A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF TEMECULA SETTING FORTH THE PROTOCOL FOR THE CONDUCT OF IN PERSON PUBLIC MEETINGS DURING THE EXISTENCE OF A STATE DECLARED EMERGENCY FOR THE COVID-19 PANDEMIC

THE CITY COUNCIL OF THE CITY OF TEMECULA DOES HEREBY RESOLVE AS FOLLOWS:

Section 1. During the existence of a State of California declared emergency for the COVID-19 Pandemic, this resolution shall set forth the protocol by which in person public meetings may be conducted.

Section 2. In person public meetings shall commence with the first regularly scheduled City Council meeting in May 2021 subject to the following regulations:

A. The meetings shall be conducted with both the City Council and members of the public in attendance with the appropriate public health measures in place. Public health measures for in person meeting attendance by the City Council and members of the public require:

(1) social distancing of at least six (6) feet separating persons who are not from the same household;

(2) all persons to wear a face covering complying with CalOSHA requirements;

(3) sanitation stations placed to allow hand washing;

(4) City Staff to clean and disinfect equipment in the room where the meeting is held, including, but not limited to the podium and microphone for public speakers;

(5) temperature checks all persons entering the meeting room with those persons whose temperature is 100.4 degrees Fahrenheit or higher excluded from the meeting room; and

(6) signage posted at the entrance to the meeting room communicating to the public that they should not be in a public place if they are experiencing certain symptoms of disease including, but not limited to, coughing, sneezing, fever, chills or body aches and otherwise recommended by public health authorities.

B. City Council meetings shall be live streamed on the City's website, or made available on City's cable television stations so that the public may view the meetings live. Public comments shall be received in person with public health measures described in

Section 2.A in place or via electronic mail to the City and read into the record in the manner set forth on the Council Meeting Agenda. Even if a person cannot meet the health protocols for in person attendance at the meeting as set forth in Section 2.A, that person can still fully participate in the meeting by viewing it through one of these methods and may comment to the City Council via an email to the City Clerk by the procedures set forth on the Agenda.

C. Notwithstanding the protocols set forth in this resolution, all other rules of order for the conduct of public meetings, including time for public comments and speaker times, shall remain consistent with Resolution Nos. 94-79 and 11-27.

Section 3. Board and commission meetings shall be held in the same manner as the City Council meetings with the same public health measures and protocols in place as set forth in this Resolution.

Section 4. Due to the impacts of the COVID-19 Pandemic upon the community and the public as described in the Governor's Executive Orders, the State Department of Public Health Orders and the Local Emergency declarations, any person who fails or refuses to follow the protocols set forth in this Resolution shall be deemed to be actually disrupting the meeting and may be removed from the meeting or prevented from entering the meeting in accordance with law.
