical data, tracked local and state legislation, designed content for quarterly newsletters in order to better communicate the effectiveness of the organization's efforts in business, educational, and workforce development to stakeholders. In 2017, I took a job with the City of Riverside's Public Utility. I currently maintain a network of small, medium, and large business accounts across every major sector. I enjoy establishing relationships that develop into mutually beneficial partnerships. My passion is helping business owners grow their businesses using the tools available to them from their local government. I am especially proud of my team's work to design energy and water efficiency programs that expand and retain business throughout the City of Riverside. Finally, I am a local homeowner, father, and husband. My goal is to contribute my energy and passion for public service to meaningful work within my own community.

TYLER J. BOOTH

Summary

Over 15 years of private, public, and nonprofit sector experience. Superior record of successful customer and community engagement. Adept at working with a wide variety of commercial and governmental demographics including private businesses, public sector organizations, higher education institutions, large retailers, restaurants, non-profit organizations, economic development corporations, and public utility customers.

Education

Master of Arts: Public Administration (MPA)

2016

California State University, San Bernardino

Bachelor of Arts: Political Science

2005

San Diego State University, San Diego

Professional Experience

City of Riverside Public Utilities – *Utility Programs and Services Representative* (July 2017-Present)

Account Manager to manufacturers, restaurants, grocery stores, small business, residential, non-profit organizations, and solar customers on behalf of the Riverside's Public Utility Department (RPU).

- Conducting public outreach on key energy issues, helping residential and large commercial customers resolve utility issues, deploying strategic outreach methods to assist RPU in meeting energy conservation mandates, administering utility-wide energy/water efficiency incentive programs, and building strategic relationships with large commercial stakeholders
- Advising Riverside Economic Development Department on matters of physical readiness of customer sites, utility costs, utility incentives, transportation (fleet) electrification, and economic development rates
- Designing, managing, and monitoring the implementation of emerging technology programs – Solar, EV Charging, and Battery Storage
- Representing the Public Benefits and Customer Engagement Division at community events, speaking engagements, education seminars, and assisting RPU executives with programmatic expertise

Inland Empire Economic Partnership (IEEP) - *Business Engagement Specialist* (June 2016- June 2017)

Liaison to the Inland Empire's largest private businesses, C-level executives, public sector organizations, elected officials, and higher education institutions on behalf of the region's only two-county economic development organization.

- Increased total membership by 25% - Collected over \$502,000 in annual membership dues (2016)
- Member of Linked Learning's Work-Based Learning Action Team – Created workforce development pathways to expose, train, and employ students in the Inland Empire's largest business sectors

Evaluated and overhauled the organization's marketing strategy- added social media campaigns, print ads, email marketing (Mail Chimp), press releases, quarterly newsletters, outreach events, and marketing collateral

- Achieved exponential growth in social media following through focused campaigns
- Wrote, edited, and designed quarterly online newsletter- 2,500 views per quarter
- Redesigned and maintained organization's website using WordPress - resulting in a 40% increase in site views

Restructured all aspects of fundraising, developed and managed budgets, negotiated contracts, secured high-profile speakers, and served as event lead for five business events attended by over 300 people each

- Earned \$67,300 profit – 50% increase from previous year
- Improved event attendance - 44% increase from previous year
- Sold \$119,000 in sponsorship packages to support events

Arena Pharmaceuticals, Inc. - *Trademark Paralegal* (March 2007 – December 2015)

Senior trademark paralegal for 10-person legal team. Coordinated in-house filing, prosecution, enforcement, renewal, and document preparation efforts for global trademark portfolio in support of the global branding campaign for FDA approved BELVIQ® - Resulting in federally registered trademarks. ARNA, (NASDAQ)

Interest

Describe why you wish to serve on this commission, how you have engaged with the City previously (i.e., attending meetings and events, etc.), and why you believe you are qualified for the position. Please be specific.

I thoroughly enjoyed coaching here locally in Temecula when my kids were younger. Teaching and mentoring children that wanted to learn the game was and still is exciting to me. Whether it's on the baseball field or basketball court, I love helping kids and watching their improvement throughout the season. When my children went off to college in 2011 and 2012, I felt a void and needed to find something to keep me busy outside of my business. I joined the Rotary Club of Temecula in January of 2013 and immediately found my passion for community service, especially here in my hometown. When I'm not volunteering with Rotary, my wife and I try and take our RV on weekend trips. I am a sports nut. Go Dodgers, Chargers, Rams, and Lakers! Lastly, family and friends are extremely important to me and my wife, Kathy.

December 10, 2019

To: City Of Temecula Community Board of Commissioners
RE: Craig D. Davis – Applicant

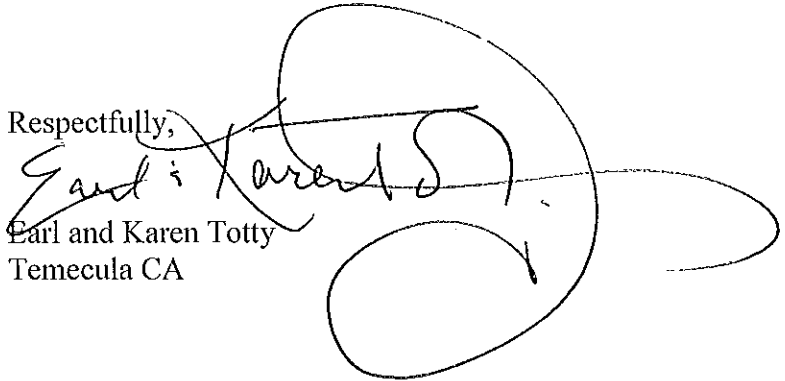

Dear Sir or Madam,

We wanted to provide our whole hearted recommendation for Craig Davis to join ANY one of your boards. He would be an asset in any capacity due to his willingness to step in and step up to make things happen!

We have been neighbors with the Davis family for 23 year and love them like family. Craig's endless desire to be involved with the positive growth and development of the city of Temecula goes well above and beyond what is expected of any community resident.

We sincerely hope that you consider Craig Davis as one of your commissioners, you will not be disappointed!

Respectfully,

Earl and Karen Totty

Interest

Describe why you wish to serve on this commission, how you have engaged with the City previously (i.e., attending meetings and events, etc.), and why you believe you are qualified for the position. Please be specific.

