

**PUBLIC TRAFFIC/SAFETY COMMISSION
AGENDA REPORT**

TO: Public/Traffic Safety Commission

FROM: Patrick Thomas, Director of Public Works/City Engineer

DATE: October 22, 2020

SUBJECT: Proposed Yellow Curb on Kaffirboom Court

PREPARED BY: Anissa Sharp, Office Specialist II

RECOMMENDATION: That the Public/Traffic Safety Commission direct staff to install yellow curb outside 42125 Kaffirboom Court and monitor effects of installation.

BACKGROUND: City of Temecula staff were asked to consider the feasibility of implementing parking restrictions outside the residence located 42125 Kaffirboom Court. Cars parking alongside city streets are impeding school bus ability to access enough space for safe pickup. Additional space is necessary in order to accommodate wheelchair access safely. It is staff's opinion that the current constraints warrant the installation of yellow curb – see Exhibit A.

The City of Temecula Municipal Code (10.16.250 - Curb markings to indicate no stopping and parking regulations) dictates that "Yellow means no stopping, standing or parking at any time between seven a.m. and six p.m. of any day for any purpose other than loading or unloading of passengers, which shall not consume more than three minutes, nor the loading or unloading of materials, which shall not consume more than twenty minutes.". The proposed solution would allow for safe pickup of occupants while still granting overnight use by residents.

The public has been notified of the Public/Traffic Safety Commission's consideration of this issue through the agenda notification process.

FISCAL IMPACT: Minor cost associated with the recommended action.
