AGENDA REPORT**

TO: Race, Equity, Diversity and Inclusion (REDI) Commission

FROM: Luke Watson, Director of Community Development

DATE: November 16, 2021

SUBJECT: Receive Update on the Quality of Life Master Plan and Public Engagement Plan and Provide Recommendations Regarding the Same

PREPARED BY: Matt Peters, Senior Planner

RECOMMENDATION: That the Commission receive an update on the Quality of Life Master Plan and a Public Engagement Plan and provide recommendations regarding the same.

BACKGROUND: The Quality of Life Master Plan (QLMP) was adopted during the Fall of 2011 and identified six core values including:

1. Healthy and Livable City;
2. Economic Prosperity;
3. A Safe and Prepared Community;
4. A Sustainable City;
5. Transportation Mobility and Connectivity; and
6. Accountable and Responsive City Government

The plan includes specific goals; key accomplishments; key findings; metrics of progress; and strategic priorities. The City's Capital Improvement Program (CIP) and Annual Operating Budget (AOB) are reviewed annually for conformance with the City's Core Values identified in the QLMP. Given the substantial progress on the current QLMP during the last several years, the General Plan Update Subcommittee, consisting of Mayor Maryann Edwards and Mayor Pro-Tem Matt Rahn, determined that an update to the QLMP should be the first step in the General Plan update project. In addition, on July 14, 2020 the City Council conceptually approved the addition of an equity core value, the draft of which was considered and forwarded by the REDI Commission to the Blue Ribbon Committee (BRC) on July 8, 2021. Staff will provide an update on progress made at the BRC meetings, ideas for future public engagement, and seek recommendations regarding the same.