I strongly desire to serve our community in every way I can. Community services programs have been a huge part of my family's life. Not every city offers community services like Temecula and I am so grateful for living and raising my family here. I want to give back to the city by serving on the commission. I want to help our city continue to provide parks and recreation services to our community and continue to make Temecula one of the finest and safest cities in America. I have lived in Temecula for 12 years and my family has grown together with Temecula. My first experience Temecula's community services occurred when we held our wedding at the Chapel of Memories, lots of cherished and beautiful memories. When we added children to our family, library story times were the highlights of our week. As they grew, Pennypickles, parks, Temecula Valley Museum and the Old Town Theater were some of our favorite places to go. We are also a big fan of the classes/activities. Just to name a few, my kids learned how to swim through the city's swim lessons. We enjoyed taking drawing classes together as a family in Ms. Yvonne's class, the only class that I didn't have to sit on the bench and watch. This summer, we had such a blast at the "build you own boat regatta". Last but not least, I won the "Parks Make Life Better" photo contest! I realized through these programs, not only we had fun, but more importantly, we were given an opportunity to bond and connect as a family and with other families. That's where communities are built and strengthened. I believe I am highly qualified for this position because I have the experience, skills and passion. First, I have the experience of serving on four boards. Currently, I am a board director of Springs Charter School. I am also on the board of my homeowners' association serving as the president. In addition, I have served as area director on the executive committee of District 12 of Toastmasters International as well as the governing board of Temecula Toastmasters as the president. As a board director of Springs Charter School, I assist in overseeing and approving the sound fiscal and operational management of the school. I participate in monthly board meetings, listening to the input of members of the public, expert and other board members, making decisions based on all the data presented. As the president of my homeowners association board, I regularly review financial statements and vendor performance. Together with other board members, we make sure that the HOA is fulfilling its duties and that the individual members are complying with the CC&R's. This is done using parliamentary rules of procedure. We strive to comply with strict California transparency laws while ensuring that we fulfill our duties. Second, I have great leadership skills. I respect others. I have integrity: I mean what I say and I serve others with excellency. For example, as club president of Temecula Toastmasters, I led my club to achieve the highest award, the President's distinguished club, for any given club. As area director, I led half of my clubs to achieve the President's distinguished and the other half to achieve distinguished club awards. I strive for the best results possible! Third, I am an active participant in the community service programs. I can provide valuable feed back from myself and others I met along the way and help tailor the programs to meet the ever changing needs of our community. I have been on the receiving end and now it's time to be on the giving end. Lastly, I am an award winning speaker. I have won many speech contests and I desire to use my gifts to serve the commission whenever needed. In summary, I have the qualification, experience, skills, desire, passion and the heart to serve on the commission. It will be a great honor to serve the city that I love and I call home!

November 7, 2019

To: Applicant Review Panel for the Community Service Commissioner of Temecula

From:

To whom it may concern:

I am writing this letter of recommendation for Dr. Yuan Hawkes. I have known Yuan for the last three years. I am an Elder as well as a Pastor at the Orchard Church in Temecula. Because of her involvement with our church, I have gotten to know Yuan and her husband, Daniel, quite well.

It is my pleasure to share with you the characteristics, desires and motivation that Yuan displays that moves her toward seeking a position on the community services commission.

Since I have known Yuan, she has had a great appreciation for the democracy of this country, its processes, opportunities, inclusive nature and diversity of population. As a naturalized citizen, she has this desire to give back to a country that has given her so much opportunity. She joined Toastmasters to improve her communication skills in English. She is a member of the Board of Directors at Springs Charter School, where she desires to be a positive input in the education of the children's lives. She is serving as president of her Home Owner's Association, involving herself in the betterment of her neighbors and her family.

Yuan has a personality that is driven by passion. It is reflected by her all-in attitude. Once she has made up her mind that something is a worthy cause and it will benefit others, she is all in. She does not have to be encouraged or motivated; she brings that with her. One of her priorities is to give back, whether it is her neighborhood, school, community, church or the people in the state where she lives.

Yuan has shared with me the seriousness of the positions she has held. As president of her local Toastmasters and then as area director of Toastmasters International, she rose to the occasion of putting club members above personal agendas. As director of Toastmasters, she strove for the success of all clubs under her direction. Under Yuan's direction, her club won the Presidential Distinguished Award. Yuan understands compassionate

leadership, sacrificial giving and following the highest ideals of the group she is leading.

When it comes to addressing issues that exist and must be solved in a fair and non-partial way, Yuan has the unique ability to see the details, ramification of decisions and the cause and effect of complicated issues. I am sure her educational background as a Ph.D. in molecular biology and her research experience at The Scripps Research Institute helps to see problems with a critical eye. Her analytical skills will serve this commission well in being able to, judicially and fairly, execute its responsibilities for the people of Temecula.

I completely and whole heartily recommend Dr. Yuan Hawkes for this position. Not just simply because she is uniquely qualified for this position, but because she has a pleasant personality and works well with others in a collaborative situation. She is down to earth, easy to talk to and is always ready to listen to the ideas and viewpoints of others all the while knowing how to stay strong to her convictions. She would make a wonderful addition to your commission.

Sincerely,

Gary Tolliver

QUALIFICATIONS

- Experience as various board of directors.
- Award winning motivational speaker.
- Actively involved in local community with volunteer work.
- Professional background in academia and industry.

EDUCATION

Ph.D. Molecular biology, University of Illinois at Chicago.

B.S. Biology, Wuhan University, Wuhan, China

VOLUNTEER EXPERIENCE

- 2019-present, President, Award Series Association (HOA)
- 2017-2018 Board of directors on Toastmasters district 12 executive committee
- 2017-2018 Area Director, Toastmasters International
- 2016-2017 Taught Good News Club, Rancho Elementary School
- 2015-2016 President, Temecula Toastmasters
- 2013-Present Motivational Speaker

PROFESSIONAL EXPERIENCE

- 2019-present, Board Director, Springs Charter School
- 2007-2011 Millipore, Scientist II, Scientist III
- 2003-2007 Scripps Research Institute, Postdoctoral Scientist
- 2002-2003 Alexion Antibody Engineering, Postdoctoral Scientist

LEADERSHIP SKILLS

- As the president of Temecula Toastmasters, I led my club to achieve the highest award, The President's Distinguished Club.
- As the area director of Toastmasters International, I led my clubs to achieve Distinguished or President's Distinguished Awards.

MANAGEMENT SKILLS

- Managing/training scientists in antibody engineering (2007-2011, Millipore)
- Managing/training postdoctoral scientist (The Scripps Research Institute, 2005-2007)
- Managing tissue grafting project (2002-2003, Alexion Antibody Technologies)

AWARDS

- Toastmasters International Speech Contest, Area contest 2nd place winner 2019
- Toastmasters International Speech Contest, club contest 1st place winner 2019
- Toastmasters International Speech Contest, Area contest 2nd place winner 2017
- Toastmasters International Speech Contest, Club contest 1st place winner 2017
- Toastmasters Humorous Speech Contest, Division contest 3rd place winner 2016

- Toastmasters Humorous Speech Contest, Area contest 1st place winner 2016
- Toastmasters Humorous Speech Contest, Club contest 1st place winner 2016
- Toastmasters Humorous Speech Contest, Club contest 2nd place winner 2015
- Toastmaster of the Year, 2015-2016
- Toastmasters Humorous Speech Contest, Club contest 2nd place winner 2013
- 49th Annual Meeting of the Radiation Research Society, Young Investigator Travel Award, 2002
- University of New Mexico, Cancer Research poster contest, 1st place winner, 2000

RESEARCH EXPERIENCE

2007-2011, Scientist II/III (Millipore)

- Promoted from scientist II to III within 4 months of hiring due to successful delivery of a crucial project ahead of schedule.
- Pioneered recombinant antibody project
- Engineered two best selling recombinant antibodies
- Supervised antibody production

2003-2007, Postdoctoral Scientist (The Scripps Research Institute)

Project 1: Researching the effect of engineered antibodies in tumor angiogenesis.

- Antibody engineering in adenovirus system and transient transfection system.
- Adenovirus and recombinant antibodies purification for *in vivo* tumor model.
- Designing of mouse xenograft tumor models.
- Characterization of engineered antibodies by FACS, western blotting, ELISA, proliferation and migration assays.
- Immunohistochemistry staining of xenograft tumor tissues.

Project 2: Engineering of IgG fusions proteins.

2002-2003, Postdoctoral Scientist (Alexion Antibody Technologies, Inc.)

Project 1: Discovering therapeutic antibodies for cancers by phage display technology.

- Constructed phage display libraries
- Performed whole cell panning using constructed libraries.
- High-throughput screening using 96-well FACS and ELISA on Tecan.
- Targets characterization after high-throughput screening.

Project 2: Tissue grafting

- Tissue grafting.
- Built mouse model with grafted tissues.

1997-2002 Ph.D thesis research (University of Illinois at Chicago)

Discovered new roles of the breast cancer susceptibility gene BRCA2.

Project 1: Identified a cytoskeleton protein filamin-1 as a BRCA2-interacting protein.

- Characterized the interaction extensively by yeast two-hybrid system, GST pull-down assays, co-immunoprecipitation and immunohistochemistry.
- Mapped the interaction domains in both proteins.
- Established cell lines through retroviral infection or electroporation.
- Discovered novel roles of filamin-1 in mammalian DNA damage response through its interaction with BRCA2.

- Identified down-regulation of filamin-1 in colon, stomach, uterus and rectum tumors by cDNA hybridization.

Project 2: Identified a novel protein BCCIP α (a potential tumor suppressor) as a BRCA2-interacting protein.

- Characterized the interaction by yeast two-hybrid system and GST pull-down assays.
- Mapped the interaction domain in BRCA2.
- Purified BCCIP α for polyclonal antibody production.

PUBLICATIONS

- Yuan, Y., Meng, X., Maestas, A. and Z. Shen. 2004. Recovery from DNA damage-induced G2 arrest requires actin-binding protein filamin-A/actin-binding protein 280. *J Biol Chem.* 279: 6098-105

Interest

Describe why you wish to serve on this commission, how you have engaged with the City previously (i.e., attending meetings and events, etc.), and why you believe you are qualified for the position. Please be specific.

Parks, recreation, and community services are both my profession and my passion. I am a long-time Temecula resident and have thoroughly enjoyed the parks and programs the City offers. In fact, at this point in my life, I am watching my 3 children enjoy the same benefits of living here. I would love to be part of the process of serving the community in this capacity. My educational background and my professional career path (both in the public and private sector) have equipped me with the skills and abilities to fulfill the functions required.

November 14, 2019

City of Temecula City Council
41000 Main St.
Temecula, CA 92590

Dear Mayor and City Councilmembers,

It is my sincere privilege to write this letter of reference for Chris Krstevski in his application for a seat on the City of Temecula's Community Services Commission. Although Chris and I have only been colleagues at the City of Escondido for the last year, it is a testament to the impact he has on those around him that we have already accomplished so much in this short time.

From the first day I met Chris after his promotion to Lakes & Open Spaces Superintendent, I knew he was someone I wanted to work more closely with because I could tell he would be an important ally in continuing to advance the goals of promoting, protecting, and expanding use of our parks, lakes, and open spaces. Chris' friendly, open demeanor and energetic enthusiasm for his work are contagious and are qualities that make him successful not only in the supervision and leadership of staff but also in establishing successful networks and partnerships. People want to support and get on board with his out-of-the-box ideas because he is sincere, professional, and motivated to make things happen. His experience and expertise in this field also lend credibility to his ideas.

Just a few weeks into his new role, Chris took the initiative to reach out and seek ways to work together to gain better exposure for the parks, lakes, and open spaces in Escondido. This led to a collaboration with Community Services on July is Parks & Rec Month programming, a brand new section of the City's Recreation Guide featuring outdoor activities, a newly-formed partnership with REI, and the submission of numerous grant applications. Chris was also instrumental in securing a private donation for the installation of a new playground and the refurbishment of the ADA-accessible cabin at Lake Dixon. One of the more unique projects we have accomplished together is the use of Park Rangers to provide security at the Escondido Public Library.

Chris was hand-selected to serve on a team of three staff liaisons to the Recreation and Youth Activities Community Advisory Group. In that capacity, he works to engage and empower community members to get involved in order to support the City and the community and bring their ideas to fruition. Chris is the perfect choice to serve as a Community Services Commissioner as he will bring to the community of Temecula the same passion, commitment, and enthusiasm that he brings to the City of Escondido. If you have additional questions please feel free to reach out to me at [REDACTED] or jaxelrod@escondido.org.

Sincerely,

A handwritten signature in blue ink that reads 'Joanna Axelrod'.

Re: Letter of Recommendation, Chris Krstevski

Gentlemen:

Chris is a businessman in Temecula as well as a Community Services Employee in Escondido. It is in his capacity as President of MAC Solar, LLC in Temecula that I have worked with Chris.

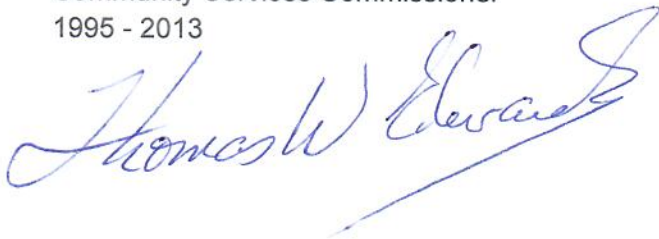

We recently installed a fairly large solar energy system at our home in Temecula. Chris and his partner at Peace Of Mind Solar and Electrical did the entire project. This included engineering, plans and plan check, installation, and commissioning. The groups professionalism impressed me in all respects.

As part of Chris' sales and project management, we also had the opportunity to talk about his "real" job at Parks and Rec for Escondido. His work there is very similar to what we are tasked with here in Temecula.

As a family guy, Chris would prefer to work nearer to his home here in Temecula. I think he would be a great addition to the fantastic staff of our Community Services Department.

Best Regards,

Thomas W. Edwards
Community Services Commissioner
1995 - 2013

EDUCATION

- Master of Arts – Public Administration - San Diego State University - 2018
- Bachelor of Arts – Social Science - Point Loma Nazarene University - 2002

PROFESSIONAL CERTIFICATIONS

- Certified Parks and Recreation Professional (CPRP)
- Penal Code 832 – Laws of Arrest (State of California)
- Emergency Medical Responder (American Red Cross)

EXPERIENCE

Lakes & Open Space Superintendent

City of Escondido

March 2019 – Present

- Manage over 4,400 acres of parkland for the City of Escondido encompassing vast areas of open-space, multiple day-use facilities, 2 fishing lakes & drinking water reservoirs, a campground, a historic Ranch House and over 25 miles of multi-use trails.
- Administer a budget of \$2.88 million and a staff of 55 employees.
- Work closely with the City Manager's office and the Escondido Police Department to enforce municipal codes and provide relevant resources to help alleviate homelessness.
- Day to day activities include: strategic and budgetary planning, overseeing capital improvement projects, hiring and evaluating employees, participating in city council meetings, collaborating with volunteers, service groups, and non-profits, addressing sensitive issues with various stakeholders and community representatives, developing policies and procedures, planning recreational activities and programs, implementing best management and ensuring safe and enjoyable recreational opportunities for all citizens.

Lakes & Open Space Supervisor

City of Escondido

October 2018 – March 2019

- Managed over 3,500 acres of parkland for the City of Escondido encompassing vast areas of open-space, multiple day-use facilities, a fishing lake & drinking water reservoir, a campground, a historic Ranch House and over 25 miles of multi-use trails. My management region included Dixon Lake Recreation Area as well as Daley Ranch Open Space Preserve.
- Supervised, trained, scheduled, hired, and evaluated a staff of 40 employees.
- Evaluated, tracked, administered, and made recommendations related to operating budget of \$2.88 million.
- Implemented various operations and management plans and oversaw related tasks such as integrated pest management, trail maintenance, facilities maintenance, capital improvement projects, vendor contracts, special events, interpretive programming, feasibility studies, community relations, etc.

Senior Park Ranger

County of San Diego

June 2015 – October 2018

- Functioned as supervisor for a busy Day Use and Camping Park in Oceanside, CA.
- Managed and trained several employees.
- Directed facility and capital improvement projects at the park.

- Managed and facilitated special events at park.
- Enforced rules and regulations to achieve voluntary compliance.
- Answered customer and public inquiries regarding the park.
- Managed budget, and purchasing for park supplies, tools and materials.
- Performed monthly and annual reports and maintained records.

Park Ranger

County of San Diego

November 2012 – June 2015

- Planned and facilitated interpretive tours of a National and State Historic Landmark.
- Maintained and repaired historic adobe building per historic structures restoration guidelines.
- Natural resource management.
- Facilitated safe and clean park atmosphere for the public.
- Booked reservations, answered questions, and facilitated special events.
- Used power tools, machinery, and equipment to keep park neat, presentable and functioning.

Owner / President

MAC Solar, Temecula, CA

July 2010 – Present

- Responsible for all aspects of running a solar integration company including: Sales, Marketing, Design, Accounting, Customer Service, Purchasing, Scheduling, Permitting etc.

Inside Sales - Distribution

HelioPower, Murrieta, CA

September 2009 – September 2010

- Grew sales over 800% from 50k to 400k in 1 year.
- Managed, added, and grew customer accounts.
- Created quotes, invoices, and purchase orders.

General Manager / Outside Sales

Fastenal Company, Murrieta, CA

April 2008 – June 2009

- Developed and executed a sales plan to reach/exceed business goals.
- Managed and trained branch personnel.
- Performed all aspects of successfully running a small business including: purchasing, receiving, deliveries, sourcing, inventory management, and collections.

Legal Assistant / Paralegal

Goff & DeWalt, LLP, San Diego, CA

October 2002 – January 2004

- Performed legal research.
- Answered customer inquiries and wrote detailed reports for clients.
- Maintained the firm's calendar and filing system.
- Put together special presentations and projects.

SKILLS AND ABILITIES

- Proficient in Microsoft Office: Word, Powerpoint, Excel, Outlook, Publisher, etc.

Board Member (2013)

Interest

Describe why you wish to serve on this commission, how you have engaged with the City previously (i.e., attending meetings and events, etc.), and why you believe you are qualified for the position. Please be specific.

I am uniquely qualified to serve on the Community Services Commission, given my history of service as a volunteer, youth football coach and as an area Scouting leader. Several years ago, I coordinated a Pinewood Derby for Cub Scout Pack 614, which was scheduled during the Temecula Rod Run. I worked the details with the Community Services team and was impressed with their responsiveness and solutioning efforts. In 2015, I applied to several open board and commission positions and was selected to fill an unexpired term on the Community Services Commission. Since then, I've proudly served this community and represented its citizens. Over the past few years, I've attended many activities and events, and attended our monthly meetings (including several city council meetings). My experience with our seemingly limitless programs and services has enabled me to become better informed and offer meaningful feedback to our citizens as their ambassador, as well as to City staff. Overall, I feel my impact has been positive, thoughtful and well received. This year I was honored to serve as Vice Chair and would like to continue my service, as I feel I have much more to contribute.

Interest

Describe why you wish to serve on this commission, how you have engaged with the City previously (i.e., attending meetings and events, etc.), and why you believe you are qualified for the position. Please be specific.

I am interested in serving on the commission to bring fresh ideas, resources, and connections to help the City expand its programs and reach more residents and businesses. I'm very experienced working in a fast-paced, team environment to break down silos, bridge stronger connections, and work together with community organizations, school districts, and local government to implement creative solutions to issues and challenges which are results-based and scalable. One project I am specifically interested in working on is Pennypickles Workshop.

Interest

Describe why you wish to serve on this commission, how you have engaged with the City previously (i.e., attending meetings and events, etc.), and why you believe you are qualified for the position. Please be specific.

My family first moved to Temecula in July of 1991, on my fifth birthday. I grew up alongside our city and witnessed, first hand, how the City's General Plan came to fruition. Temecula's status as one of the safest cities in the nation isn't an accident, nor did our transportation network spontaneously appear. Temecula was built on a framework of guiding documents-- 30-year plans, carefully stewarded through the years from one civic leader to the next. I'm eager to help carry the torch forward and contribute more directly to the community which gave so much to me, growing up. After graduating from TVHS in 2004 and leaving town for college and work, I developed a new appreciation for Temecula and often found myself feeling homesick. It was during this time that I became a regular viewer of Temecula's City Council meetings. These recordings served as a window back into my home until finally, in 2017, Ashley and I were able to move back to Temecula permanently. Since then, I've attended meetings of the City Council, I-15 Task Force, City Sustainability Program Committee, Public / Traffic Safety Commission, Planning Commission, and numerous community workshops and city events. I've enjoyed interacting with my neighbors, councilmembers and city staff on various agenda items, from redistricting to regional transportation issues. I'd love to work with you more closely. I know I can be a greater asset to our community if entrusted with the responsibility of serving on the Public / Traffic Safety commission. I avoided throwing my hat into the ring until now because I always doubted my qualifications. I'm humbled by how much I have yet to learn. Still, I feel called to volunteer for this position for a few reasons: First, a couple of community leaders who I look up to suggested to me that I should. Second, the council's recent discussions about the commission selection process provided me with new insight into what it means to be qualified. Third, I recently entered a new stage of my life; becoming a father has added a new dimension to the way that I think about community. I've been considering how best I can make an impact and what I have to contribute. I've been thinking about what made Temecula so special to me growing up, and what I can do to protect and preserve it. It's often been said that there's no one, right way to be a commissioner, so I'd like to briefly describe the kind of commissioner I'd aspire to be. The basic function of a commissioner, as I understand it, is to listen to the City's experts, pour over the details, provide another set of eyes and fine-tune projects (or challenge them if necessary) before they reach the City Council. Beyond that, as a commissioner I would serve as a conduit to the public. I view civic engagement as a two-way street-- that means not only listening to and weighing public feedback, but also participating in community outreach and education efforts. Additionally, I believe that this position would empower me to be a stronger advocate for our community on regional issues which are normally beyond the scope of the commission. Temecula is on the right path and I trust our current leaders with the future of our city. Still, I'm ready to come off the bench, put my nose to the grindstone and get to work. There will always be new challenges and opportunities ahead of us and I know I can help our city meet them.

December 10, 2019

City of Temecula
41000 Main Street
Temecula, CA 92590

To Whom It May Concern:

I am pleased to write this letter to highly recommend David Matics for the City of Temecula's Public / Traffic Safety Commission. I have had the pleasure of working with David for almost five years in a variety of settings at Sparks and Shadows, and have found him to be one of the most hard-working, reliable, professional and positive people I've ever had the experience of working with. He is a team-player, a "can do" person, and I have seen him outperform in high-stress, time-sensitive situations and constantly go the extra mile beyond expectations.

At Sparks and Shadows David provided consistent and reliable oversight and upkeep of our company's intense technology and corporate enterprise software needs. David oversaw everything tech-related from individual composers' multi-computer rigs to company-wide systems, and our ever-growing needs for security solutions and asset protection.

As Scoring Manager on the movie *10 Cloverfield Lane* and several other films, I worked intensively with David and we collaborated in carrying our company through an important transition from tv production and to big box office films. We developed a new system and revamped the company so that our operations would accommodate both tv and film production. David seamlessly and eagerly took on a workload of what could have been filled by a team of people, and he brought his efficiency and detail-oriented nature to every task. It is difficult to convey the intensity that our work deadlines and shifting timeframes entailed, and under circumstances that others' might find overly demanding or stressful, David thrived and took to every task with his consistent, even-keeled nature and constant optimism.

David is a natural problem-solver and his genuine interest and passion for technology lead him to be detailed trouble-shooter, taking on repairs and fixes for everything large and small. Not only is David's work always exemplary, but he is also a wonderful person to work with on a personal level. Always, energetic, eager, professional, and friendly, David is a person I would jump at the opportunity of having on any team.

Please feel free to contact me with any questions or if you would like to speak further.

Sincerely,

Joanna Pane

10/31/2019

To Whom it May Concern,

David Matics is an exemplary human being.

I've had the good fortune of toiling alongside David for the past decade at a fast-paced music production company. He is good at what he does, and makes everyone around him better. He taught me how to assemble computers, how to optimize them for my particular vocation, and answered every tech question I've ever had with a novel's worth of detail and background. David is the first person to offer a helping hand, or volunteer to learn a new skill or program when the need arises, and the last person to leave when there's still troubleshooting to be done. He has always launched himself fearlessly at the most difficult problems and worked them until they're solved. He's the hardest working and most dependable person I've ever worked with.

I've had the even greater fortune of being friends with David since the age of 12. He has a sly sense of humor that will take you by surprise given his otherwise reserved demeanor. He is kind and polite to all, and always generous with his time. Over the years he's tackled everything from A.P. exams, to honor-band auditions, to quadruple majors, to raising triplets with the same tenacious determination that he applies to every task. David is a devoted husband, father, and friend, and I could fill a novel complimenting his integrity and listing his many virtues.

I have no reservations about recommending David for the position for which he is applying, and can attest to both his encyclopedic technical proficiency and his rare, exemplary character. Please feel free to contact me if you seek any reassurance on either point.

Sincerely,
Jonathan Ortega

December 28, 2019

City of Temecula
41000 Main Street
Temecula, CA 92590

Dear Councilmembers,

My family first moved to Temecula in July of 1991, on my fifth birthday. I grew up alongside our city and witnessed, first hand, how the City's General Plan came to fruition. Temecula's status as one of the safest cities in the nation isn't an accident, nor did our transportation network spontaneously appear. Temecula was built on a framework of guiding documents— 30-year plans, carefully stewarded through the years from one civic leader to the next. I'm eager to help carry the torch forward and contribute more directly to the community which gave so much to me, growing up.

After graduating from TVHS in 2004 and leaving town for college and work, I developed a new appreciation for Temecula and often found myself feeling homesick. It was during this time that I became a regular viewer of Temecula's City Council meetings. These recordings served as a window back into my home until finally, in 2017, Ashley and I were able to move back to Temecula permanently. Since then, I've attended meetings of the City Council, I-15 Task Force, City Sustainability Program Committee, Public / Traffic Safety Commission, Planning Commission, and numerous community workshops and city events. I've enjoyed interacting with my neighbors, councilmembers and city staff on various agenda items, from redistricting to regional transportation issues. I'd love to work with you more closely. I know I can be a greater asset to our community if entrusted with the responsibility of serving on the Public / Traffic Safety Commission.

I avoided throwing my hat into the ring until now because I always doubted my qualifications. I'm humbled by how much I have yet to learn. Still, I feel called to volunteer for this position for a few reasons: First, a couple of community

leaders who I look up to suggested to me that I should. Second, the council's recent discussions about the commission selection process provided me with new insight into what it means to be qualified. Third, I recently entered a new stage of my life; becoming a father has added a new dimension to the way that I think about community. I've been considering how best I can make an impact and what I have to contribute. I've been thinking about what made Temecula so special to me growing up, and what I can do to protect and preserve it.

It's often been said that there's no one, right way to be a commissioner, so I'd like to briefly describe the kind of commissioner I'd aspire to be. The basic function of a commissioner, as I understand it, is to listen to the City's experts, pour over the details, provide another set of eyes and fine-tune projects (or challenge them if necessary) before they reach the City Council. Beyond that, as a commissioner I would serve as a conduit to the public. I view civic engagement as a two-way street— that means not only listening to and weighing public feedback, but also participating in community outreach and education efforts. Additionally, I believe that this position would empower me to be a stronger advocate for our community on regional issues which are normally beyond the scope of the commission.

Temecula is on the right path and I trust our current leaders with the future of our city. Still, I'm ready to come off the bench, put my nose to the grindstone and get to work. There will always be new challenges and opportunities ahead of us and I know I can help our city meet them.

Warm regards,

A handwritten signature in black ink that reads "David Matics". The signature is stylized with a large, looped "D" and a long horizontal line extending from the end of the name.

Interest

Describe why you wish to serve on this commission, how you have engaged with the City previously (i.e., attending meetings and events, etc.), and why you believe you are qualified for the position. Please be specific.

I have been a public servant my entire career. Since joining the Air Force at the age of 17, I have always given back. Now that my family and I have moved to Temecula, it is time to once again get involved in my community. I have the experience, desire, and determination to serve. As a parent, my main concern is my children and I must take the responsibility to give them the best and safest living environment that I can. As a concerned citizen, I need to help create the community I want to live in and help provide the best community for my neighbors and friends.

Interest

Describe why you wish to serve on this commission, how you have engaged with the City previously (i.e., attending meetings and events, etc.), and why you believe you are qualified for the position. Please be specific.

To Whom It May Concern, I moved to Temecula from San Diego just a little over three years ago and absolutely fell in love with the city. My wife and I moved here at the urging of friends, and upon review found out just how charming and beautiful this city was. It checked off several boxes for us including great school districts, incredible growth potential, and a wonderful sense of community. This year I took my first step towards becoming more engrained in the community that we call home: our daughter just entered Kindergarten at PES and I immediately applied for and was selected as a candidate for the recent TVUSD school board vacancy. It was a wonderful experience. Always looking for new opportunities to be a part of the community I was alerted to the impending vacancies on the Boards and am excited to throw my hat into the selection ring. I spent years working with several non-profits from theatre arts to media to community events. I'd like to take that experience, combine it with my energetic outlook for my community and put it to good use to help the community grow and thrive. Thank you for your time.

Interest

Describe why you wish to serve on this commission, how you have engaged with the City previously (i.e., attending meetings and events, etc.), and why you believe you are qualified for the position. Please be specific.

Temecula is my home, I was raised here. I am now raising my own family in Temecula and I want to be part of the team that makes it an even better place to live and work. Being involved in our community and giving back to a place that has offered so much to me is important. Being appointed to the commission not only allows me to be involved, give back, show I care, but grants the opportunity to shape where we live and meet more of the members in Temecula.

BRADLEY J. SULLIVAN, D.C.

[REDACTED]
TEMECULA, CA 92592
[REDACTED]
[REDACTED]

November 6, 2019

Honorable Members of Temecula City
Council.

It is my pleasure to introduce and recommend Nick Mokhlessin. Nick will be sending an application to serve on the Temecula Community Services Commission. I have personally known Nick for many years.

I first met Nick when he volunteered to serve on the Wolf Creek Landscape Committee. Nick has been in senior management positions within a landscape company. By volunteering, he understood he could not bid on any projects. Nick stepped up because he loved Wolf Creek and brought his expertise in reviewing bids as well as designs. His interaction with a competitor landscape company was always professional and solution oriented.

Presently, Nick and I serve on the Wolf Creek Maintenance Corporation Board of Directors. Similar to decisions council members have to make, we can't always please everyone. Nick always brings his "A" game in communicating with our owners.

Both Nick and his wife bring a compassion of serving others. Presently Nick's wife is President of the PTA at Luiseño Elementary and volunteers as an instructor for proper child/infant seat installation.

Having many conversations with Nick about Temecula, I know with certainty his love for Temecula.

I have no doubt he would be an excellent addition to the Community Services Commission.

Very truly,

Brad Sullivan, D.C.

Interest

Describe why you wish to serve on this commission, how you have engaged with the City previously (i.e., attending meetings and events, etc.), and why you believe you are qualified for the position. Please be specific.

I have lived in Temecula for the past two years and love the community. For the past several years I have had a growing interest in serving the community at large by dedicating my personal time to different committees. It would be an honor to serve my local community by being a commissioner on a local board. I have not previously attended any local meetings or city events, however have attended many local Home Owner Association meetings. As far as my qualifications, please see my resume and this additional information. Besides being a California licensed attorney for the past 10 years, I have served as a Judge Pro Tem for Los Angeles County, Riverside County, and Orange County for the past year. Temporary Judges serve at the discretion of the Presiding Judge and must be members of the California State Bar in good standing for 10 years. They must complete an application for each three-year term and receive training outlined in Rule 2.812, California Rules of Court. I am currently assigned to preside over traffic arraignments/traffic trials, civil/small claims, civil harassments, criminal misdemeanor calendar, and name changes as needed. This experience has given me invaluable experience in the fields noted.

Industry Advisory Board (IAB) – Vice Chair; Cal Poly Pomona Aerospace Engineering Dept. Industry Action Council (IAC); UC Riverside Electrical Engineering Dept. Board of Advisors (BoA)

Interest

Describe why you wish to serve on this commission, how you have engaged with the City previously (i.e., attending meetings and events, etc.), and why you believe you are qualified for the position. Please be specific.

As a resident of Temecula for over 26 years, I would welcome the opportunity to continue to serve our community as a member of the Public Traffic Safety Commission, to which my education and experience are ideally suited. I believe that giving back to our community through service is a duty that contributes to making our city such an amazing place to live! I have engaged with the city by attending numerous city events over the years, and by founding the Temecula Valley Dachshund Club (TVDC) with my wife, Janice. I believe I am qualified for the position because, as an Engineering Fellow for Raytheon, I have broad experience working safety programs at both the system and enterprise level, transportation/traffic programs, and traffic safety technology research and innovation projects. My current & former Raytheon roles and achievements are detailed in my attached sheet to this application.

List Organizational Service (Professional, Technical, Volunteer, Non-Profit, Service Clubs) (Name of Group, Positions Held, Years of Service). State "see resume" if attaching a resume with this information at the end of this application.

* L.A. County court assistance - 4 years. Assist people in filing court papers for restraining orders in domestic violence.

Interest

Describe why you wish to serve on this commission, how you have engaged with the City previously (i.e., attending meetings and events, etc.), and why you believe you are qualified for the position. Please be specific.

I have been a resident here for about year and a half. I lived in La Mirada Ca. All my life. I attended board meetings and helped numerous city council members get elected. I worked with previous city manager to assist city with noise complaints. I came to Temecula and found it to be a Fascinating Gem of a city that is growing very rapidly. I feel i can give back to this great city and lead it while its enormous transition of becoming an even more popular city than it is. I know that i can be an asset to this great community

None.

Interest

Describe why you wish to serve on this commission, how you have engaged with the City previously (i.e., attending meetings and events, etc.), and why you believe you are qualified for the position. Please be specific.

I am an avid cyclist as is my family. I've ridden bicycles over 50,000 miles. Recently, my wife was struck by a car that ran a stop sign while riding her bicycle, shortly after dropping our kids off at school. My wife was deemed at fault by the investigating officer simply because she was riding her bicycle while crossing from one sidewalk to another but was traveling on the left side of the road even though the driver admitted to not looking in the direction she was driving. My wife was more than halfway across the street and the car hit her because they were not looking in the direction they were driving after rolling the stop sign. Further, as a resident of the Harveston neighborhood of Temecula, and a father who often walks or rides to take his children to and from school, I see first hand, every week, that a large number of drivers in this neighborhood and in the City do not exercise reasonable care while driving, and in many cases do not respect pedestrians and/or bicyclists. I would like to be involved with the direction the City is taking to make our neighborhoods as safe as they can be for those of use that walk or ride.

Interest

Describe why you wish to serve on this commission, how you have engaged with the City previously (i.e., attending meetings and events, etc.), and why you believe you are qualified for the position. Please be specific.

In 1995 I was introduced to my future husband, a young man from Temecula, CA. I decided to relocate to Temecula from Orange Country in 1997 to see if our relationship was serious. On October 24, 1998, we said our marriage vows and officially made Temecula our joint home. My first experience with Temecula's Community services came shortly after that in 1999, when pregnant with our first child, I enrolled in a pregnancy yoga class taught at the CRC. Since that time, we have added two more children to our family and raised all three of them in the community of Temecula. The offerings of the city's Community Services department have greatly enriched our family's lives. Since my oldest child was first able to sit up on her own, our family has enjoyed playing at the numerous parks within our city. Teaching my children to swim when they were toddlers was done through a class taught at the CRC pool. Recreational sports classes, Bigfoot Cartooning classes, and "Yes, you can draw!" art classes complimented my children's homeschool curriculum. When they were younger, my children's favorite week of each summer was the week they spent attending the city's Wonders Science Camp. We've marched down Old Town Front Street with Boy Scouts of America countless times in Santa's Electric Light Parade and the Fourth of July parade. Add to all this the Rod Run, Easter Egg Hunts, summertime concerts in the park, and musical productions at the community theater in Old Town the city community services have brought our family years of entertainment and enjoyment. Serving others as a part of a team is no new experience for me. I have spent much of the past decade working with youth as a volunteer with Boy Scouts of America, and FIRST Robotics. During my volunteering, I have worked closely with other adult volunteers in both roles of leadership and team collaboration. The teams I have lead or participated in have enjoyed much success to the benefit of all involved. I have learned and found that there is enjoyment in giving back and helping others succeed. Leaving for her first year of college, my daughter and I were driving away from home on Pauba Road next to the Temecula Public Library, her favorite place in the city. As we overlooked this beloved city where she had grown up, she commented to me that Temecula was a great place to grow up. My response to her was that Temecula was indeed a great place to raise both her and her brothers. As has been said, for everything, there is a season. Raising my children was my season to enjoy and benefit from the activities and events offered in our city. Nearing the end of this time of raising my children, I believe it is now my season to give back to this community and help ensure that the same activities and opportunities exist for this next generation of families growing up in Temecula. Ever since before it's incorporation, Temecula has been a community made up of citizens possessing a can-do attitude. Their only qualification to serve our community was their willingness to do so. My history of volunteer service to youth in our community, my familiarity with raising a family in Temecula, along with my desire to help others qualifies me to serve our city as a member of the Community Services Commission.

December 4, 2019

To whom it may concern,

I am Mary O'Dwyer, President of Professional Women Toastmasters club in Temecula. I have known Kathy Sizemore since she joined our club in 2018. From the beginning, Kathy was a go getter, completing her first speech within the first month. Within 6 months she stepped up to a leadership position within our club and was elected our Vice President Public Relations. Since acquiring that role, she has grown in leaps and bounds and raised the online profile and presence of our club. She has also been instrumental in raising public awareness of our club and what we offer through newspaper press releases and designing eye catching posters that we have shared all over town.

Kathy is a capable, motivated, honest, reliable leader with creativity, integrity and professionalism. She is the type of person you can rely on to take initiative where needed and to get the job done in the time frame agreed upon. Her public speaking and communication skills are second to none. She is caring and wonderful to work with. I can think of no one I would recommend more highly.

Love & blessings,

Mary

VOLUNTEER EXPERIENCE

Professional Women Toastmasters, VP Public Relations, Temecula, CA 2019 – Present

Responsible for coordinating an active public relations and publicity program in my club. Establishing and maintaining lines of communication between the club and its members, as well as between the club and the public. Responsible for developing social media promotions and submitting press releases to local media. Plan club open house events. Design and prepare promotional materials adhering to Toastmasters Intl. brand guidelines. Collaborate with club leaders as a member of the club's executive board.

Boy Scouts of America, Troop 148, Assistant Scoutmaster, 2017 – Present

Assist Scoutmaster in delivering a scouting program to a troop of 75 scouts. Mentor to multiple scouts in their path to attaining the rank of Eagle Scout. Assist with the planning and arrangements for multiple campouts and scouting events. Lead scouts in the planning and cooking of large group meals in Dutch ovens. Teach and counsel troop scouts in the following Eagle Scout rank required merit badges: Citizenship in the Community, Personal Management, and Family Life.

Boy Scouts of America, Membership Chair & Apparel Coordinator, Troop 148, 2017 – 2019

Recruit and register new boy scouts joining the unit and managed troop apparel for sale.

Boy Scouts of America, Tahquitz District Membership Chair, 2019 – Present

Responsible for the membership recruitment of the youth in the District. Interface with council Membership Chair. Establish plan and objective for district membership growth. Identify and conduct recruiting methods for chartered organizations and units. Implement year-round full membership plan. Track and attain membership growth objectives. Attend District Committee meetings and report membership results periodically to the committee

Boy Scout of America, Committee Chair, Pack 384, 2014 – 2017

Founding Committee Chair leader for a new Cub Scout Pack (Pack 384) in Temecula, CA. Coordinated and led pack committee, managed troop finances, led pack committee in planning a year-round scouting program, ensured pack leaders received necessary training and maintained leader training records, trained founding committee and den leaders for their positions, put in place systems for managing pack advancements, established and maintained pack management database software, managed pack fundraising efforts doubling pack fundraising amounts over a three year period

FIRST Robotics, Regional Judge Advisor for Inland Empire FRC Regional, 2015

Managed and facilitated judging efforts at the Inland Empire Regional FRC. Recruited 20 technology and business leaders from the Inland Empire to serve as judges. Communicated with judges about job requirements prior to tournament. Trained judges in their roles. Managed awards judging of 40 robotics teams over a three-day period. Facilitating award decisions and clarifying award guidelines and ensuring the overall consistency of the awards process in accordance to FIRST policy and guidelines.

FIRST Robotics, First Robotic Competition Team Mentor, 2014-2015

Business mentor to FRC team 4984. Lead students in planning a celebratory event for sponsors and supporters recognizing kickoff of the year's robotics competition.

FIRST Robotics, First Lego League Tournament Director, 2014

Organized and directed a local full day qualifying tournament for First Lego League Southern California Region serving 12 teams with over 200 attending individuals. Obtained sponsorship and funding. Managed venue logistics. Recruited volunteers and provided on site management of volunteer efforts.

Boy Scouts of America, Pack Training Chair, Pack 337, 2013 – 2014

Maintained training records for pack leaders. Ensured that leaders had the information and resources to attain necessary training for their positions.

FIRST Robotics, Tournament Judge, 2013 – 2014

First Tech Challenge and First Robotics Competition- Award recipients through interaction with teams, review documentation regarding team background information to familiarize judges with teams. Interview and observe teams in the Pit, on the playing field and other areas. Review team background literature. Participate on Judge Panel to decide team/student awards recipients

FIRST Robotics, First Lego League Team Coach, 2011 – 2014

Coached two First Lego League robotics teams. Taught Lego Mindstorm NXT & EV3 robotics programming. Teams progressed winning both local and regional championship awards.

Boy Scouts of America, Assistant Webelos Den Leader, 2010 – 2011

Assisted in the leadership of Webelos Den. Made arrangements for the den meetings and input advancement records for scouts.

Community Bible Study, Children's Teacher, Temecula Day Class, 2006 – 2009

Children's ministry teacher for infants, toddlers, and Primary grades.

CALIFORNIA INLAND EMPIRE COUNCIL

BOY SCOUTS OF AMERICA

December 10, 2019

To Whom It May Concern:

It is my pleasure to write a letter of recommendation for Kathy Sizemore. Kathy has been an integral part of the Tahquitz District, Boy Scouts of America for many years, currently serving as the District Membership Chair. As Membership Chair, she plays a critical role in ensuring that the unit leaders have the resources and training to continue to grow program and on developing relationships with their schools and key community organizations. Her leadership, dedication and follow through are just a few of the qualities that have helped us grow and provide a quality program for over 3,000 youth in our community.

Kathy has also served as a Committee Chairman for a local Cub Scout pack. She was instrumental in the formation and organization of the newly formed pack over 6 years ago. Kathy's enthusiasm for the program inspired other parents to step up and help on the committee. She chaired the annual unit fundraiser, created the pack website and under Kathy's leadership, the pack doubled in size.

Kathy is highly organized, creative and willing to take on new tasks in an effort to help the team. In addition, she has been an incredible asset in her ability to create content, graphic design and manage our social media presence. She is loyal to the organizations mission, values and objectives. Her strength of character and dedication to Scouting's ideals make her a role model and leader among her peers.

Again, I am pleased to provide this letter of recommendation for Kathy Sizemore. She is an outstanding volunteer and a pleasure to work with. I am sincerely appreciative for the difference she has made in our community.

Sincerely,

Tina Roy
District Director, Tahquitz District
California Inland Empire Council

Prepared. For Life.™

Interest

Describe why you wish to serve on this commission, how you have engaged with the City previously (i.e., attending meetings and events, etc.), and why you believe you are qualified for the position. Please be specific.

As my CV demonstrates, I have had a life long passion of being of service to my community and neighborhood. I have an extensive background in disaster preparedness and law enforcement. During my 3 year term on the Temecula Traffic/Public Safety Commission, I have served 1 yr as vice-chair and 2 years as chair. I am grateful for the level of support and recognition rec'd from my fellow commissioners. Several commissioners have shared with me that prior to my service on the Commission, they felt the commission served more as a rubber stamp vs active debate and discussion. I believe that with my leadership style the commission now is more involved and as a result better solutions occur for our city. During my tenure of as Chair, some long standing difficult issues such as the pedestrian issue with Great Oak were resolved after remaining an issue for over a decade. Much of this credit goes to Patrick Thomas for bringing new solutions and leadership in regards to the pedestrian issue. I too feel I deserve some of the credit in helping the commission work through their concerns with the solution. The Traffic Safety has successfully buffered many situations over the past two years and had them resolved prior to going to council. I would like to think that my skills as chair in interacting with the public and staff created part of the successful mitigation. I love being of service, I love being in the arena working to maintain the sense of community that Temecula enjoys. I have been President of Wolf Creek for 9-10 years. Two years ago Wolf Creek was awarded the HOA of the year for the entire inland empire. Last year, I was selected as Board member of the year for the entire inland empire by the California Association institute for the inland empire. Finally, I love Temecula with a passion! That passion drives my desire to keep Temecula the special place that it is.

Interest

Describe why you wish to serve on this commission, how you have engaged with the City previously (i.e., attending meetings and events, etc.), and why you believe you are qualified for the position. Please be specific.

I would like to serve on the commission mainly due to the fact that, I feel i cant complain about other peoples decisions, if I don ty to get involved. I had the opportunity to meet with Mayor Rahn, to express my love for my city, and to see what channels I would have to go through to be the Mayor of Temecula one day. I seen this opportunity and thought this could be the start of my career into community service and politics. I have been apart of several community events, from different organizers that I have donated my speaking and Disc Jockey skills for. I have a passion for the community, and would love nothing more to be apart of aiding in making decisions with leaders and colleagues alike.

Interest

Describe why you wish to serve on this commission, how you have engaged with the City previously (i.e., attending meetings and events, etc.), and why you believe you are qualified for the position. Please be specific.

Since retiring from the Navy after 24 years of service and 8 military moves, I have settled down in the Inland Empire where I can finally call home. In 2017, I purchased a home in La Cresta and was excited to get involved with my community. Upon attempting to apply for a Commission appointment in the City of Murrieta, I discovered that I did not meet the eligibility requirement of residing within the city limits and wasn't eligible. After 2 years and learning more about the area, we decided to move to Temecula where we immediately felt at home and I verified that my address was in the city limits so I would have the opportunity to serve my community. When I discovered that there were 2 commission openings in Temecula, I immediately began my application. I have devoted my life to service! Even since retirement, I have been actively engaged in my community which includes supporting multiple Non-Profit organizations and getting to know many of our local businesses. Being in the marketing business of Real Estate, I have been supporting local businesses through social media videos to help bolster our community businesses. In regards to the two commissions I have applied for, I feel I am uniquely qualified for both. First, the Community Services Commission, I have spent my entire career giving back as a collateral duty to my military and civilian careers. This includes but not limited to countless hours of volunteer service to a host of community and military organizations. Second, the Public/Traffic Safety Commission, I spent 20 years of my military career as a Military Police officer working everything from Patrol, Investigations, Anti-Terrorism, protective services and physical security. I believe these skillsets and positively impact our community and allow me to directly relate to our dedicated first responders. Please allow the honor to serving our fine community and the place I can finally call home!

November 22, 2019

Temecula City Council Members:

I have known Travis Winfield for almost two years and have found him to be one of the most genuine individuals I have met in a long time.

We immediately hit it off because of a common experience-our service to the US Navy. Of course, I left the Navy when my commitment was honored while Travis made it a career - serving for 24 years.

Travis has demonstrated to me every trait a City Council Member would look for in an applicant for a Commission appointment. He is hard working, committed, passionate and a team player. His service to our country for 24 years demonstrates he understands loyalty to a cause greater than one's self.

I have encouraged Travis to apply for a Commission appointment because of his deep desire to be of public service and I am certain that, should he be appointed, he would not disappoint. He is a family man who truly represents the values of our Temecula community.

Respectfully,

Chuck Washington

Riverside County Supervisor

Past Temecula Councilman

Travis Winfield
President, TWG, Inc
Team Leader, The Winfield Group Real Estate Team
VP of Training and Development, Sentry Residential

Travis Winfield military career began when he enlisted in September 1992 and attended basic training in Orlando, Florida. After graduating, Travis served tours on USS TICONDEROGA (CG 47); Naval Support Activity, Souda Bay, Greece; Transient Personnel Unit, Norfolk, Virginia; NCIS Protective Service Unit, Gaeta, Italy; Sewell's Point Precinct, Naval Station Norfolk, Virginia; Deployment to the Middle East protecting the U.S. Central Command, Commander throughout the region, including Iraq and Afghanistan; Naval Air Station, Sigonella, Italy; USS SAN DIEGO (LPD 22), and Pre-Commissioning Unit DETROIT (LCS 7), where he served as Command Senior Chief. In June of 2016, Travis Winfield made the challenging decision to retire from the Navy and pursue his passion in the Real Estate profession.

In 2011, Travis obtained his CA real estate license and began learning the business while on active duty. After retiring from the Navy in 2016, he started growing his Real Estate business full time. Since then, he has grown his business and team into one of the top producing Real Estate teams in the Country. His team is unique in that he only hires Military, Veterans and their families, specializing in Military benefits. He is also the VP of Training and Development of Sentry Residential, scaling as the first National military centric Real Estate company in the Country.

In addition, his civic activities include serving on the on the Board of Directors for the Enlisted Leadership Foundation devoted to teaching leadership to our active duty military. He also serves on the Advisory Board for the Veterans Business Action Committee, mentoring aspiring Veteran entrepreneurs and the Veterans Supplemental Support Network, devoted to assisting military families in need. He also helps educate military families as a Contributor for MilitaryTimes.com.

His personal awards include the Navy Commendation Medal (three awards), Joint Service Achievement Medal, Navy Achievement Medal (three awards), Good Conduct (six awards), Military Outstanding Volunteer Service Medal and various other Campaign and Unit awards. In Real Estate, his awards include the Five Star Professional Award; SDAR Recognition of Excellence Award; Big Block Realty Winners

Circle Top 5%, America's Top 1% Real Estate Agents and California State Senate Recognition of Excellence for his support to our Veteran community.

Travis Winfield has been married to his beautiful wife, Maria, since 1998 and have two incredible children, Sebastian and Felicia. They are his "WHY"!
